Under the Euro Medium Term Note Programme described in this Base Prospectus (the “**Programme**”), LVMH Moët Hennessy Louis Vuitton (“**LVMH**” or the “**Issuer**”) subject to compliance with all relevant laws, regulations and directives, may from time to time issue Euro Medium Term Notes (the “**Notes**”). The aggregate nominal amount of Notes issued by the Issuer and outstanding will not at any time exceed Euro 20,000,000,000 (or the equivalent in other currencies).

This Base Prospectus supersedes and replaces the Base Prospectus dated 11 July 2018. This Base Prospectus shall be in force for a period of one year as of the date hereunder.

This Base Prospectus shall, for the purposes of Notes listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market (as defined below) of the Luxembourg Stock Exchange, or offered to the public in Luxembourg, be updated annually.

Application has been made to the *Commission de surveillance du secteur financier* in Luxembourg (the “**CSSF**”) in its capacity as competent authority under the “*loi relative aux prospectus pour valeurs mobilières*” dated 10 July 2005, as amended (the “**Prospectus Act 2005**”), for the approval of this Base Prospectus as a base prospectus for the purposes of Article 5.4 of the Prospectus Directive (as defined below).

References in this Base Prospectus to the “**Prospectus Directive**” are to Directive 2003/71/EC of 4 November 2003 on the prospectus to be published when securities are offered to the public or admitted to trading as amended or superseded, to the extent that such amendments have been implemented in the relevant Member State of the European Economic Area (“**EEA**”).

Application has been made for a period of twelve (12) months from the date of approval of this Base Prospectus to the Luxembourg Stock Exchange for the Notes issued under the Programme to be listed on the Official List of the Luxembourg Stock Exchange and to be admitted to trading on the Regulated Market of the Luxembourg Stock Exchange. Application may also be made to the competent authority of any other Member State of the European Economic Area (an “**EEA Member State**”) for Notes issued under the Programme to be listed and admitted to trading on any other Regulated Market or offered to the public in such Member State. Any Regulated Market is governed by the Directive 2014/65/EU of 15 May 2014 on markets in financial instruments, as amended, appearing on the list of regulated markets issued by the European Securities and Markets Authority (referred to in this Base Prospectus as a “**Regulated Market**” under the definition of such Directive).

The CSSF assumes no responsibility for and does not give any undertaking as to the economical and financial soundness of the transactions contemplated by this Base Prospectus or the quality or solvency of the Issuer in accordance with Article 7(7) of the Prospectus Act 2005.

Notes which are not admitted to trading on a Regulated Market, or which are not offered to the public in an EEA Member State, may be issued under the Programme and may also be listed on an alternative stock exchange or may not be listed at all.

The relevant final terms (the “**Final Terms**”) (forms of which are contained herein) in respect of the issue of any Notes will specify whether or not such Notes will be listed, admitted to trading and/or offered to the public and will be published, if relevant, on the website of the Regulated Market where the admission to trading is sought or on the website of the Issuer, as the case may be. The Issuer may also issue Notes under the Programme for which no prospectus is required to be published under the Prospectus Directive (the “**Exempt Notes**”). Such Exempt Notes may be listed or admitted to trading on a market, such as the EuroMTF Market of the Luxembourg Stock Exchange (“**EuroMTF**”), and on any stock exchange which is not a Regulated Market. The CSSF has neither approved nor reviewed information contained in this Base Prospectus in connection with Exempt Notes.

Notes will be in such denomination(s) as may be specified in the relevant Final Terms, save that the minimum denomination of each Note listed and admitted to trading on a Regulated Market or offered to the public in an EEA Member State in circumstances which require the publication of a prospectus under the Prospectus Directive will be €1,000, and if the Notes are denominated in a currency other than euro, the equivalent amount in such currency at the issue date, or such higher amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant specified currency. Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”) as more fully described herein.

Dematerialised Notes will at all times be in book entry form in compliance with Articles L211-3 and R211-1 of the French *Code monétaire et financier* (Monetary and Financial Code, the “**Code**”). No physical documents of title will be issued in respect of the Dematerialised Notes.

Dematerialised Notes may, at the option of the Issuer, be in bearer dematerialised form (*au porteur*) inscribed as from the Issue Date in the books of Euroclear France (“**Euroclear France**”) (acting as central depository) which shall credit the accounts of Euroclear France Account Holders (as defined in “Terms and Conditions of the Notes - Form, Denomination(s), Title and Redenomination”) including the depository bank for Clearstream Banking S.A. (“**Clearstream**”) and Euroclear Bank SA/NV (“**Euroclear**”) or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder (as defined in Condition 1(c)(iv)), in either fully registered form (*nominatif pur*), in which case they will be inscribed in an account maintained by the Issuer or by a registration agent (designated in the relevant Final Terms) for the Issuer, or in administered registered form (*nominatif administré*) in which case they will be inscribed in the accounts of the Euroclear France Account Holders designated by the relevant Noteholders.

PRIIPs / IMPORTANT - EEA RETAIL INVESTORS – If the Final Terms in respect of any Notes include a legend entitled “Prohibition of Sales to EEA Retail Investors”, the Notes are not intended, to be offered, sold or otherwise made available to and, should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU, as amended (“MiFID II”); (ii) a customer within the meaning of Directive 2016/97/EU, as amended or superseded (“IDD”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Directive. Consequently, no key information document required by Regulation (EU) No 1286/2014, as amended (the “PRIIPs Regulation”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

MIFID II PRODUCT GOVERNANCE / TARGET MARKET – The Final Terms in respect of any Notes may include a legend entitled “MiFID II Product Governance” which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels. A determination will be made in relation to each issue about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593 (the “MiFID Product Governance Rules”), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules. For the avoidance of doubt, the Issuer is not a MiFID II regulated entity and does not qualify as a distributor or a manufacturer under the MiFID Product Governance Rules.

NOTIFICATION PURSUANT TO SECTION 309B OF THE SECURITIES AND FUTURES ACT, CHAPTER 289 OF SINGAPORE – Unless otherwise stated in the relevant Final Terms, all Notes issued under the Programme shall be prescribed capital markets products as defined in the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore.

In connection with the issue of any Tranche (as defined in “General Description of the Programme”), the Dealer or Dealers (if any) named as the stabilising manager(s) (the “Stabilising Manager(s)”) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, stabilisation may not necessarily occur. Any

stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche is made and, if begun, may cease at any time, but it must end no later than the earlier of thirty (30) days after the issue date of the relevant Tranche and sixty (60) days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or person(s) acting on behalf of any Stabilising Manager(s) in accordance with all applicable laws and rules.

The Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders redeem the Notes, in whole or in part, at par together with interest accrued to, but excluding, the date fixed for redemption.

- **Clean-Up Call Option**

If a Clean-Up Call Option is specified in the relevant Final Terms and if 80 per cent. or any other percentage above as specified in the relevant Final Terms (the "**Clean-Up Percentage**") of the initial aggregate nominal amount of all Tranches of Notes of the same Series have been redeemed or purchased by, or on behalf of, the Issuer or any of its subsidiaries and, in each case, cancelled, the Issuer may, at its option, redeem all (but not some only) of the Notes then outstanding, at par together with any interest accrued to, but excluding, the date set for redemption, provided that those Notes of such Series that are no longer outstanding have not been redeemed (and

subsequently cancelled) by the Issuer at the option of the Issuer as described in the provisions set out under “Redemption at the Option of the Issuer, Exercise of Issuer’s Options and Partial Redemption” and/or “Make-whole Redemption by the Issuer”.

- **Redemption following an Acquisition Event**

If Redemption following an Acquisition Event is specified as applicable in the relevant Final Terms and an Acquisition Event has occurred, the Issuer may, on giving not less than 15 nor more than 30 days’ irrevocable notice to the Noteholders within the Acquisition Notice Period (as specified in the relevant Final Terms), at its option, redeem all (but not some only) of the Notes of the relevant Series then outstanding at the Acquisition Call Redemption Amount (as specified in the relevant Final Terms), together with any interest accrued to, but excluding, the date set for redemption.

- **Taxation**

All payments of principal, interest and other assimilated revenues by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

- **Prescription**

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

“**Relevant Date**” means the date on which payment in respect of any Note first became due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made.

- **Meeting and voting provisions**

In respect of the representation of the Noteholders (with a denomination of less than €100,000), the following will apply:

- (a) If the relevant Final Terms specify “Full *Masse*” Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests (*intérêts communs*) in a *masse* (the “*Masse*”) and the provisions of the French *Code de commerce* relating to the *Masse* shall apply; or
- (b) If the relevant Final Terms specify “Contractual *Masse*”, Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests (*intérêts communs*) in a *Masse*. The *Masse* will be governed by the provisions of the French *Code de Commerce* with certain exceptions.

Should any of these agreements be terminated before its expiration date, compensation is usually provided for under the agreement in question, which would represent an expense without any immediate offsetting income item; • Anticipating changes in expectations of Group customers: brands must identify new trends, changes in consumer behavior, and in consumers’ tastes, in order to offer products and experiences that meet their expectations, failing which the continued success of their products would be threatened; • International exposure of the Group: the Group conducts business internationally and as a result is subject to various types of risks and uncertainties; • Other risks: consumer safety; seasonality; strategic competencies; information systems; industrial environmental and meteorological risks; • Insurance policy risks: property and business interruption insurance; transportation insurance; third-party liability; coverage for special risks; • Financial markets risks: LVMH is subject to exposure to credit risk, counterparty risks, foreign exchange risk, interest rate risk, equity market risk, commodity market risk and liquidity risk.

The value of RMB against foreign currencies fluctuates and is affected by changes in the People's Republic of China and international political and economic conditions and by many other factors.

RISK FACTORS

The Issuer believes that the following risks may affect its ability to fulfil its obligations under the Notes issued under the Programme. All of these risks are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

Risks which the Issuer believes may be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the risks described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus (including any documents incorporated by reference herein) and the Final Terms of the relevant Notes and reach their own views prior to making any investment decision.

Prospective investors should consult their own financial and legal advisers about risks associated with investment in a particular Series of Notes and the suitability of investing in the Notes in light of their particular circumstances.

RISK FACTORS RELATING TO THE ISSUER AND ITS OPERATIONS

In this section, “LVMHF” refers indifferently either to LVMH or to the LVMH Group.

1 Risk factors relating to LVMH

1.1 Strategic and operational risks

Group’s image and reputation

Around the world, the LVMH Group is known for its brands, unrivaled expertise and production methods unique to its products. The reputation of the Group’s brands rests on the quality and exclusiveness of its products, their distribution networks, as well as the promotional and marketing strategies applied. Products or marketing strategies not in line with brand image objectives, inappropriate behavior by brand ambassadors, the Group’s employees, distributors or suppliers, or detrimental information circulating in the media might endanger the reputation of the Group’s brands and adversely impact sales.

In its Wines and Spirits and Perfumes and Cosmetics business groups, and to a lesser extent in its Watches and Jewelry and Fashion and Leather Goods business groups, LVMH sells a portion of its products to distributors outside the Group, which are thus responsible for sales to end customers. The reputation of the Group’s products thus rests in part on compliance by all distributors with the Group’s requirements in terms of their approach to the handling and presentation of products, marketing and communications policies and respecting brand image.

Counterfeit and parallel retail networks

The Group’s brands, expertise and production methods can be counterfeited or copied. Its products, in particular leather goods, perfumes and cosmetics, may be distributed in parallel retail networks, including online sales networks, without the Group’s consent.

Counterfeiting and parallel distribution have an immediate adverse effect on revenue and profit. Activities in these illegitimate channels may damage the brand image of the relevant products over time and may also lower consumer confidence.

Contractual constraints

In the context of its business activities, the Group enters into multi-year agreements with its partners and some of its suppliers (especially lease, concession, distribution and procurement agreements). Should any of these agreements be terminated before its expiration date, compensation is usually provided for under the agreement in question, which would represent an expense without any immediate offsetting income item.

In addition, the Group has made commitments to its partners in some of its business activities to acquire their stakes in the activities in question should they express an interest in such a sale, according to a contractual pricing formula.

The Group has also made commitments to some of the shareholders of its subsidiaries to distribute a minimum amount of dividends, provided the subsidiaries in question have access to sufficient cash resources.

Anticipating changes in expectations of Group customers

Brands also identify new trends, changes in consumer behavior, and in consumers' tastes, in order to offer products and experiences that meet their expectations. Failing this, the continued success of their products would be threatened. By cultivating strong ties, continually replenishing their traditional sources of inspiration, ranging from art to sports, cinema and new technologies, the Group's various brands aim at all times to better anticipate and fully respond to their customers' changing needs, in line with each brand's specific identity and its particular affinities in its sphere of activity.

International exposure of the Group

The Group conducts business internationally and as a result is subject to various types of risks and uncertainties. These include changes in customer purchasing power and the value of operating assets located abroad, economic changes that are not necessarily simultaneous from one geographic region to another, and provisions of corporate or tax law, customs regulations or import restrictions imposed by some countries that may, under certain circumstances, penalize the Group.

Furthermore, a significant portion of Group sales is directly linked to fluctuations in the number of tourists. This is especially the case for the travel retail activities within Selective Retailing, but tourists also make up a large percentage of customers frequenting the boutiques operated by companies in the Fashion and Leather Goods business group. Events likely to reduce the number of tourists (geopolitical instability and insecurity, weakening of the economic environment, natural catastrophes, etc.) might have an adverse impact on Group sales.

Other risk factors

- **Consumer safety**

In France, the European Union and all other countries in which the Group operates, many of its products are subject to specific regulations, especially in Wines and Spirits and Perfumes and Cosmetics. Regulations apply to production and manufacturing conditions, as well as to sales, consumer safety, product labelling and composition.

- **Seasonality**

Nearly all of the Group's activities are subject to seasonal variations in demand. A significant proportion of the Group's sales – approximately 30% of the annual total for all businesses – is generated during the peak holiday season in the fourth quarter of the year. Unexpected events in

the final months of the year may have a significant effect on the Group's business volume and earnings.

- **Strategic competencies**

LVMH's professions require highly specific skills and expertise, in the area of leather goods or watchmaking, for example.

- **Information systems**

The Group is exposed to cyber risks relating to its information systems, arising either from internal or external attacks or from unintended events. The occurrence of these risks event may result in the loss, corruption or disclosure of sensitive data, including information relating to products, customers or financial data. Such risks may also involve the partial or total unavailability of some systems, impeding the normal operation of the processes and business activities concerned.

- **Industrial, environmental and meteorological risks**

In Wines and Spirits, production activities depend upon weather conditions before the grape harvest. In addition, in its production and storage activities, the Group is exposed to the risk of losses from events such as fires, water damage or natural disasters.

The other risk factors, not directly related to business activities but to financing and investment transactions, are described in § 1.3 Financial market risks.

1.2 Insurance policy

LVMH's overall approach is primarily based on transferring its risks to the insurance markets at reasonable financial terms, and under conditions available in those markets both in terms of scope of coverage and limits. The extent of insurance coverage is directly related either to a quantification of the maximum possible loss, or to the constraints of the insurance market.

Compared with the Group's financial capacity, its level of self-insurance is not significant.

The main insurance programs coordinated by the Group are designed to cover losses due to property damage, business interruption, terrorism, political violence, cyber crime, construction, transportation, credit, third-party liability and product recall.

Property and business interruption insurance

Most of the Group's manufacturing operations are covered under a consolidated international insurance program for property damage and resulting business interruption.

Transportation insurance

The Group's operating entities are covered by an international cargo and transportation insurance contract.

Third-party liability

The LVMH Group has established a third-party liability and product recall insurance program for all its subsidiaries throughout the world. Coverage levels are in line with those of companies with comparable business operations.

Both environmental losses arising from gradual as well as sudden and accidental pollution and environmental liability (Directive 2004/35/EC) are covered under this program.

Specific insurance policies have been implemented for countries where work-related accidents are not covered by state insurance or social security regimes, such as the United States.

Coverage for special risks

Insurance coverage for political risks, company officers' liability, fraud and malicious intent, trade credit risk, acts of terrorism and political violence, loss of or corruption of computer data and more broadly, all cyber risks, real estate construction project risks and environmental risks is obtained through specific worldwide or local policies.

1.3 Financial risks

Credit risk

Due to the nature of its activities, a significant portion of the Group's sales is not exposed to customer credit risk. Sales are made directly to customers through the Selective Retailing network, the Fashion and Leather Goods stores and, to a lesser extent, the Watches and Jewelry stores.

Furthermore, for the remaining revenue, the Group's businesses are not dependent on a limited number of customers whose default would have a significant impact on Group activity levels or earnings.

Counterparty risk

Through its financing, investment and market risk hedging operations, the Group is exposed to counterparty risk, mainly banking-related, which must be regularly and actively managed. Diversification of this risk is a key objective. Special attention is given to the exposure of our bank counterparties to financial and sovereign credit risks, in addition to their credit ratings, which must always be in the top-level categories.

Foreign exchange risk

A substantial portion of the Group's sales is denominated in currencies other than the euro, particularly the US dollar (or currencies tied to the US dollar such as the Hong Kong dollar) and the Japanese yen, while most of its manufacturing expenses are euro-denominated.

Exchange rate fluctuations between the euro and the main currencies in which the Group's sales are denominated can therefore significantly impact its revenue and earnings reported in euros, and complicate comparisons of its year-on-year performance.

The Group actively manages its exposure to foreign exchange risk in order to reduce its sensitivity to unfavorable currency fluctuations by implementing hedges such as forward sales and options.

Owning substantial assets denominated in currencies other than euros (primarily the US dollar and Swiss franc) is also a source of foreign exchange risk with respect to the Group's net assets.

Interest rate risk

The Group's debt is denominated in various currencies, with the portion denominated in currencies other than the euro being most of the time converted to euros via cross-currency swaps; the Group is then mainly exposed to fluctuations in euro interest rates. This interest rate risk is managed using swaps or by purchasing options (protection against an increase in interest rates) designed to limit the adverse impact of unfavorable interest rate fluctuations.

Equity market risk

The Group's exposure to equity market risk relates in part to its treasury shares, which are held primarily in coverage of stock option plans and bonus share plans. LVMH treasury shares are considered as equity instruments under IFRS, and as such any changes in value have no impact on the

consolidated income statement. Moreover, listed securities may be held by certain of the funds in which the Group has invested, or directly in non-current or current available for sale financial assets.

The Group may use derivatives in order to reduce its exposure to risk. Derivatives may serve as a hedge against fluctuations in share prices. For instance, they may be used to cover cash-settled compensation plans index-linked to the change in the LVMH share-price. Derivatives may also be used to create synthetic long position.

Commodity market risk

The Group, mainly through its Watches and Jewelry business group, may be exposed to changes in the prices of certain precious metals, such as gold. In certain cases, in order to ensure visibility with regard to production costs, hedges may be implemented.

Liquidity risk

In addition to local liquidity risks, which are generally immaterial, the Group's exposure to liquidity risk can be assessed in relation to the amount of its short-term borrowings excluding derivatives, i.e., 5.0 billion euros, which is covered by the 5.4 billion euro balance of cash and cash equivalents or in relation to the outstanding amount of its commercial paper program, i.e. 3.2 billion euros as of 31 December 2018. Should any of these borrowing facilities not be renewed, the Group has access to undrawn confirmed credit lines, which as of 31 December 2018 amounted to 3.9 billion euros.

Therefore, the Group's liquidity is based on the large amount of its investments and long term borrowings, the diversity of its investor base (bonds and private short term investments), and the quality of its banking relationships, whether evidenced or not by confirmed credit lines.

RISK FACTORS RELATING TO THE NOTES

1 General Risks Relating to the Notes

1.1 Independent Review and Advice

Each prospective investor of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

A prospective investor may not rely on the Issuer or the Dealer(s) or any of their affiliates in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above.

1.2 Meetings of Noteholders.

The applicable Terms and Conditions of the Notes contain meeting and voting provisions regarding the Noteholders to consider matters affecting their interests generally.

These provisions permit defined majorities to bind all holders of Notes, including holders who did not attend and vote at the relevant general meeting or consultation by way of a resolution in writing and holders who voted in a manner contrary to the majority and, if applicable, all holders of Coupons.

1.3 No active Secondary/Trading Market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there may be no active trading market (unless in the case of any particular Tranche, such

Tranche is to be consolidated with and form a single Series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. There is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

1.4 Potential Conflicts of Interest

All or some of the Dealers and their affiliates (including their parent companies) have and/or may in the future engage, in the ordinary course of business, in investment banking, commercial banking and/or other financial advisory and commercial dealings with the Issuer and its affiliates and in relation to securities issued by any entity of the Group. They have or may, in the ordinary course of their business, (i) engage in investment banking, trading or hedging activities including activities that may include prime brokerage business, financing transactions or entry into derivative transactions, (ii) act as underwriters in connection with offering of shares or other securities issued by any entity of the Group or (iii) act as financial advisers to the Issuer or other companies of the Group. In the context of these transactions, certain of such Dealers have or may hold shares or other securities issued by entities of the Group. Where applicable, they have or will receive customary fees and commissions for these transactions.

Each of the Issuer and the Dealer(s) may from time to time be engaged in transactions involving the Notes, an index or related derivatives which may affect the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

The Issuer may appoint a Dealer as Calculation Agent in respect of an issuance of Notes under the Programme. In such a case the Calculation Agent is likely to be a member of an international financial group that is involved, in the ordinary course of its business, in a wide range of banking activities out of which conflicting interests may arise. Whilst such a Calculation Agent will, where relevant, have information barriers and procedures in place to manage conflicts of interest, it may in its other banking activities from time to time be engaged in transactions involving an index or related derivatives which may affect amounts receivable by Noteholders during the term and on the maturity of the Notes or the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

1.5 Exchange Rates

Prospective investors of the Notes should be aware that an investment in the Notes may involve exchange rate risks. The reference assets or the Notes may be denominated in a currency other than the currency of the purchaser's home jurisdiction; and/or the reference assets or the Notes may be denominated in a currency other than the currency in which a purchaser wishes to receive funds. Exchange rates between currencies are influenced by macro economic factors, speculation and central bank and government intervention (including the imposition of currency controls and restrictions). Fluctuations in exchange rates may affect the value of the Notes or the reference assets.

1.6 Legality of Purchase

Neither the Issuer, the Dealer(s) nor any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

1.7 Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial instruments such as the Notes. Potential investors are advised not to rely upon the tax overview contained in this Base Prospectus and any supplement thereto that may be published from time to time, but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus.

1.8 Proposed European financial transaction tax

On 14 February 2013, the European Commission published a proposal for a directive (the "**Commission's Proposal**") for a common financial transactions tax (the "**FTT**") in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the "**Participating Member States**"). In March 2016, Estonia officially indicated that it would no longer be a Participating Member State.

The Commission's Proposal remains subject to negotiation between the Participating Member States and the scope of this tax remains uncertain. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional European Union Member States may decide to participate and/or certain of the current Participating Member States may decide to withdraw.

Under the Commission's Proposal, the FTT has very broad scope and could apply to certain dealings in the Notes, save primary market transactions referred to in Article 5(c) of Regulation (EC) No. 1287/2006 which are expected to be exempt. The FTT could apply in certain circumstances to persons both within and outside of the Participating Member States. Generally, it would apply to certain dealings in the Notes where at least one party is a financial institution established in a Participating Member State. A financial institution may be, or be deemed to be, "established" in a Participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a Participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a Participating Member State. It would call for the Participating Member States to impose a tax of generally at least 0.1% on all such transactions, generally determined by reference to the amount of consideration paid. The mechanism by which the tax would be applied and collected is not yet known, but if the Commission's Proposal or any similar tax is adopted, transactions in the Notes would be subject to higher costs, and the liquidity of the market for the Notes may be diminished.

Prospective holders of the Notes are strongly advised to seek their own professional advice in relation to the FTT.

1.9 Change of Law

The Terms and Conditions of the Notes are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change in French law or the official application or interpretation of French law after the date of this Base Prospectus.

1.10 French Insolvency Law

Under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders (the "**Assembly**") in order to defend their common interests if a safeguard

procedure (*procédure de sauvegarde*), an accelerated financial safeguard procedure (*procédure de sauvegarde financière accélérée*), an accelerated safeguard procedure (*procédure de sauvegarde accélérée*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is opened in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance programme (EMTN) and regardless of their governing law.

The Assembly deliberates on the proposed safeguard plan (*projet de plan de sauvegarde*), proposed accelerated financial safeguard plan (*projet de plan de sauvegarde financière accélérée*), proposed accelerated safeguard plan (*projet de plan de sauvegarde accélérée*) or proposed judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (*charges*) of holders of debt securities (including the Noteholders) by rescheduling due payments and/or partially or totally writing off receivables in the form of debt securities;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into securities that give or may give right to share capital.

Decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the debt securities held by the holders expressing a vote). No quorum is required to convoke the Assembly.

For the avoidance of doubt, the provisions relating to the representation of the Noteholders described in this Base Prospectus (see Condition 11) will not be applicable to the extent they are not in compliance with compulsory insolvency law provisions that apply in these circumstances.

1.11 Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time. The rating reflects the possibility of default of the Issuer of the Notes as judged by the credit rating agencies.

1.12 Market Value of the Notes

The value of the Notes may be affected by the creditworthiness of the Issuer and a number of additional factors, such as market interest and yield rates and the time remaining to the maturity date and more generally all economic, financial and political events in any country, including factors affecting capital markets generally and the stock exchanges on which the Notes are traded if any. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser. The historical market prices of the reference assets or an index should not be taken as an indication of the reference assets' or an index's future performance during the term of any Note.

2 Risks related to the structure of a particular issue of Notes

The Programme allows for different types of Notes to be issued. Accordingly, each Tranche of Notes may carry varying risks for potential investors depending on the specific features of such Notes such as, *inter alia*, the provisions for computation of periodic interest payments, if any, redemption and issue price.

2.1 Notes subject to optional redemption by the Issuer

In the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by the country of domicile (or residence for tax purposes) by the Issuer, or within France, or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may, or in certain circumstances shall, redeem all outstanding Notes in accordance with the Terms and Conditions.

In addition, if in the case of any particular Tranche of Notes the relevant Final Terms specifies that the Notes are redeemable at the Issuer's option in certain other circumstances the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. During a period when the Issuer may elect, or has elected, to redeem Notes, such Notes may feature a market value not substantially above the price at which they can be redeemed. In such circumstances an investor may not be able to reinvest the amounts received upon redemption in a comparable security at a rate that will provide the same return as its investment in the Notes.

Finally, the market value of the Notes, prior to any redemption may be higher than the amount received by the relevant Noteholders upon any early redemption of the Notes occurring as described above, and the redemption may under such circumstances lead to a loss in value for the investors.

2.2 Fixed Rate Notes

Investment in the Notes which bear interest at a fixed rate involves the risk that subsequent changes in market conditions, including a change in interest rates, adversely affect the value of the relevant Tranche of Notes.

2.3 Floating Rate Notes

Investment in Notes which bear interest at a floating rate comprise (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such reference rate. Typically, the relevant margin will not change throughout the life of the Notes but there will be a periodic adjustment (specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change over time. Accordingly, the market value of floating rate Notes may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate.

2.4 Notes issued at a substantial discount or premium

The market value of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

2.5 Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features, their market values may be even more volatile than those for securities that do not include those features.

2.6 Benchmark reforms and licensing

The London Inter-Bank Offered Rate (“**LIBOR**”), the Euro Interbank Offered Rate (“**EURIBOR**”) are, and other types of indices, including (but not limited to) indices comprised of interest rates,

equities, commodities, commodity indices, exchange traded products, foreign exchange rates, funds and combinations of any of the preceding types of indices which may be deemed to be, “benchmarks”, which have been the subject of recent national, international and other regulatory guidance and proposals for reform. Some of these reforms are already effective whilst others are still to be implemented.

Key international regulatory initiatives relating to the reform of benchmarks include IOSCO’s Principles for Financial Benchmarks (the “**IOSCO Principles**”) and Regulation (EU) 2016/1011 of the European Parliament and of the Council of 8 June 2016 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds and amending Directive 2008/48/EC and 2014/17/EC and Regulation (EU) No 596/2014 (the “**Benchmarks Regulation**”). The IOSCO Principles aim to create an overarching framework of principles for benchmarks to be used in financial markets, specifically covering (among other things) governance and accountability as well as the quality, integrity and transparency of benchmark design, determination and methodologies. A review published by IOSCO in February 2015 of the status of the voluntary market adoption of the IOSCO Principles noted that there has been significant but mixed progress on implementation of IOSCO Principles but that as the benchmarks industry is in a state of change, further steps may need to be taken by IOSCO in the future.

The Benchmarks Regulation was published in the European official journal on 29 June 2016. Most of the provisions of the Benchmarks Regulation came into force on 1 January 2018 with the exception of certain provisions (mainly on critical benchmarks) that applied from 30 June 2016. The Benchmarks Regulation applies to the provision of benchmarks, the contribution of input data to a benchmark and the use of a benchmark within the European Union and will, among other things, (i) require benchmark administrators to be authorised or registered (or, if non-EU-based, to be subject to an equivalent regime or otherwise recognised or endorsed) and to comply with extensive requirements in relation to the administration of “benchmarks” (or, if non-EU-based, to be subject to equivalent requirements) and (ii) prevent certain uses by EU-supervised entities of “benchmarks” of administrators that are not authorised/registered (or, if non-EU based, deemed equivalent or recognised or endorsed). The scope of the Benchmarks Regulation is wide and, in addition to so-called “critical benchmark” indices, such as EURIBOR, applies to many interest rate and foreign exchange rate indices, equity indices and other indices (including “proprietary” indices or, potentially, baskets, portfolios or strategies) where used to determine the amount payable under or the value or performance of certain financial instruments for which a request for admission to trading on a trading venue has been made, or which are traded on a trading venue (EU regulated market, EU multilateral trading facility (“**MTF**”), EU organised trading facility (“**OTF**”)) or via a systematic internaliser, financial contracts and investment funds.

Different types of benchmark (critical benchmarks, significant benchmarks, non-significant benchmarks and interest rate benchmarks, commodity benchmarks, regulated data benchmarks) are subject to some variations to take into account their characterisation.

The Benchmarks Regulation could have a material impact on any securities, including the Notes for which a request for admission to trading on a trading venue has been made, or which are traded on a trading venue or via a “systematic internaliser”, financial contracts and investment funds linked to a “benchmark” index, including in any of the following circumstances:

- subject to any applicable transitional provisions, an index which is a “benchmark” could not be used by a supervised entity in certain ways if its administrator, or the benchmark, is not entered in or is removed from ESMA’s register of Benchmarks Regulation approved benchmarks (for example if the administrator does not obtain or retain authorisation or registration under the Benchmarks Regulation, or, if based in a non-EU jurisdiction, the

administrator does not obtain or retain recognition or endorsement and the administrator/benchmark does not benefit from equivalence); or

- the methodology or other terms of the “benchmark” could be changed in order to comply with the terms of the Benchmarks Regulation.

Any of the above changes or any other consequential changes to any benchmark as a result of international, national or other reforms or investigations, could potentially:

- lead to the Notes being de-listed, adjusted, subject to discretionary valuation by the Calculation Agent or otherwise impacted depending on the particular “benchmark” and the applicable terms of the Notes;
- affect the level of the published rate or the level of the “benchmark”, including causing it to be lower, higher or more volatile than in the past;
- increase the costs and risks of administering or otherwise participating in the setting of a “benchmark” and complying with any such regulations or requirements;
- discourage market participants from continuing to administer or contribute to certain “benchmarks”;
- trigger changes in the rules or methodologies used in certain “benchmarks”;
- lead to the disappearance of certain “benchmarks”, or certain currencies or tenors of benchmarks; or
- have other adverse effects or unforeseen consequences.

Any such consequences could have a material adverse effect on the liquidity, the value of and return on any Notes and on any hedging arrangements entered into in relation to such Notes. A benchmark licence may also be required for the issuance or calculation of amounts payable under any Notes referencing a benchmark.

To the extent any such licence is not obtained or retained, it may not be possible for the Notes to reference the benchmark and the Notes may be adjusted or redeemed early or otherwise impacted depending on the particular “benchmark” and the relevant terms and conditions applicable to the Notes.

It should be noted that on 24 May 2018, the European Commission published a proposal for a European Regulation amending the Benchmark Regulation. Moreover the text revises existing provisions of the Benchmark Regulation by providing an extension of the transition regime for critical and third-country benchmarks until the end of 2021. Substantially agreed provisions were published in February 2019, subject only to legal and linguistic review and are currently expected to be concluded in the first half of 2019.

Investors should consult their own independent advisers and make their own assessment about the potential risks imposed by benchmark reforms, and licensing issues in making any investment decision with respect to the Notes.

2.7 Future discontinuance of LIBOR and other benchmarks may adversely affect the value of Floating Rate Notes

On 27 July 2017, the Chief Executive of the United Kingdom Financial Conduct Authority, which regulates LIBOR, announced that it does not intend to continue to persuade, or use its powers to compel, panel banks to submit rates for the calculation of LIBOR to the administrator of LIBOR after

2021 (the “**FCA Announcement**”). Therefore, the continuation of LIBOR in its current form (or at all) after 2021 cannot be guaranteed. In a further speech on 12 July 2018, Andrew Bailey, Chief Executive Officer of the FCA, emphasised that market participants should not rely on the continued publication of LIBOR after the end of 2021. The potential elimination of the LIBOR benchmark or any other benchmark, or changes in the manner of administration of any benchmark, may require an adjustment to the terms and conditions, or result in other consequences, in respect of any Notes linked to such benchmark (including but not limited to Floating Rate Notes whose interest rates are linked to LIBOR) depending on the specific provisions of the relevant terms and conditions applicable to the Notes. Any such consequences could have a material adverse effect on the liquidity and value of and return on any such Notes.

Other interbank offered rates such as EURIBOR (the European Interbank Offered Rate) (together with LIBOR, the “**IBORs**”) may be discontinued or be subject to changes in their administration.

Changes to the administration of an IBOR or the emergence of alternatives to an IBOR, may cause such IBOR to perform differently than in the past, or there could be other consequences which cannot be predicted. The discontinuation of an IBOR or changes to its administration could require changes to the way in which the Rate of Interest is calculated in respect of any Notes referencing or linked to such IBOR. The development of alternatives to an IBOR may result in Notes linked to or referencing such IBOR performing differently than would otherwise have been the case if the alternatives to such IBOR had not developed. Any such consequence could have a material adverse effect on the value of, and return on, any Notes linked to or referencing such IBOR.

Whilst alternatives to certain IBORs for use in the bond market (including SONIA (the Sterling Overnight Index Average) (for Sterling LIBOR), €STR (the Euro Short Term Rate) for Euro LIBOR and EURIBOR and rates that may be derived from SONIA or €STR, as applicable) are being developed or are expected to be developed, in the absence of any legislative measures, outstanding notes linked to or referencing an IBOR will only transition away from such IBOR in accordance with their particular fallback arrangements in their terms and conditions. The operations of any such fallback arrangements could result in less favourable return for Noteholders than they might receive under other similar securities which contain different or no fallback arrangements (including which they may otherwise receive in the event that legislative measures or other initiatives (if any) are introduced to transition from and given IBOR to an alternative rate).

2.8 The occurrence of a Benchmark Event could have a material adverse effect on the value of and return on any such Notes linked to or referencing such "benchmarks"

The Terms and Conditions of the Notes provide for certain fallback arrangements in the event that a Benchmark Event occurs, including if an inter-bank offered rate (such as LIBOR or EURIBOR) or other relevant reference rate, and/or any page on which such benchmark may be published, becomes unavailable, or if the Issuer, the Calculation Agent, any Paying Agent or any other party responsible for the calculation of the Rate of Interest (as specified in the applicable Final Terms) are no longer permitted lawfully to calculate interest on any Notes by reference to such benchmark under the Benchmark Regulation or otherwise. Such fallback arrangements include the possibility that the rate of interest could be set by reference to a Successor Rate or an Alternative Rate (both as defined in the Terms and Conditions of the Notes), with or without the application of an adjustment spread (which, if applied, could be positive or negative, and would be applied with a view to reducing or eliminating, to the fullest extent reasonably practicable in the circumstances, any economic prejudice or benefit (as applicable) to investors arising out of the replacement of the relevant benchmark), and may include amendments to the Terms and Conditions of the Notes to ensure the proper operation of the successor or replacement benchmark, all as determined by the Independent Adviser and without the consent of the Noteholders.

In certain circumstances, including where no Successor Rate or Alternative Rate (as applicable) is determined or due to the uncertainty concerning the availability of Successor Rates and Alternative Rates and the involvement of an Independent Adviser, the relevant fallback provisions may not operate as intended at the relevant time, in all these circumstances other fallback rules might apply if the benchmark is discontinued or otherwise unavailable, which consist in the rate of interest for the last preceding Interest Period to be used for the following Interest Period(s), as set out in the risk factor above entitled “Reform and regulation of “benchmarks” may adversely affect the value of Notes linked to or referencing such “benchmarks”.

Generally speaking, the occurrence of any of the events described above could have a material adverse effect on the value of and return on any Notes.

Moreover, any of the above matters or any other significant change to the setting or existence of any relevant rate could affect the ability of the Issuer to meet its obligations under the Floating Rate Notes or could have a material adverse effect on the value or liquidity of, and the amount payable under, the Floating Rate Notes. Investors should note that, the Independent Adviser will have discretion to adjust the relevant Successor Rate or Alternative Rate (as applicable) in the circumstances described above. Any such adjustment could have unexpected commercial consequences and there can be no assurance that, due to the particular circumstances of each Noteholders, any such adjustment will be favourable to each Noteholder.

Investors should consider all of these matters, consult their own independent advisors and make their own assessments about the potential rise imposed by the Benchmark Regulation’s reforms, when making their investment decision with respect to the relevant Floating Rate Notes.

2.9 Subordinated Notes

In the event of any insolvency or liquidation of the Issuer, holders of Subordinated Notes would receive payments on any outstanding Subordinated Notes only after senior Noteholders and other senior creditors have been repaid in full, if and to the extent that there is still cash available for those payments. Thus, holders of Subordinated Notes generally face a higher performance risk than holders of Unsubordinated Notes.

2.10 Risks related to RMB Notes

Notes denominated in RMB (“**RMB Notes**”) may be issued under the Programme. RMB Notes contain particular risks for potential investors.

Risk of change in government support and regulatory regime

There can be no assurance that the PRC government will continue to gradually liberalise its control over cross-border Renminbi remittances in the future or that new PRC regulations will not be promulgated in the future which have the effect of restricting or eliminating the remittance of Renminbi into or outside the PRC. In the event that the Issuer is not able to repatriate funds outside the PRC in Renminbi, the Issuer will need to source Renminbi offshore to finance its obligations under the Notes, and its ability to do so will be subject to the overall availability of Renminbi outside the PRC.

RMB is not completely freely convertible and the liquidity of the Notes denominated in RMB may be adversely affected

RMB is not freely convertible at present. The PRC government continues to regulate conversion between RMB and foreign currencies. The People’s Bank of China (“**PBOC**”) has established RMB clearing and settlement systems for certain locations pursuant to settlement agreements relating to the clearing of RMB business between PBOC and certain clearing banks. However, the current size of RMB and RMB denominated financial assets outside the PRC remains limited, and its growth is

subject to many constraints which are directly affected by PRC laws and regulations on foreign exchange and may adversely affect the liquidity of Notes denominated in RMB.

RMB currency risk

Except in limited circumstances, all payments of RMB under Notes denominated in RMB to an investor will be made solely by transfer to a RMB bank account maintained in Hong Kong by such investor in accordance with the prevailing rules and regulations and in accordance with the terms and conditions of the Notes. The Issuer cannot be required to make payment by any other means (including in bank notes or by transfer to a bank account in the PRC or anywhere else outside Hong Kong). RMB is not freely convertible at present, and conversion of RMB into other currencies is subject to certain restrictions. In particular, for personal investors, currently conversions of RMB conducted through RMB deposit accounts may be subject to a daily limit, and investors may have to allow time for conversion of RMB from/to another currency of an amount exceeding such daily limit.

In addition, there can be no assurance that access to RMB for the purposes of making payments under such Notes or generally may remain or will not become restricted. If it becomes impossible to convert RMB from/to another freely convertible currency, or transfer RMB between accounts in Hong Kong, or the general RMB exchange market in Hong Kong becomes illiquid, any payment of RMB under the Notes may be delayed or the Issuer may make such payments in another currency selected by the Issuer using an exchange rate determined by the Calculation Agent, or the Issuer may redeem the Notes by making payment in another currency.

RMB exchange rate risk

The value of RMB against foreign currencies fluctuates and is affected by changes in the PRC and international political and economic conditions and by many other factors. In August 2015, the PBOC implemented changes to the way it calculates the midpoint against the U.S. Dollar to take into account market-maker quotes before announcing the daily midpoint. This change, among others that may be implemented, may increase the volatility in the value of the RMB against other currencies. The Issuer will make all RMB payments under Notes denominated in RMB in RMB (subject to the second paragraph under the heading "**RMB currency risk**" above). As a result, the value of such payments in RMB (in foreign currency terms) may vary with the prevailing exchange rates in the marketplace. If the value of RMB depreciates against any foreign currencies, the value of an investor's investment in such foreign currency terms will decline.

CONDITIONS ATTACHED TO THE CONSENT OF THE ISSUER TO USE THE PROSPECTUS

In the context of any offer of Notes in the Grand Duchy of Luxembourg and/or any other jurisdiction into which the Base Prospectus has been passported based on a supplement to this Base Prospectus and repeated in the applicable Final Terms (the “**Public Offer Jurisdiction(s)**”) that is not within an exemption from the requirement to publish a prospectus under the Prospectus Directive, as amended, (a “**Non-Exempt Offer**”), the Issuer consents to the use of the Base Prospectus and the relevant Final Terms (together, the “**Prospectus**”) in connection with a Non-Exempt Offer of any Notes during the offer period specified in the relevant Final Terms (the “**Offer Period**”) and in the Public Offer Jurisdiction(s) specified in the relevant Final Terms by:

- (1) subject to conditions set out in the relevant Final Terms, any financial intermediary designated in such Final Terms; or
- (2) if so specified in the relevant Final Terms, any financial intermediary which satisfies the following conditions: (a) acts in accordance with all applicable laws, rules, regulations and guidance of any applicable regulatory bodies (the “**Rules**”), from time to time including, without limitation and in each case, Rules relating to both the appropriateness or suitability of any investment in the Notes by any person and disclosure to any potential investor; (b) complies with the restrictions set out under “*Subscription and Sale*” in this Base Prospectus which would apply as if it were a Dealer; (c) acknowledges the determination of the type of clients in the context of the target market assessment in respect of the Notes and distribution channels identified under the “MiFID II product governance” legend set out in the relevant Final Terms; (d) ensures that any fee (and any commissions or benefits of any kind) received or paid by that financial intermediary in relation to the offer or sale of the Notes is fully and clearly disclosed to investors or potential investors; (e) holds all licences, consents, approvals and permissions required in connection with solicitation of interest in, or offers or sales of, the Notes under the Rules; (f) retains investor identification records for at least the minimum period required under applicable Rules, and shall, if so requested, make such records available to the relevant Dealer(s) and the Issuer or directly to the appropriate authorities with jurisdiction over the Issuer and/or the relevant Dealer(s) in order to enable the Issuer and/or the relevant Dealer(s) to comply with anti-money laundering, anti-bribery and “know your client” rules applying to the Issuer and/or the relevant Dealer(s); (g) does not, directly or indirectly, cause the Issuer or the relevant Dealer(s) to breach any Rule or any requirement to obtain or make any filing, authorisation or consent in any jurisdiction; and (h) satisfies any further conditions specified in the relevant Final Terms (in each case an “**Authorised Offeror**”). For the avoidance of doubt, none of the Dealer(s) or the Issuer shall have any obligation to ensure that an Authorised Offeror complies with applicable laws and regulations and shall therefore have no liability in this respect.

The Issuer accepts responsibility, in the Public Offer Jurisdiction(s) specified in the Final Terms, for the content of the Prospectus in relation to any person (an “**Investor**”) in such Public Offer Jurisdiction(s) to whom an offer of any Notes is made by any Authorised Offeror and where the offer is made during the period for which that consent is given. However, neither the Issuer nor any Dealer has any responsibility for any of the actions of any Authorised Offeror, including compliance by an Authorised Offeror with applicable conduct of business rules or other local regulatory requirements or other securities law requirements in relation to such offer.

The consent referred to above relates to Offer Periods (if any) ending no later than the date falling 12 months from the date of the approval of the Base Prospectus by the CSSF.

In the event the Final Terms designate financial intermediary(ies) to whom the Issuer has given its consent to use the Prospectus during an Offer Period, the Issuer may also give consent to additional Authorised Offerors after the date of the relevant Final Terms and, if it does so, it will publish any new information in relation to such Authorised Offerors who are unknown at the time of the approval of this Base Prospectus.

As of the date of this Base Prospectus, any references to Member State(s) in the context of the Issuer consenting to the use of the Base Prospectus for a Non-exempt Offer shall be a reference to the Grand Duchy of Luxembourg only. In the event that the Issuer wishes to make a Non-exempt Offer in any other EEA Member State, a supplement to this Base Prospectus shall be prepared.

If the Final Terms specify that any financial intermediary may use the Prospectus during the Offer Period, any such Authorised Offeror is required, for the duration of the Offer Period, to publish on its website that it is using the Prospectus for the relevant Non-Exempt Offer with the consent of the Issuer and in accordance with the conditions attached thereto.

In the case of an offer being made by an Authorised Offeror and/or any financial intermediary, this Authorised Offeror and/or financial intermediary will provide information to investors on the terms and conditions of the Notes and the offer thereof, at the time such offer is made.

If the Final Terms state that the consent to use the prospectus is given to one or more specified Authorised Offeror(s) and/or financial intermediary/intermediaries, any new information with respect to financial intermediaries unknown at the time of the approval of the Prospectus or the filing of the Final Terms will be published on the website of the Issuer.

Other than as set out above, neither the Issuer nor any of the Dealer(s) has authorised the making of any Non-Exempt Offer by any person in any circumstances and such person is not permitted to use the Prospectus in connection with its offer of any Notes. Any such offers are not made on behalf of the Issuer or by any of the Dealer(s) or Authorised Offerors and none of the Issuer or any of the Dealer(s) or Authorised Offerors has any responsibility or liability for the actions of any person making such offers.

An Investor intending to acquire or acquiring any Notes from an Authorised Offeror will do so, and offers and sales of the Notes to an Investor by an Authorised Offeror will be made, in accordance with any terms and other arrangements in place between such Authorised Offeror and such Investor including as to price allocations and settlement arrangements (the “Terms and Conditions of the Non-Exempt Offer”). The Issuer will not be a party to any such arrangements with Investors (other than Dealer(s)) in connection with the offer or sale of the Notes and, accordingly, the Base Prospectus and any Final Terms will not contain such information. The Terms and Conditions of the Non-Exempt Offer shall be provided to Investors by that Authorised Offeror at the time of the Non-Exempt Offer. Neither the Issuer nor any of the Dealer(s) or other Authorised Offerors has any responsibility or liability for such information.

Redemption by Instalments:	The Final Terms issued in respect of each issue of Notes that are redeemable in two or more instalments will set out the dates on which, and the amounts in which, such Notes may be redeemed.
Make-Whole Redemption by the Issuer:	If a Make-Whole Redemption by the Issuer is specified in the relevant Final Terms, in respect of any issue of Notes, the Issuer will have the option to redeem the Notes, in whole or in part, at any time or from time to time, prior to their Maturity Date.
Clean-Up Call Option:	If a Clean-Up Call Option is specified in the relevant Final Terms and if 80 per cent. or any other percentage above as specified in the relevant Final Terms (the “ Clean-Up Percentage ”) of the initial aggregate nominal amount of all Tranches of Notes of the same Series have been redeemed or purchased by, or on behalf of, the Issuer or any of its subsidiaries and, in each case, cancelled, the Issuer may, at its option, redeem all (but not some only) of the Notes then outstanding, at par together with any interest accrued to, but excluding, the date set for redemption, provided that those Notes of such Series that are no longer outstanding have not been redeemed (and subsequently cancelled) by the Issuer at the option of the Issuer as described in the provisions set out under “Optional Redemption” and/or “Make-whole Redemption by the Issuer”.
Redemption following an Acquisition Event:	If Redemption following an Acquisition Event is specified as applicable in the relevant Final Terms and an Acquisition Event has occurred, the Issuer may, on giving not less than 15 nor more than 30 days’ irrevocable notice to the Noteholders within the Acquisition Notice Period (as specified in the relevant Final Terms), at its option, redeem all (but not some only) of the Notes of the relevant Series then outstanding at

the Acquisition Call Redemption Amount (as specified in the relevant Final Terms), together with any interest accrued to, but excluding, the date set for redemption.

Early Redemption:

Except as provided in “Optional Redemption” above, Notes will be redeemable at the option of the Issuer prior to maturity only for tax reasons as set out in Condition 6. See “Terms and Conditions of the Notes - Redemption, Purchase and Options”.

Taxation:

All payments of principal, interest and other assimilated revenues by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

In the event that any such withholding or deduction is made, the Issuer will, save in certain limited circumstances provided in Condition 8 and to the fullest extent then permitted by law, be required to pay additional amounts to cover the amounts so deducted.

See section “Taxation”.

Interest Periods and Interest Rates:

The length of the interest periods for the Notes and the applicable interest rate or its method of calculation may differ from time to time or be constant for any Series. Notes may have a maximum interest rate, a minimum interest rate, or both. The use of interest accrual periods permits the Notes to bear interest at different rates in the same interest period. All such information will be set out in the relevant Final Terms.

Fixed Rate Notes:

Fixed interest will be payable in arrear on the date or dates in each year specified in the relevant Final Terms.

Floating Rate Notes:

Floating Rate Notes will bear interest at a rate determined separately for each Series as follows:

- (ii) by reference to LIBOR, EURIBOR or such other rate specified in the relevant Final Terms or, if a Benchmark Event occurs, any successor rate or any alternative rate, in each case as adjusted for any applicable margin.

Interest periods will be specified in the relevant Final Terms.

Zero Coupon Notes:	Zero Coupon Notes may be issued at their nominal amount or at a discount to it and will not bear interest.
Redenomination:	Notes issued in the currency of any Member State of the EU which participates in the single currency of the European Economic and Monetary Union may be redenominated into Euro, all as more fully provided in Condition 1 of “Terms and Conditions of the Notes - Form, Denomination(s), Title and Redenomination” below.

Form of Notes:	<p>Notes may be issued in dematerialised form (“Dematerialised Notes”) or in materialised form (“Materialised Notes”).</p> <p>Dematerialised Notes may, at the option of the Issuer, be issued in bearer dematerialised form (<i>au porteur</i>) or in registered dematerialised form (<i>au nominatif</i>) and, in such latter case, at the option of the relevant Noteholder, in either <i>au nominatif pur</i> or <i>au nominatif administré</i> form. No physical documents of title will be issued in respect of Dematerialised Notes. See Condition 1 of “Terms and Conditions of the Notes - Form, Denomination(s), Title and Redenomination”.</p> <p>Materialised Notes will be in bearer materialised form (“Materialised Bearer Notes”) only. A Temporary Global Certificate will be issued initially in respect of each Tranche of Materialised Bearer Notes. Materialised Notes may only be issued outside France.</p>

Initial Delivery of Dematerialised Notes:	One Paris business day before the issue date of each Tranche of Dematerialised Notes, the <i>Lettre Comptable</i> relating to such Tranche shall be deposited with Euroclear France as central depositary.
Initial Delivery of Materialised Notes:	On or before the issue date for each Tranche of Materialised Bearer Notes, the Temporary Global Certificate issued in respect of such Tranche shall be deposited with a common depositary for Euroclear and Clearstream or with any other clearing system or may be delivered outside any clearing system provided that the method of such delivery has been agreed in advance by the Issuer, the Fiscal Agent and the relevant Dealer.

Further restrictions that may apply to a Series of Notes may be specified in the applicable Final Terms.

The Issuer is Category 2 for the purposes of Regulation S under the United States Securities Act of 1933, as amended.

Materialised Notes will be issued in compliance with U.S. Treas. Reg. §1.163-5(c)(2)(i)(D) (the "**D Rules**") unless (i) the relevant Final Terms state that such Materialised Notes are issued in compliance with U.S. Treas. Reg. §1.163-5(c)(2)(i)(C) (the "**C Rules**") or (ii) such Materialised Notes are issued other than in compliance with the D Rules or the C Rules but in circumstances in which the Notes will not constitute "registration required obligations" under the United States Tax Equity and Fiscal Responsibility Act of 1982 ("**TEFRA**"), which circumstances will be referred to in the relevant Final Terms as a transaction to which TEFRA is not applicable.

Notes having a maturity of less than one year:

Under Part II of the Luxembourg Act dated 10 July 2005 on prospectuses for securities, which implements the Prospectus Directive, prospectuses relating to money market instruments having a maturity at issue of less than 12 months and complying also with the definition of securities are not subject to the approval provisions of Part II of such Act.

SUPPLEMENT TO THE BASE PROSPECTUS

If at any time LVMH shall be required to prepare a supplement to this Base Prospectus (the “**Supplement**”) pursuant to the provisions of article 13.1 of the *loi relative aux prospectus pour valeurs mobilières* in Luxembourg implementing the Prospectus Directive (the “**Luxembourg Law on Prospectuses**”), because of the occurrence or disclosure at any time, between the date hereof and the final closing of an offer to the public of Notes to be issued under the Programme or, as the case may be, the time when trading of such Notes on a Regulated Market begins, of a significant new factor, material mistake or inaccuracy relating to the information included in this Base Prospectus, which is capable of affecting the assessment of the Notes, LVMH undertakes, *inter alia*, to the Dealers, and the *Commission de surveillance du secteur financier* in Luxembourg and to the Luxembourg Stock Exchange to prepare and make available an appropriate Supplement to this Base Prospectus or a new Base Prospectus, which in respect of any subsequent issue of Notes to be listed on the Official List, and admitted to trading on the Regulated Market, of the Luxembourg Stock Exchange or on a Regulated Market of a Member State of the European Economic Area or to be offered to the public in Luxembourg or in any Member State of the European Economic Area, shall constitute a Supplement for the purpose of the relevant provisions of the *loi relative aux prospectus pour valeurs mobilières*.

LVMH shall submit such Supplement or restated Base Prospectus to the *Commission de surveillance du secteur financier* in Luxembourg for approval and supply each Dealer, and the *Commission de surveillance du secteur financier* in Luxembourg and the Luxembourg Stock Exchange with such number of copies of such Supplement as may reasonably be requested. All documents prepared in connection with the listing approval of the Programme will be published in accordance with the Prospectus Directive and will be available at the specified office of the Paying Agent.

In accordance with and pursuant to Article 16.2 of the Prospectus Directive and article 13.2 of the Luxembourg Law on Prospectuses, where the Notes are offered to the public, investors who have already agreed to purchase or subscribe for Notes before any Supplement is published have the right, exercisable within two working days after the publication of such Supplement, to withdraw their acceptance provided that the new factor, mistake or inaccuracy referred to in Article 16.1 of the Prospectus Directive arose before the final closing of the offer to the public and the delivery of the Notes. The period may be extended by the Issuer or, if any, the relevant offeror(s). The final date of the right of withdrawal shall be stated in the Supplement.

**PERSON RESPONSIBLE FOR THE INFORMATION
GIVEN IN THE BASE PROSPECTUS**

To the best knowledge of the Issuer having taken all reasonable care to ensure that such is the case, the information contained in this Base Prospectus is in accordance with the facts and contains no omission likely to affect its import. The Issuer accepts responsibility for the information contained in this Base Prospectus accordingly. The Issuer will also accept responsibility for the information contained in the Final Terms in respect of any issue of Notes.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion in accordance with the provisions of the relevant Final Terms and, excepting sentences in italics, shall be applicable to the Notes. In the case of Dematerialised Notes, the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as completed by the relevant Final Terms. In the case of Materialised Notes, either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms or (ii) these terms and conditions as so completed (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on Definitive Materialised Bearer Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms. References in the Conditions to “Notes” are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

There is an amended and restated agency agreement (the “**Amended and Restated Agency Agreement**”) dated 4 July 2019 agreed between LVMH Moët Hennessy Louis Vuitton (the “**Issuer**”), Deutsche Bank AG, London Branch as fiscal agent and the other agents named in it. The fiscal agent, the paying agents, the redenomination agent, the consolidation agent and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Fiscal Agent**”, the “**Paying Agents**” (which expression shall include the Fiscal Agent), the “**Redenomination Agent**”, the “**Consolidation Agent**” and the “**Calculation Agent(s)**”. References below to “**Conditions**” are, unless the context requires otherwise, to the numbered paragraphs below.

For the purpose of these Terms and Conditions, “**Regulated Market**” means any regulated market situated in a Member State of the European Economic Area (“**EEA**”) as defined in the Directive 2014/65/EU on Financial Instruments Markets dated 15 May 2014, as amended from time to time.

1 Form, Denomination(s), Title and Redenomination

- (a) **Form:** Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”).

- (i) Title to Dematerialised Notes will be evidenced in accordance with Articles L.211-3 and R.211-1 of the French *Code monétaire et financier* (the “**Code**”) by book entries (*inscriptions en compte*). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the Code) will be issued in respect of the Dematerialised Notes.

Dematerialised Notes are issued, at the option of the Issuer, in either bearer dematerialised form (*au porteur*), which will be inscribed in the books of Euroclear France (acting as central depository) which shall credit the accounts of Euroclear France Account Holders, or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder in either administered registered form (*nominatif administré*) inscribed in the books of a Euroclear France Account Holder or in fully registered form (*au nominatif pur*) inscribed in an account in the books of Euroclear France maintained by the Issuer or by the registration agent (designated in the relevant Final Terms) acting on behalf of the Issuer (the “**Registration Agent**”).

If French law so provides, the Issuer may require the identification of the Noteholders unless such rights is expressly excluded in the relevant Final Terms.

For the purpose of these Conditions, “**Euroclear France Account Holder**” means any financial intermediary institution entitled to hold accounts, directly or indirectly, on behalf of its customers with Euroclear France, and includes the depository bank for Clearstream Banking S.A. (“**Clearstream**”) and Euroclear Bank SA/NV (“**Euroclear**”).

- (ii) Materialised Notes are issued in bearer form (“**Materialised Bearer Notes**”). Materialised Bearer Notes are serially numbered and are issued with Coupons (each, a “**Coupon**” and, where appropriate, a talon (a “**Talon**”)) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more receipts (each, a “**Receipt**”) attached.

In accordance with Articles L.211-3 and R.211-1 of the Code, securities (such as the Notes) which are governed by French law and are in materialised form must be issued outside the French territory.

(b) **Denomination(s):**

Notes shall be issued in the specified denomination(s) as set out in the relevant Final Terms (the “**Specified Denomination(s)**”) save that the minimum denomination of each Note listed and admitted to trading on a Regulated Market or offered to the public in a Member State of the EEA in circumstances which require the publication of a prospectus under the Prospectus Directive will be €1,000 (or, if the Notes are denominated in a currency other than Euro, the equivalent amount in such currency at the issue date) or such other higher amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency. Dematerialised Notes shall be issued in one Specified Denomination only.

(c) **Title:**

- (i) Title to Dematerialised Notes in bearer dematerialised form (*au porteur*) and in administered registered form (*au nominatif administré*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of Euroclear France Account Holders. Title to Dematerialised Notes in fully registered form (*au nominatif pur*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of the Issuer or of the Registration Agent.
- (ii) Title to Materialised Bearer Notes in definitive form having, where appropriate, Coupons, Receipt(s) and/or a Talon attached thereto on issue (“**Definitive Materialised Bearer Notes**”), shall pass by delivery.
- (iii) Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating the holder.
- (iv) In these Conditions, “**Noteholder**”, “**holder of any Note**” or “**holder of Notes**” means (i) in the case of Dematerialised Notes, the person whose name appears in the account of the relevant Euroclear France Account Holder, the Issuer or the Registration Agent (as the case may be) as being entitled to such Notes and (ii) in the case of Materialised Notes, the bearer of any Definitive Materialised Bearer Note and the Receipts, Coupons (“**Receiptholder**” and “**Couponholder**” being construed accordingly) or Talon relating to it, and capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

(d) **Redenomination:**

- (i) The Issuer may, on any Interest Payment Date, without the consent of the holder of any Note, Receipt, Coupon or Talon, by giving at least 30 days’ notice in accordance with Condition 15

and on or after the date on which the Member State in whose national currency the Notes are denominated has become a participating Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the “**EC**”), as amended from time to time (the “**Treaty**”)) or events have occurred which have substantially the same effects (in either case, “**EMU**”), redenominate all, but not some only, of the Notes of any Series into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Conditions as the “**Redenomination Date**”.

- (ii) The redenomination of the Notes pursuant to Condition 1(d)(i) shall be made by converting the principal amount of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to applicable regulations of the Treaty and rounding the resultant figure to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the Notes so determined shall be notified to Noteholders in accordance with Condition 15. Any balance remaining from the redenomination with a denomination higher than Euro 0.01 shall be paid by way of cash adjustment rounded to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). Such cash adjustment will be payable in Euro on the Redenomination Date in the manner notified to Noteholders by the Issuer.
- (iii) Upon redenomination of the Notes, any reference in the relevant Final Terms to the relevant national currency shall be construed as a reference to Euro.
- (iv) The Issuer may, with the prior approval of the Redenomination Agent and the Consolidation Agent, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 14, without the consent of the holder of any Note, Receipt, Coupon or Talon, make any changes or additions to these Conditions or Condition 14 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated euromarket debt obligations and which it believes are not prejudicial to the interests of such holders. Any such changes or additions shall, in the absence of manifest error, be binding on the holder of Notes, Receipts, Coupons and Talons and shall be notified to Noteholders in accordance with Condition 15 as soon as practicable thereafter.
- (v) Neither the Issuer nor any Paying Agent shall be liable to the holder of any Note, Receipt, Coupon or Talon or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euro or any currency conversion or rounding effected in connection therewith.

2 Conversion and Exchanges of Notes

(a) Dematerialised Notes:

- (i) Dematerialised Notes issued in bearer dematerialised form (*au porteur*) may not be converted into Dematerialised Notes in registered dematerialised form, whether in fully registered form (*au nominatif pur*) or in administered registered form (*au nominatif administré*).
- (ii) Dematerialised Notes issued in registered dematerialised form (*au nominatif*) may not be converted into Dematerialised Notes in bearer dematerialised form (*au porteur*).

- (iii) Dematerialised Notes issued in fully registered form (*au nominatif pur*) may, at the option of the Noteholder, be converted into Notes in administered registered form (*au nominatif administré*), and vice versa. The exercise of any such option by such Noteholder shall be made in accordance with Article R.211-4 of the Code. Any such conversion shall be effected at the cost of such Noteholder.

(b) **Materialised Notes:**

Materialised Bearer Notes of one Specified Denomination may not be exchanged for Materialised Bearer Notes of another Specified Denomination.

3 Status

(iii) Dated Subordinated Notes

Subordinated Notes may have a specified maturity date (“**Dated Subordinated Notes**”). The use of proceeds of issues of Dated Subordinated Notes will be set out in the applicable Final Terms.

(iv) Undated Subordinated Notes

Subordinated Notes may not have a specified maturity date (“**Undated Subordinated Notes**”). The use of proceeds of issues of Undated Subordinated Notes will be set out in the applicable Final Terms.

(v) Interest relating to Subordinated Notes

Unless otherwise specified in the relevant Final Terms, payments of interest relating to Subordinated Notes constitute obligations which rank equally with the obligations of the Issuer in respect of Unsubordinated Notes issued by the Issuer in accordance with Condition 3(a).

If so specified in the relevant Final Terms, payments of interest relating to Subordinated Notes may be deferred in accordance with the Condition 5(f).

(vi) Payment of Notes in the event of the liquidation of the Issuer

If any judgement is rendered by any competent court declaring the judicial liquidation (*liquidation judiciaire*) of the Issuer, or in the event of a transfer of the whole or part of the business of the Issuer (*cession totale ou partielle de l'entreprise*) subsequent to the opening of a judicial recovery procedure, or if the Issuer is liquidated for any other reason, the payments of the creditors of the Issuer shall be made in the following order of priority (in each case subject to the payment in full of priority creditors):

- unsubordinated creditors of the Issuer (including holders of Unsubordinated Notes)
- holders of Subordinated Notes, and

- (A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the

relevant ISDA Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). - (a) if a Page is specified as the Primary Source in the relevant Final Terms, subject as provided below, the Rate of Interest shall be:
 - (i) the offered quotation for the Reference Rate, where such offered quotation on such Page is a composite quotation or is customarily supplied by one entity; or
 - (ii) the arithmetic mean of the offered quotations for the Reference Rate of the persons whose offered quotations appear on that Page,

(expressed as percentage rate *per annum*) in each case appearing on such Page at the Relevant Time on the Interest Determination Date.
- (b) if the Primary Source for the Floating Rate is Reference Banks or if (a) applies and the Page is not available or sub-paragraph (a)(i) applies and no offered quotation appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (a)(ii) applies and fewer than two offered quotations appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be determined by the Calculation Agent as the arithmetic mean of the offered quotations for the Reference Rate expressed as a percentage rate per annum that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as provided by the Reference Banks to the Calculation Agent and
- (c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest for the relevant Interest Period shall be the arithmetic mean of the rates per annum (expressed as a percentage) communicated to (and at

the request of) the Calculation Agent by the Reference Banks at which such banks offered rates for deposits in respect of a Representative Amount of the Specified Currency that at least two out of five Reference Banks in the Relevant Financial Centre are quoting at or about the Relevant Time on the relevant date for a period commencing on the Effective Date for a period equivalent to the Specified Duration to leading banks carrying on business in the Relevant Financial Centre; except that, if fewer than two of such banks provide the Calculation Agent with such offered rates, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

(C) Benchmark discontinuation

Notwithstanding anything to the contrary in Condition 5(c)(iii)(B), if a Benchmark Event occurs in relation to an Original Reference Rate at any time when the Terms and Conditions of any Notes provide for any remaining rate of interest (or any component part thereof) to be determined by reference to such Original Reference Rate, then the following provisions shall apply and shall prevail over other fallbacks specified in Condition 5(c)(iii)(B).

1. Independent Adviser

The Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 5(c)(iii)(C)(2) and, in either case, an Adjustment Spread, if any (in accordance with Condition 5(c)(iii)(C)(3) and any Benchmark Amendments (in accordance with Condition 5(c)(iii)(C)(4).

An Independent Adviser appointed pursuant to this Condition 5(c)(iii)(C) shall act in good faith in a commercially reasonable manner as an independent expert and (in the absence of bad faith or fraud) shall have no liability whatsoever to the Issuer, the Fiscal Agent, the Paying Agents, the Calculation Agent or any other party responsible for determining the Rate of Interest specified in the applicable Final Terms, or the Noteholders or, where applicable, the Couponholders, for any determination made by it pursuant to this Condition 5(c)(iii)(C) acting in good faith after verification with the Calculation Agent of the feasibility of the calculations to be made.

Notwithstanding any other provision of this Condition 5, if in the Calculation Agent's opinion there is any uncertainty between two or more alternative courses of action in making any determination or calculation under this Condition 5, the Calculation Agent shall promptly notify the Issuer and / or the Independent Advisor thereof and the Issuer shall direct the Calculation Agent's in writing as to which alternative course of action to adopt. If the Calculation Agent's is not promptly provided with such direction, or is otherwise unable to make such calculation or determination for any reason, it shall notify the Issuer and / or the Independent Advisor (as the case may be) thereof and the Calculation Agent shall be under no obligation to make such calculation or determination and shall not incur any liability for not doing so.

For the avoidance of doubt, neither the Issuer, the Fiscal Agent, the Paying Agents or the Calculation Agent shall be obliged to monitor or inquire whether a Benchmark Event has occurred or have any liability in respect thereof.

2. Successor Rate or Alternative Rate

If the Independent Adviser determines in good faith that:

- (a) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 5(c)(iii)(C)(3)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 5(c)(iii)(C)); or
- (b) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 5(c)(iii)(C)(4)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 5(c)(iii)(C)).

3. Adjustment Spread

If the Independent Adviser, determines in good faith (i) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a relevant component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

4. Benchmark Amendments

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 5(c)(iii)(C) and the Independent Adviser determines in good faith, in a commercially reasonable manner and taking into account market practice, if any (A) that amendments to the Terms and Conditions of the Notes (including, without limitation, amendments to the definitions of Day Count Fraction, Business Days or Relevant Screen Page) are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the “**Benchmark Amendments**”) and (B) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 5(c)(iii)(C)(5), without any requirement for the consent or approval of Noteholders, vary the Terms and Conditions of the Notes to give effect to such Benchmark Amendments with effect from the date specified in such notice.

In connection with any such variation in accordance with this Condition 5(c)(iii)(C), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

5. Notices, etc.

The Issuer shall, after receiving such information from the Independent Adviser, notify the Fiscal Agent, the Calculation Agent, the Paying Agents, the Representative (if any) and, in accordance with Condition 16, the Noteholders, promptly of any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 5(c)(iii)(C). Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

6. Fallbacks

If, following the occurrence of a Benchmark Event and in relation to the determination of the Rate of Interest on the immediately following Interest Determination Date, (i) the Issuer is unable to appoint an Independent Advisor or (ii) no Successor Rate or Alternative Rate (as applicable) is determined pursuant to this provision, the Original Reference Rate will continue to apply for the purposes of determining such Rate of Interest on such Interest Determination Date, with the effect that the fallback provisions provided elsewhere in these Terms and Conditions will continue to apply to such determination.

In such circumstances, the Issuer will be entitled (but not obliged), at any time thereafter, to elect to re-apply the provisions of this Condition 5(c)(iii)(C), *mutatis mutandis*, on one or more occasions until a Successor Rate or Alternative Rate (and, if applicable, any associated Adjustment Spread and/or Benchmark Amendments) has been determined and notified in accordance with this Condition 5(c)(iii)(C) (and, until such determination and notification (if any), the fallback provisions provided elsewhere in these Terms and Conditions including, for the avoidance of doubt, the other fallbacks specified in Condition 5(c)(iii)(B), will continue to apply in accordance with their terms.

“Successor Rate” means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body, and if, following a Benchmark Event, two or more successor or replacement rates are recommended by any Relevant Nominating Body, the Independent Adviser, shall determine which of those successor or replacement rates is most appropriate, having regard to, inter alia, the particular features of the relevant Notes and the nature of the Issuer.

- (d) **Zero Coupon Notes:** Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(g)(i)(B)).
- (e) **Accrual of Interest:** Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, on such due date or (ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to

accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date.

- (f) **Deferral of Interest:** In the case of Subordinated Notes, interest shall be payable on each Compulsory Interest Payment Date (as defined below) in respect of the interest accrued in the Interest Period ending on the day immediately preceding such date. On any Optional Interest Payment Date (as defined below) there may be paid (unless the Issuer elects not to make such payment) the interest accrued in the Interest Period ending on the day immediately preceding such date but the Issuer shall not (in the absence of any such election) have any obligation to make such payment and any such failure to pay shall not constitute a default under the Notes or for any other purpose. Notice of the Issuer's election in respect of any Optional Interest Payment Date not to make any relevant payment of interest which would otherwise have been due on such date in accordance with this Condition 5(f) shall be given to the Noteholders in accordance with Condition 15 and (if the Notes are listed on any Stock Exchange and the applicable rules of that Stock Exchange so require) to the relevant Stock Exchange. Such notice shall be given at least seven days prior to the relevant Optional Interest Payment Date(s). Any interest not paid on an Optional Interest Payment Date shall, so long as the same remains unpaid, constitute "**Arrears of Interest**", which term shall include interest on such unpaid interest as referred to below, except if the relevant Final Terms specify that any interest not paid on an Optional Interest Payment Date shall be forfeited and accordingly not due or payable by the Issuer any longer. Arrears of Interest may, at the option of the Issuer, be paid in whole or in part at any time upon the expiration of not less than seven days' notice to such effect given to the Noteholders in accordance with Condition 15 but all Arrears of Interest on all Subordinated Notes outstanding shall become due and payable in full on whichever is the earliest of:
- (i) the Interest Payment Date immediately following the date upon which the *Assemblée Générale* of the shareholders of the Issuer which was convened to approve the annual accounts of the Issuer for the fiscal year ended immediately prior to such *Assemblée Générale* passes a resolution to pay a dividend on the ordinary share capital of the Issuer in respect to such previous fiscal year; and
 - (ii) (a) a judgement rendered by any competent court declaring the transfer of the whole of the business (*cession totale de l'entreprise*) or the judicial liquidation (*liquidation judiciaire*) of the Issuer or (b) the liquidation of the Issuer for any other reason.

If notice is given by the Issuer of its intention to pay the whole or part of any Arrears of Interest, the Issuer shall be obliged to do so upon the expiration of such notice. When Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of the full amount of the Arrears of Interest accrued in respect of the earliest Interest Period in respect of which Arrears of Interest have accrued and have not been paid in full. Arrears of Interest shall (to the extent permitted by law) bear interest accruing (but only, in accordance with Article 1154 of the French *Code civil*, after such interest has accrued for a period of one year) and compounding on the basis of the exact number of days which have elapsed at the rate of interest calculated in accordance with the relevant provisions of this Condition 5 on the Subordinated Notes in respect of each relevant Interest Period. For these purposes the following expressions have the following meanings:

"**Compulsory Interest Payment Date**" means any Interest Payment Date unless at the *Assemblée Générale* of the shareholders of the Issuer immediately preceding such date which was required to approve the annual accounts of the Issuer for the fiscal year ended immediately prior to such *Assemblée Générale*, no resolution was passed to pay a dividend on the ordinary share capital of the Issuer in respect of such previous fiscal year and

“Optional Interest Payment Date” means any Interest Payment Date, as the case may be, other than a Compulsory Interest Payment Date.

(g) **Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, Rate Multipliers and Rounding:**

- (i) If any Margin or Rate Multiplier is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions, (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes **“unit”** means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.

(h) **Calculations:** The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount is specified in respect of such period in the Final Terms, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(i) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Optional Redemption Amounts Early Redemption Amounts and Instalment Amounts:** As soon as practicable after the relevant time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed and admitted to trading on a Regulated Market or stock exchange and the applicable rules of such exchange so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to

adjustment pursuant to Condition 5(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

- (j) **Calculation Agent and Reference Banks:** The Issuer shall procure that there shall be appointed at all times four Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding (as defined in Condition 4). If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Luxembourg office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.
- (k) **RMB Notes:** Notwithstanding the foregoing, each RMB Note which is a Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate per annum equal to the Rate of Interest. For the purposes of calculating the amount of interest, if any Interest Payment Date would otherwise fall on a day which is not a Business Day, it shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month in which case it shall be brought forward to the immediately preceding Business Day. Interest will be payable in arrear on each Interest Payment Date.

The Calculation Agent will, as soon as practicable after 11.00 a.m. (Hong Kong time) on each Interest Determination Date, calculate the amount of interest payable per Specified Denomination for the relevant Interest Period. The determination of the amount of interest payable per Specified Denomination by the Calculation Agent shall (in the absence of manifest error and after confirmation by the Issuer) be final and binding upon all parties.

The Calculation Agent will cause the amount of interest payable per Specified Denomination for each Interest Period and the relevant Interest Payment Date to be notified to each of the Paying Agents and to be notified to Noteholders as soon as possible after their determination but in no event later than the fourth Business Day thereafter. The amount of interest payable per Specified Denomination and Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest per Specified Denomination shall nevertheless continue to be calculated as previously by the Calculation Agent in accordance with this provision but no publication of the amount of interest payable per Specified Denomination so calculated need be made.

Interest shall be calculated in respect of any period by applying the Rate of Interest to the Specified Denomination, multiplying such product by the actual number of days in the relevant Interest Period or, as applicable, other period concerned and dividing it by 365, and rounding the resultant figure to the nearest Renminbi sub-unit, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

6 Redemption, Purchase and Options

- (a) **Final Redemption:** Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any option provided by the relevant Final Terms including any Issuer's option in accordance with Condition 6(c), Condition 6(d) or Condition 6(e) or any Noteholders' option in accordance with Condition 6(f), each Note shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Note falling within Condition 6(b) below, its final Instalment Amount.
- (b) **Redemption by Instalments:** Unless previously redeemed, purchased and cancelled as provided in this Condition 6 or the relevant Instalment Date (being one of the dates so specified in the relevant Final Terms) is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 6(c), Condition 6(d), Condition 6(e) or Condition 6(f), each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Notes, on the due date for such payment or (ii) in the case of Materialised Notes, on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (c) **Make-Whole Redemption by the Issuer:** If a Make-Whole Redemption by the Issuer is specified in the relevant Final Terms, in respect of any issue of Notes, the Issuer will, subject to compliance by the Issuer with all relevant laws, regulations and directives and on giving not less than 15 nor more than 30 days' irrevocable notice in accordance with Condition 15 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms), have the option to redeem the Notes, in whole or in part, at any time or from time to time, prior to their Maturity Date (the "**Optional Redemption Date**") at their Optional Redemption Amount. The Optional Redemption Amount will be calculated by the Party specified in the relevant Final Terms which will be responsible for calculating the principal and/or interest and/or other assimilated revenues due and will be the greater of (x) 100 per cent. of the nominal amount of the Notes so redeemed and, (y) the sum of the then present values of the remaining scheduled payments of principal, interest and other assimilated revenues on such Notes (not including any interest accrued on the Notes to, but excluding, the relevant Optional Redemption Date) discounted to the relevant Optional Redemption Date on an annual basis at the Redemption Rate plus a Redemption Margin (as specified in the relevant Final Terms), plus in each case (x) or (y) above, any interest accrued on the Notes to, but excluding, the Optional Redemption Date (including, where applicable, any Arrears of Interest).

The "**Redemption Rate**" is the average of the four quotations given by the Reference Dealers of the mid-market annual yield to maturity of the Reference Security (as specified in the relevant Final Terms) on the fourth business day preceding the Optional Redemption Date at 11.00 a.m. (Central European time (CET)).

“**Reference Dealers**” means each of the four banks which are primary European government security dealers, and their respective successors, or market makers in pricing corporate bond issues, as specified in the relevant Final Terms.

If the Reference Security is no longer outstanding, a Similar Security specified in the Final Terms, will be chosen by the Calculation Agent at 11.00 a.m. (Central European time (CET)) on the third business day in London preceding the Optional Redemption Date, quoted in writing by the Calculation Agent to the Issuer and notified in accordance with Condition 15.

The Redemption Rate will be notified by the Issuer in accordance with Condition 15.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

In the case of a partial redemption of, or a partial exercise of the Issuer’s option in respect of, Materialised Notes, the notice to holders of such Materialised Notes shall also contain the numbers of the Definitive Materialised Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances and taking account of prevailing market practices, subject to compliance with any applicable laws and requirements of the Regulated Market on which the Notes are listed and admitted to trading.

In the case of a partial redemption of, or a partial exercise of the Issuer’s option in respect of, Dematerialised Notes, the redemption will be effected by reducing the nominal amount of all such Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed, subject to compliance with any other applicable laws and requirements of the Regulated Market on which the Notes are listed and admitted to trading. In no event, the outstanding nominal amount of each Note following such reduction shall be below any amount which would prevent the Issuer from choosing its home Member State (as such term is defined in the Prospectus Directive).

Any notice given by the Issuer pursuant to this Condition 6(c) shall be deemed void and of no effect in relation to any Note in the event that, prior to the giving of such notice by the Issuer, the relevant Noteholder had already delivered an Exercise Notice in relation to such Note in accordance with Condition 6(f) below.

So long as the Notes are listed and admitted to trading on a Regulated Market and the rules of that Stock Exchange so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published on the website of any Regulated Market on which such Notes are listed and admitted to trading, which in the case of the Luxembourg Stock Exchange is expected to be the website of the Luxembourg Stock Exchange (www.bourse.lu), a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes a list of any Definitive Materialised Bearer Notes drawn for redemption but not surrendered.

- (d) **Redemption at the Option of the Issuer, Exercise of Issuer’s Options and Partial Redemption:** If a Call Option is specified in the relevant Final Terms, the Issuer may, on giving not less than 15 nor more than 30 days’ irrevocable notice in accordance with Condition 15 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms) redeem, or exercise any Issuer’s option (as may be described) in relation to, all or, if so provided, some, of the Notes on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Notes shall be at their Optional Redemption Amount together with any interest accrued to the date fixed for redemption, if any. Any such redemption or exercise must relate to Notes of a nominal amount at least

equal to the minimum nominal amount to be redeemed specified in the relevant Final Terms and no greater than the maximum nominal amount to be redeemed specified in the relevant Final Terms.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise by the Issuer of an Issuer's option in respect of Materialised Notes, the notice to holders of such Materialised Notes shall also contain the number of the Definitive Materialised Bearer Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and Regulated Market or stock exchange requirements.

In the case of a partial redemption of, or a partial exercise by the Issuer of an Issuer's option in respect of, Dematerialised Notes, the redemption will be effected, by reducing the nominal amount of all such Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed, subject to compliance with any other applicable laws and Regulated Market or stock exchange requirements. In no event, the outstanding nominal amount of each Note following such reduction shall be below any amount which would prevent the Issuer from choosing its home Member State (as such term is defined in the Prospectus Directive).

Any Notice given by the Issuer pursuant to this Condition 6(d) shall be deemed void and of no effect in relation to any Note in the event that, prior to the giving of such notice by the Issuer, the relevant Noteholder had already delivered an Exercise Notice in relation to such Note in accordance with Condition 6(f) below. So long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and the applicable rules of that Regulated Market so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper with general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) and/or so long as the rules of such Regulated Market so permit, on the website of the Luxembourg Stock Exchange (www.bourse.lu), and so long as such Notes are listed or admitted to trading on any stock exchange and the rules of such stock exchange so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading daily newspaper with general circulation in the city/ies where such stock exchange(s) is/are situated, a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes a list of any Definitive Materialised Bearer Notes drawn for redemption but not surrendered.

(e) Residual Maturity Call Option

If a Residual Maturity Call Option is specified in the relevant Final Terms, the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice in accordance with Condition 15 to the Noteholders redeem at any time as from the Call Option Date (as specified in the Final Terms), in whole or in part, at par together with interest accrued to, but excluding, the date fixed for redemption, until the Maturity Date.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

(f) Clean-Up Call Option

If a Clean-up Call Option is specified in the relevant Final Terms and if 80 per cent. or any higher percentage specified in the relevant Final Terms (the "**Clean-up Percentage**") of the initial aggregate nominal amount of all Tranches of Notes of the same Series have been redeemed or purchased by, or on behalf of, the Issuer or any of its subsidiaries and, in each case, cancelled, the Issuer may, on giving

not less than 15 nor more than 30 days' irrevocable notice in accordance with Condition 15 to the Noteholders redeem all (but not some only) of the Notes then outstanding, at par together with interest accrued to, but excluding, the date fixed for redemption, provided that those Notes of such Series that are no longer outstanding have not been redeemed (and subsequently cancelled) by the Issuer at the option of the Issuer pursuant to any optional redemption as provided in Condition 5(d) above and/or any make-whole redemption call option as provided in Condition 5(c) above.

(g) **Redemption following an Acquisition Event**

If a Redemption following an Acquisition Event is specified as applicable in the relevant Final Terms and an Acquisition Event has occurred, the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice in accordance with Condition 15 to the Noteholders within the Acquisition Notice Period (as specified in the relevant Final Terms), at its option, redeem all (but not some only) of the Notes of the relevant Series then outstanding at the Acquisition Call Redemption Amount (as specified in the relevant Final Terms), together with any interest accrued to, but excluding, the date set for redemption.

All Notes in respect of which any such notice is given shall be redeemed, on the date specified in such notice in accordance with this Condition.

Concurrently with the publication of any notice of redemption pursuant to this Condition 5(g), the Issuer shall deliver to the Noteholders a certificate indicating that the Issuer is entitled to effect such redemption and certifying that an Acquisition Event has occurred.

For the purposes of this Condition:

an "**Acquisition Event**" shall be deemed to have occurred if the Issuer (i) has not, on or prior to the Acquisition Completion Date (as specified in the Final Terms), completed and closed the acquisition of the Acquisition Target (as specified in the Final Terms) or (ii) has publicly announced that it no longer intends to pursue the acquisition of the Acquisition Target.

(h) **Redemption at the Option of Noteholders and Exercise of Noteholders' Options:** If a Put Option is specified in the relevant Final Terms, the Issuer shall, at the option of the Noteholder, upon the Noteholder giving not less than 15 nor more than 30 days' notice to the Issuer redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest).

To exercise such option, the Noteholder must deposit with any Paying Agent at its specified office a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained from any Paying Agent or the Registration Agent, as the case may be, within the notice period. In the case of Materialised Bearer Notes, the Exercise Notice shall have attached to it such Note(s) (together with all unmatured Receipts, Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Paying Agent specified in the Exercise Notice. No option so exercised and, where applicable, no Note so deposited or transferred may be withdrawn without the prior consent of the Issuer.

(i) **Early Redemption:**

(i) Zero Coupon Notes:

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, upon redemption of such Note pursuant to Condition 6(h) or Condition 6(k) or upon it becoming due and payable as provided in Condition 9 shall be the Amortised Nominal Amount (calculated as provided below) of such Note.

- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Nominal Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(h) or Condition 6(k) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Amortised Nominal Amount becomes due and payable were the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (as well after as before judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(d).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown in the relevant Final Terms.

(ii) **Other Notes:**

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(h) or Condition 6(k), or upon it becoming due and payable as provided in Condition 9 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest).

(j) **Redemption for Taxation Reasons:**

- (i) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Notes, not be able to make such payment without having to pay additional amounts as specified under Condition 8, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than 45 nor less than 30 days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 15, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal, interest and other assimilated revenues without withholding or deduction for French taxes.
- (ii) If the Issuer would on the next payment of principal or interest in respect of the Notes be prevented by French law from making payment to the Noteholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven days'

prior notice to the Noteholders in accordance with Condition 15, redeem all, but not some only, of the Notes then outstanding at their Early Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) on (A) the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Noteholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes and (ii) 14 days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Notes, or, if applicable, Coupons or, if that date is passed, as soon as practicable thereafter.

- (k) **Purchases:** The Issuer shall have the right at all times to purchase Notes (provided that, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price subject to the applicable laws and/or regulations. Unless the possibility of holding and reselling is expressly excluded in the Final Terms, all Notes so purchased by the Issuer may be held and resold in accordance with applicable laws and regulations for the purpose of enhancing the liquidity of the Notes.
- (l) **Cancellation:** All Notes purchased by or on behalf of the Issuer for cancellation will forthwith be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Bearer Notes, by surrendering the Temporary Global Certificate and the Definitive Materialised Bearer Notes in question together with all unmatured Receipts and Coupons and all unexchanged Talons to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.
- (m) **Illegality:** If, by reason of any change in French law, or any change in the official application of such law, becoming effective after the Issue Date, it will become unlawful for the Issuer to perform or comply with one or more of its obligations under the Notes, the Issuer will, subject to having given not more than 45 nor less than 30 days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 15, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest).

7 Payments and Talons

- (a) **Dematerialised Notes:** Payments of principal, interest and other assimilated revenues (including, for the avoidance of doubt, any Arrears of Interest, where applicable) in respect of Dematerialised Notes shall (in the case of Dematerialised Notes in bearer dematerialised form or administered registered form) be made by transfer to the account denominated in the relevant currency of the relevant Euroclear France Account Holders for the benefit of the Noteholders and, (in the case of Dematerialised Notes in fully registered form), to an account denominated in the relevant currency with a Bank (as defined below) designated by the Noteholders. All payments validly made to such Euroclear France Account Holders will be an effective discharge of the Issuer in respect of such payments.

- (b) **Materialised Bearer Notes:** Payments of principal, interest and other assimilated revenues (including, for the avoidance of doubt, any Arrears of Interest, where applicable) in respect of Materialised Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Materialised Bearer Notes (in the case of all other payments of principal and other assimilated revenues and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(vi)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the Noteholder, by transfer to an account denominated in such currency with a Bank.

“**Bank**” means a bank in the principal financial centre of such currency or, in the case of Euro, in a city in which banks have access to the TARGET System.

- (c) **Payments in the United States:** Notwithstanding the foregoing, if any Materialised Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.
- (d) **Payments Subject to Fiscal Laws:** All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.
- (e) **Appointment of Agents:** The Fiscal Agent, the Paying Agents, the Calculation Agent, the Redenomination Agent and the Consolidation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Redenomination Agent, the Consolidation Agent and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each such case, do not assume any obligation or relationship of agency for any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Redenomination Agent, the Consolidation Agent and the Registration Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Redenomination Agent and a Consolidation Agent where the Conditions so require, (iv) Paying Agents having specified offices in at least two major European cities (including Paris and/or Luxembourg so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange), (v) in the case of Materialised Notes issued by the Issuer, a Paying Agent with a specified office in a European Union Member State (which may be any of the Paying Agents referred to in (iv) above), (vi) in the case of Dematerialised Notes, in fully registered form, a Registration Agent and (vii) such other agents as may be required by any other Regulated Market or stock exchange on which the Notes may be listed and admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

On a redenomination of the Notes of any Series pursuant to Condition 1(d) with a view to consolidating such Notes with one or more other Series of Notes, in accordance with Condition 14, the Issuer shall ensure that the same entity shall be appointed as both Redenomination Agent and Consolidation Agent in respect of both such Notes and such other Series of Notes to be so consolidated with such Notes.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 15.

(f) **Unmatured Coupons and Receipts and unexchanged Talons:**

- (i) Unless Materialised Bearer Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Materialised Bearer Notes should be surrendered for payment together with all unmaturing Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmaturing Coupon (together, where applicable, with the amount of any Arrears of Interest corresponding to such Coupon) or, in the case of payment not being made in full, that proportion of the amount of such missing unmaturing Coupon (together, where applicable, with the amount of any Arrears of Interest corresponding to such Coupon) that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Amortised Nominal Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 10) provided that, if any Materialised Bearer Note should be issued with a maturity date and an Interest Rate or Rates such that, on the presentation for payment of any such Note without any unmaturing Coupons attached thereto or surrendered therewith, the amount required to be deducted in respect of such unmaturing Coupons would be greater than the relevant Redemption Amount otherwise due for payment, then, upon the due date for redemption of any such Note, such unmaturing Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of the foregoing provisions in respect of such Coupons as have not so become void, the amount required by this paragraph to be deducted would not be greater than the relevant Redemption Amount otherwise due for payment. Where the application of the foregoing provisions requires some but not all of the unmaturing Coupons relating to a Materialised Bearer Note to become void, the relevant Paying Agent shall determine which unmaturing Coupons are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.
- (ii) If Materialised Bearer Notes so provide, upon the due date for redemption of any such Materialised Bearer Note, unmaturing Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Materialised Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Upon the due date for redemption of any Materialised Bearer Note that is redeemable in instalments, all Receipts relating to such Materialised Bearer Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.

- (v) Where any Materialised Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons, and where any Materialised Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (vi) If the due date for redemption of any Materialised Bearer Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, (including, for the avoidance of doubt, any Arrears of Interest if applicable) shall only be payable against presentation (and surrender if appropriate) of the relevant Definitive Materialised Bearer Note. Interest accrued on a Materialised Bearer Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Materialised Bearer Notes.
- (g) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent or any of the Paying Agents in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 10).
- (h) **Business Days for Payment:** If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the Noteholder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “**business day**” means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) on which banks and foreign exchange markets are open for business in such jurisdictions as shall be specified as “**Financial Centres**” in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than Euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in Euro, which is a TARGET Business Day.
- (i) **Bank:** For the purpose of this Condition 7, “**Bank**” means a bank in the principal financial centre of the relevant currency or, in the case of Euro, in a city in which banks have access to the TARGET System.
- (j) **Payment of US Dollar Equivalent in the event of unavailability of RMB:** Notwithstanding any other provision in these Conditions, if by reason of Inconvertibility, Non-Transferability or Illiquidity or if Renminbi is otherwise not available to the Issuer as a result of circumstances beyond its control and such unavailability has been independently confirmed by a Renminbi Dealer, the Issuer is not able to satisfy payments of principal or interest (in whole or in part) in respect of RMB Notes, the Issuer, on giving not less than five nor more than 30-days irrevocable notice to the Noteholders prior to the due date for payment, may settle any such payment (in whole or in part) in US Dollars on the due date at the US Dollar Equivalent of any such Renminbi denominated amount.

In such event, payments of the US Dollar Equivalent of the relevant principal or interest in respect of the Notes shall be made by transfer to the U.S. dollar account of the relevant Account Holders for the benefit of the Noteholders. For the avoidance of doubt, no such payment of the US Dollar Equivalent shall by itself constitute a default in payment within the meaning of Condition 9.

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 7(j) by the RMB Rate Calculation Agent, will (in the absence of manifest error) be binding on the Issuer, the Agents and all Noteholders.

For the purposes of this Condition 7(j):

“Governmental Authority” means any *de facto* or *de jure* government (or any agency or instrumentality thereof), court, tribunal, administrative or other governmental authority or any other entity (private or public) charged with the regulation of the financial markets (including the central bank) of Hong Kong.

“Illiquidity” means that the general Renminbi exchange market in Hong Kong becomes illiquid, other than as a result of an event of Inconvertibility or Non-Transferability, as determined by the Issuer, in good faith and in a commercially reasonable manner following consultation with two Renminbi Dealers, as a result of which event the Issuer cannot, having used its reasonable endeavours, obtain sufficient Renminbi in order fully to satisfy its obligation to pay interest or principal in respect of the Notes.

“Inconvertibility” means the occurrence of any event that makes it impossible for the Issuer, to convert any amount due in respect of RMB Notes in the general Renminbi exchange market in Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible for the Issuer due to an event beyond its control, to comply with such law, rule or regulation).

“Non-Transferability” means the occurrence of any event that makes it impossible for the Issuer to deliver Renminbi between accounts inside Hong Kong or from an account inside Hong Kong to an account outside Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation).

“Renminbi Dealer” means an independent foreign exchange dealer of international repute active in the Renminbi exchange market in Hong Kong reasonably selected by the Issuer.

“RMB Rate Calculation Agent” means the agent appointed from time to time by the Issuer for the determination of the RMB Spot Rate or identified as such in the relevant Final Terms.

“RMB Rate Calculation Date” means the day which is two RMB Rate Calculation Business Days before the due date for payment of the relevant Renminbi amount under the Conditions.

“RMB Spot Rate” for a RMB Rate Calculation Date means the spot CNY/US dollar exchange rate for the purchase of US Dollars with CNY in the over-the-counter CNY exchange market in Hong Kong for settlement on the relevant due date for payment, as determined by the RMB Rate Calculation Agent at or around 11 a.m. (Hong Kong time) on such RMB Rate Calculation Date, on a deliverable basis by reference to Reuters Screen Page TRADCNY3, or if no such rate is available, on a non-deliverable basis by reference to Reuters Screen Page TRADNDF. If neither rate is available, the RMB Rate Calculation Agent will determine the RMB Spot Rate at or around 11 a.m. (Hong Kong time) on the RMB Rate Calculation Date as the most recently available CNY/US dollar official fixing rate for settlement on the relevant due date for payment reported by The State Administration of Foreign

Exchange of the PRC, which is reported on the Reuters Screen Page CNY=SAEC. Reference to a page on the Reuters Screen means the display page so designated on the Reuter Monitor Money Rates Service (or any successor service) or such other page as may replace that page for the purpose of displaying a comparable currency exchange rate.

“**US Dollar Equivalent**” means the relevant Renminbi amount converted into US Dollars using the RMB Spot Rate for the relevant RMB Rate Calculation Date, as calculated by the RMB Rate Calculation Agent.

8 Taxation

- (a) **Tax exemption for Notes:** All payments of principal, interest and other assimilated revenues by or on behalf of the Issuer in respect of the Notes or Coupons shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.
- (b) **Additional Amounts:** If French law should require that payments of principal, interest or other assimilated revenues in respect of any Note, Receipt or Coupon be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Noteholders or, if applicable, the Receiptholders and the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon, as the case may be:
 - (i) **Other connection:** to, or to a third party on behalf of, a Noteholder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with the Republic of France other than the mere holding of the Note, Receipt or Coupon; or
 - (ii) **Presentation more than 30 days after the Relevant Date:** in the case of Materialised Notes, more than 30 days after the Relevant Date except to the extent that the Noteholder would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day; or
 - (iii) **Payment by another Paying Agent:** in respect of Definitive Materialised Bearer Notes presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

As used in this Condition 8, “**Relevant Date**” in respect of any Note means the date on which payment in respect of it first becomes due (and, for the avoidance of doubt, in the case of Arrears of Interest, references to “**becomes due**” shall be interpreted in accordance with the provisions of Condition 5(f)) or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or, (if earlier) the date seven days after that on which notice is duly given to the Noteholders in accordance with Condition 15 that, upon further presentation of the Notes being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. supplement to it and (iii) “**principal**” and/or “**interest**” shall be deemed to include any additional amounts that may be payable under this Condition.

9 Events of Default

(a) **Unsubordinated Notes:** In the case of Unsubordinated Notes,

- (i) if the Issuer defaults in any payment when due of principal or interest on any Note (including the payment of any additional amounts pursuant to the provisions set forth under Condition 8 “Taxation” above) and such default continues for a period of more than 7 Business Days (as defined in Condition 5(a)) after receipt by the Fiscal Agent of written notice (and by the Issuer of a copy) of default given by the Representative upon request of the Noteholder or by the Noteholder, as applicable; or
- (ii) if there is a default by the Issuer in the due performance of any other provision of the Notes, and such default shall not have been cured within 14 Business Days (as defined in Condition 5(a)) after receipt by the Fiscal Agent of written notice (and by the Issuer of a copy) of default given by the Representative upon request of the Noteholder or by the Noteholder, as applicable; or
- (iii) if:
 - (i) (a) any other present or future indebtedness of the Issuer for borrowed monies becomes due and payable prior to its stated maturity as a result of a default thereunder; or (b) any such indebtedness shall not be paid when due (or, as the case may be, within any originally applicable grace period therefore); or
 - (ii) any steps shall be taken to enforce any security in respect of any such indebtedness; or
 - (iii) any guarantee or indemnity given by the Issuer for, or in respect of, any such indebtedness of others shall not be honoured when due and called upon; and

(b) **Subordinated Notes:** In the case of Subordinated Notes and in accordance with Condition 3(b), if any judgment is rendered by any competent court declaring the judicial liquidation (*liquidation judiciaire*) of the Issuer or in the event of a transfer of the whole of the business of the Issuer (*cession totale de l’entreprise*) subsequent to the opening of a judicial recovery procedure or if the Issuer is liquidated for

any other reason then the Subordinated Notes shall become immediately due and payable, in accordance with Condition 3(b), at their principal amount together with any accrued interest (together with any Arrears of Interest (as defined in Conditions 5(f)) (if any) to the date of payment.

11 Meeting and voting provisions and Modification

In this Condition 11:

- (A) references to a “**General Meeting**” are to a general meeting of Noteholders of all Tranches of a single Series of Notes and include, unless the context otherwise requires, any adjourned meeting thereof;
- (B) references to “**Notes**” and “**Noteholders**” are only to the Notes of the Series in respect of which a General Meeting has been, or is to be, called, and to the Notes of the Series in respect of which a Written Resolution has been, or is to be sought, and to the holders of those Notes (excluding, for the avoidance of doubt, the Issuer), respectively;
- (C) “**outstanding**” has the meaning set out in Condition 4, provided that for the purpose of attending and voting at any meeting of the Noteholders of the Series, those Notes (if any) which are for the time being held by or for the benefit of the Issuer or any of its subsidiaries shall (unless and until ceasing to be so held) be deemed not to remain outstanding;
- (D) “**Electronic Consent**” has the meaning set out in paragraph 11(a)(vii) (A) below;
- (E) “**Written Resolution**” means a resolution in writing signed or approved by or on behalf of the holders of not less than 75 per cent. in nominal amount of the Notes outstanding. References to a Written Resolution include, unless the context otherwise requires, a resolution approved by Electronic Consent; and
- (F) “**Written Resolution Date**” has the meaning set out in paragraph 11(a)(vii) (B) below.

In respect of the meeting and voting provisions applicable to a Series of Notes, the relevant Final Terms shall provide one of the following options: “Contractual representation of Noteholders/No *Masse*”, “Full *Masse*” or “Contractual *Masse*”, as further described in this Condition 11.

Contractual representation of Noteholders/No *Masse* (as provided by Condition 11(a) below) may only apply in respect of any Tranche or Series of Notes with an initial denomination of, or which can only be traded in amounts of, at least €100,000 (or its equivalent in the relevant currency) at the time of issue.

Full *Masse* (as provided by Condition 11(b) below) may apply in respect of any Tranche or Series of Notes but shall apply in respect of any Tranche of Notes issued (a) in France and (b) with an initial denomination (or which can be traded in amounts), of less than €100,000 (or its equivalent in the relevant currency) at the time of issue.

Contractual *Masse* (as provided by Condition 11(c) below) may apply in respect of any Tranche or Series of Notes (a) issued outside France (“à l’étranger”), within the meaning of Article L.228-90 of the French *Code de commerce* or (b) with an initial denomination of, or which can only be traded in amounts of, at least €100,000 (or its equivalent in the relevant currency) at the time of issue.

(a) Contractual representation of Noteholders/No Masse

If the relevant Final Terms specify “Contractual representation of Noteholders/No Masse”, the following meeting and voting provisions shall apply as follows:

(i) General

Pursuant to Article L.213-6-3 I of the French *Code monétaire et financier*:

- a. the Noteholders shall not be grouped in a *masse* having separate legal personality and acting in part through a representative of the noteholders (*représentant de la masse*) and in part through general meetings; however,

A Resolution may be passed with respect to any matter that relates to the common rights (*intérêts communs*) of the Noteholders.

A Resolution may be passed on any proposal relating to the modification of the Conditions including any proposal, (i) whether for a compromise or settlement, regarding rights which are the subject of litigation or in respect of which a judicial decision has been rendered, and (ii) relating to a total or partial waiver of the guarantees granted to the noteholders, the deferral of any interest payment and the modification of the amortization or interest rate provisions.

For the avoidance of doubt, neither a General Meeting nor a Written Resolution has power, and consequently a Resolution may not be passed, to decide on any proposal relating to (a) the modification of the objects or form of the Issuer, (b) the issue of notes benefiting from a security over assets (*surété réelle*) which will not benefit to the Noteholders, (c) the potential merger (*fusion*) or demerger (*scission*) including partial transfers of assets (*apports partiels d’actifs*) under the demerger regime of or by the Issuer; (d) the transfer of the registered office of a European Company (*Societas Europaea* – SE) to a different Member State of the European Union.

Each Noteholder is entitled to bring a legal action against the Issuer for the defence of its own interests; such a legal action does not require the authorisation of the General Meeting.

The Noteholders may appoint a nominee to file a proof of claim in the name of all Noteholders in the event of judicial reorganisation procedure or judicial liquidation of the Issuer.

Pursuant to Article L.228-85 of the French *Code de commerce*, in the absence of such appointment of a nominee, the judicial representative (*mandataire judiciaire*), at its own initiative or at the request of any Noteholder will ask the court to appoint a representative of the Noteholders who will file the proof of Noteholders' claim.

(iii) *Convening of a General Meeting*

A General Meeting may be held at any time, on convocation by the Issuer. One or more Noteholders, holding together at least one-thirtieth of the principal amount of the Notes outstanding, may address to the Issuer a demand for convocation of the General Meeting. If such General Meeting has not been convened within two months after such demand, the Noteholders may commission one of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, hour, place and agenda of any General Meeting will be published as provided under Condition 15, not less than fifteen days prior to the date of such General Meeting on first convocation and, five days on second convocation; in respect of Materialised Notes, such notice will also provide the terms relating to the rights of each Noteholder to participate in General Meetings.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 15.

(v) *Chairman*

The Noteholders present at a General Meeting shall choose one of them to be chairman (the “**Chairman**”) by a simple majority of votes present or represented at such General Meeting (notwithstanding the absence of a quorum at the time of such vote). If the Noteholders fail to designate a Chairman, the Noteholder holding or representing the highest number of Notes and present at such meeting shall be appointed Chairman, failing which the Issuer may appoint a Chairman. The Chairman appointed by the Issuer need not be a Noteholder. The Chairman of an adjourned meeting need not be the same person as the Chairman of the original meeting from which the adjournment took place.

(vi) *Quorum and Voting*

General Meetings may deliberate validly on first convocation only if Noteholders present or represented hold at least one fifth of the principal amount of the Notes then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third majority of votes cast by Noteholders attending (including by videoconference or by any other means of telecommunication allowing the identification of participating Noteholders) such General Meetings or represented thereat.

(vii) *Written Resolution and Electronic Consent*

- (A) Pursuant to Article L.228-46-1 of the French *Code de commerce* the Issuer shall be entitled, in lieu of convening a General Meeting, to seek approval of a resolution from the Noteholders by way of a Written Resolution. Subject to the following sentence, a Written Resolution may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of

the Noteholders. Pursuant to Article L.228-46-1 of the French *Code de commerce*, approval of a Written Resolution may also be given by way of electronic communication (“**Electronic Consent**”).

- (B) Notice seeking the approval of a Written Resolution (including by way of Electronic Consent) will be published as provided under Condition 15 not less than five days prior to the date fixed for the passing of such Written Resolution (the “**Written Resolution Date**”). Notices seeking the approval of a Written Resolution will contain the conditions of form and time-limits to be complied with by the Noteholders who wish to express their approval or rejection of such proposed Written Resolution. Noteholders expressing their approval or rejection before the Written Resolution Date will undertake not to dispose of their Notes until after the Written Resolution Date.

(viii) *Effect of Resolutions*

A resolution passed at a General Meeting or a Written Resolution (including by Electronic Consent), shall be binding on all Noteholders, whether or not present or represented at the General Meeting and whether or not, in the case of a Written Resolution (including by Electronic Consent), they have participated in such Written Resolution (including by Electronic Consent) and each of them shall be bound to give effect to the resolution accordingly.

(b) **Full Masse**

If the relevant Final Terms specify “Full Masse”, the Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a *masse* (in each case, the “**Masse**”) which will be subject to the below provisions of this Condition 11(b).

(i) *Legal Personality*

The *Masse* will be a separate legal entity and will act in part through a representative of the *Masse* (the “**Representative**”) and in part through a general meeting of the Noteholders (a “**General Meeting**”). The provisions of the French *Code de commerce* relating to the *Masse* shall apply, as completed by, and subject to, the provisions of this Condition 11(b).

(ii) *Representative of the Masse*

TAXATION

The comments below are intended as a basic presentation of certain tax consequences in relation to the purchase, ownership and disposition of the Notes. Persons who are in any doubt as to their tax position should consult a professional tax adviser.

LUXEMBOURG

The following is a general description of certain withholding tax considerations relating to the Notes as in effect and as applied by the relevant tax authorities as at the date hereof and does not purport to be a comprehensive discussion of the tax treatment of the Notes.

Prospective investors should consult their own professional advisers on the implications of making an investment in, holding or disposing of Notes and the receipt of interest with respect to such Notes under the laws of the countries in which they may be liable to taxation.

Withholding tax

Under Luxembourg tax law currently in effect and with the possible exception of interest paid to certain individual Noteholders and certain so-called “residual entities”, there is no Luxembourg withholding tax on payments of interest (including accrued but unpaid interest). There is also no Luxembourg withholding tax, with the possible exception of payments made to certain individual Noteholders and certain so-called “residual entities”, upon repayment of principal in the case of reimbursement, redemption, repurchase or exchange of the Notes.

Luxembourg non-residents

Under Luxembourg general tax laws currently in force, all payments of interest and principal by the Issuer in the context of the holding, disposal, redemption or repurchase of the Notes can be made free and clear of any withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by Luxembourg or any political subdivision or taxing authority thereof or therein, in accordance with the applicable Luxembourg law.

Luxembourg residents

In accordance with the law of 23 December 2005, as amended (the “**Law**”), interest payments made by Luxembourg paying agents to or for the immediate benefit of Luxembourg individual residents are subject to a 20 per cent. withholding tax. This withholding tax also applies on accrued interest received upon disposal, redemption or repurchase of the Notes. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his private wealth. Responsibility for the withholding tax is assumed by the Luxembourg paying agent.

Pursuant to the Law, Luxembourg resident individuals, acting in the framework of their private wealth, who are the beneficial owners of interest payments can opt to self-declare and pay a 20 per cent. tax on interest payments made after 31 December 2007 by paying agents located in an EU Member State other than Luxembourg, a Member State of the European Economic Area other than an EU Member State.

In such case, the 20 per cent. levy is calculated on the same amounts as for the payments made by paying agents to the Luxembourg resident beneficial owner during the entire civil year. The Luxembourg resident individual who is the beneficial owner of interest is responsible for the declaration and the payment of the 20 per cent. final levy.

FRANCE

The following is a description limited to certain withholding tax considerations in France relating to the Notes that may be issued under the Programme to any holder of Notes who does not concurrently hold shares of the Issuer and who is not related to the Issuer within the meaning of Article 39, 12 of the French Code général des impôts. Prospective holders or beneficial owners of Notes should consult their tax advisors as to the tax consequences of any investment in or ownership and disposition of the Notes.

Payments of interest and other assimilated revenues made by the Issuer will not be subject to the withholding tax set out under Article 125 A III of the French *Code général des impôts* unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French *Code général des impôts* (a “**Non-Cooperative State**”) other than those mentioned in Article 238-0 A 2 bis 2° of the French *Code général des impôts*. If such payments under the Notes are made in a Non-Cooperative State other than those mentioned in Article 238-0 A 2 bis 2° of the French *Code général des impôts*, a seventy-five per cent. (75%) withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French *Code général des impôts*. The 75% withholding tax is applicable irrespective of the tax residence of the Noteholder. The list of Non-Cooperative States is updated, in principle, on a yearly basis.

Furthermore, according to Article 238 A of the French *Code général des impôts*, interest and other assimilated revenues on such Notes will not be deductible from the Issuer’s taxable income if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid to a bank account opened in a Non-Cooperative State (the “**Deductibility Exclusion**”). Under certain conditions, any such non-deductible interest or other assimilated revenues may be re-characterised as constructive dividends pursuant to Article 109 *et seq.* of the French *Code général des impôts*, in which case it may be subject to the withholding tax provided under Article 119 bis 2 of the French *Code général des impôts*, at a rate of (i) 30 per cent. (to be reduced and aligned on the standard corporate income tax rate set forth in Article 219-I of the French *Code général des impôts* for fiscal years opened on or after 1 January 2020) for holders of the Notes who are non-French resident legal persons for French tax purposes; (ii) 12.8 per cent. for holders of the Notes who are non-French resident individuals for French tax purposes; or (iii) or 75 per cent. if, and irrespective of the holder’s residence for tax purposes or registered headquarters, payments are made in a Non-Cooperative State other than those mentioned in Article 238-0 A 2 bis 2° of the French *Code général des impôts*, subject to more favourable provisions of any applicable double tax treaty.

Notwithstanding the foregoing, the neither the seventy-five per cent. 75 per cent. withholding tax provided by Article 125 A III of the French *Code général des impôts*, nor the Deductibility Exclusion, nor the withholding tax set out in Article 119-bis 2 of the same Code that may be levied as a result of the Deductibility Exclusion, will apply in respect of the issue of the Notes if the Issuer can prove that (i) the principal purpose and effect of such issue of Notes was not that of allowing the payments of interest or other assimilated revenues to be made in a Non-Cooperative State (the “**Exception**”) and (ii) in respect of the Deductibility Exclusion, that the relevant interest or other assimilated revenues relate to genuine transactions and are not in an abnormal or exaggerated amount. Pursuant to official guidelines issued by the French tax authorities (*Bulletin Officiel des Finances Publiques – Impôts*) under the references BOI-INT-DG-20-50-20140211, no. 990, BOI-RPPM-RCM-30-10-20-40-20140211, no. 70 dated 11 February 2014 and BOI-IR-DOMIC-10-20-20-60-20150320, no.10 dated 20 March 2015, an issue of notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of the notes if such notes are:

- (i) offered by means of a public offer within the meaning of Article L411-1 of the French *Code monétaire et financier* or pursuant to an equivalent offer in a State or territory other than a Non-Cooperative State. For this purpose, an “equivalent offer” means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or

- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (iii) admitted, at the time of their issue, to the operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

Payments made to individuals fiscally domiciled in France

Pursuant to Article 125 A and 125 D of the French *Code général des impôts* and subject to certain limited exceptions, interest and other assimilated revenues received under the Notes by individuals who are fiscally domiciled (*domiciliés fiscalement*) in France are subject to a 12.8 per cent. withholding tax. This withholding tax is an advance payment made in respect of the personal income tax of the individual receiving the interest or other assimilated revenue, which is deductible from his personal income tax liability in respect of the year during which the withholding has been made. If the amount of this withholding tax exceeds the amount of personal income tax due, the excess is refundable. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding at an aggregate rate of 17.8 per cent. on interest and other assimilated revenues paid by the Issuer under the Notes, to individuals who are fiscally domiciled (*domiciliés fiscalement*) in France.

See “Terms and Conditions of the Notes – Taxation”.

This overview is for general information only and does not address all of the Hong Kong tax considerations that may be relevant to specific holders in light of their particular circumstances.

Withholding Tax

No withholding tax is payable in Hong Kong in respect of payments of principal or interest on the Notes or in respect of any capital gains arising from the sale of the Notes.

Profits Tax

Hong Kong profits tax is chargeable on every person carrying on a trade, profession or business in Hong Kong in respect of the assessable profits arising in or derived from Hong Kong from such trade, profession or business (excluding profits arising from the sale of capital assets).

Under the Inland Revenue Ordinance (Chapter 112 of the Laws of Hong Kong) (the “**Inland Revenue Ordinance**”), interest on the Notes may be deemed to be profits arising in or derived from Hong Kong from a trade, professional or business carried on in Hong Kong and be subject to profits tax in the following circumstances:

- (a) interest on the Notes is derived from Hong Kong and is received by or accrued to a corporation, other than a financial institution (as defined in the Inland Revenue Ordinance), carrying on a trade, profession or business in Hong Kong;

- (b) interest on the Notes is derived from Hong Kong and is received by or accrued to a person, other than a corporation, carrying on a trade, profession or business in Hong Kong and is in respect of the funds of that trade, profession or business; or
- (c) interest on the Notes is received by or accrued to a financial institution (as defined in the Inland Revenue Ordinance) and arises through or from the carrying on by the financial institution of its business in Hong Kong, notwithstanding that the moneys in respect of which the interest is received or accrued are made available outside Hong Kong.

Any capital gains from the sale of the Notes will not be subject to taxes in Hong Kong, except that Hong Kong profits tax may be chargeable in the case of owners of Notes who carry on a trade, profession or business in Hong Kong and such gains form part of the revenue or profits of such trade, profession or business.

Sums received by or accrued to a financial institution by way of gain or profits arising through or from the carrying on by the financial institution of its business in Hong Kong from the sale, disposal or redemption of Notes will be subject to Hong Kong profits tax.

Stamp Duty

Stamp duty will not be payable on the issue of bearer Notes provided either:

- (a) such Notes are denominated in a currency other than the currency of Hong Kong and are not repayable in any circumstances in the currency of Hong Kong; or
- (b) such Notes constitute loan capital (as defined in the Stamp Duty Ordinance (Cap. 117) of Hong Kong (“**Stamp Duty Ordinance**”)).

If stamp duty is payable it is payable by the Issuer on the issue of bearer Notes at a rate of 3 per cent. of the market value of the Notes at the time of issue. No stamp duty will be payable on any subsequent transfer of bearer Notes.

PEOPLE’S REPUBLIC OF CHINA (THE “PRC”)

The following overview describes the principal PRC tax consequences of ownership of the Notes by investors based on current law and practice of the PRC. This overview does not purport to exhaustively describe all possible tax aspects and does not deal with specific situations which may be of relevance for certain potential investors. It is not intended to be, nor should it be construed to be, legal or tax advice. Investors should consult their own tax advisers regarding the PRC tax consequences of an investment in the Notes.

Under the PRC Enterprise Income Tax Law and its implementation regulations, an enterprise established in the PRC or an enterprise established under the laws of a foreign jurisdiction with its “place of effective management” located within the PRC is considered a “resident enterprise” and will normally be subject to the enterprise income tax at the rate of 25% on its worldwide income. A “place of effective management” refers to the place where the material and overall management and control over the business, personnel, accounts and assets of the enterprise are exercised. In April 2009, the PRC State Administration of Taxation issued Circular GuoShuiFa 2009 No. 82, specifying certain criteria for determining whether the “place of effective management” is located within the PRC for enterprises incorporated outside of China and controlled by PRC enterprises.

If the holder of the Notes is a resident enterprise or individual of the PRC, pursuant to the PRC Enterprise Income Tax Law and the PRC Individual Income Tax Law and their implementation regulations, payment of interest to such holder and gains realized by such holder from the transfer of the Notes shall be subject to income tax. The current rates of such income tax are 25% for PRC resident enterprises and 20% for PRC resident individuals.

If the Issuer is considered to be a PRC resident enterprise because its place of effective management is deemed to be within China, interest paid to non-resident holders and gains realised by such non-resident holders from transfer of the Notes may be regarded as income from sources within the PRC and therefore be subject to a 10% enterprise income tax if the holder is a non-resident enterprise, or 20% individual income tax if the holder is a non-resident individual, unless such income tax is reduced or exempted by any applicable tax treaty.

If the Issuer is not considered a PRC resident enterprise, the holders of the Notes who are not PRC residents for PRC tax purposes will not be subject to income tax in respect of interest payment or gains realized from transfer of the Notes.

SUBSCRIPTION AND SALE

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 4 July 2019 (the “**Amended and Restated Dealer Agreement**”) between the Issuer, the Permanent Dealers and the Arranger, the Notes will be offered on a continuous basis by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Amended and Restated Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

References in this Base Prospectus to “Permanent Dealers” are to the persons listed as Dealers and to such additional persons that are appointed as dealers in respect of the whole Programme (and whose appointment has not been terminated).

The Issuer will, unless otherwise agreed, pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by that Dealer. The Issuer has agreed to reimburse the Arranger for its expenses incurred in connection with the update of the Programme and the Dealers for certain of their activities in connection with the Programme. The commissions in respect of an issue of Notes on a syndicated basis will be stated in the relevant Final Terms.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Amended and Restated Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

Selling Restrictions

Prohibition of Sales to EEA Retail Investors

Unless the Final Terms in respect of any Notes specifies the “Prohibition of Sales to EEA Retail Investors” as “Not Applicable”, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto to any retail investor in the EEA.

- (ii) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;

- (iv) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (ii) to (iv) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes to the public**” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression “**Prospectus Directive**” means Directive 2003/71/EC (as amended or superseded), and includes any relevant implementing measure in the Relevant Member State.

[MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET] – Solely for the purposes of [the/each] manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU, as amended (“**MiFID II**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturer[’s/s’] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer[’s/s’] target market assessment) and determining appropriate distribution channels.]ⁱ

Consequently, no key information document required by Regulation (EU) No 1286/2014 (the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.]ⁱⁱ
