1. Amendment of the Summary of the Base Prospectus

-In the introduction paragraph of the Summary on page 6 and in sub-section B.1 (Section B – Issuer) on page 7 of the Base Prospectus, the words “LVMH Moët Hennessy Louis Vuitton S.A.” shall be replaced by “LVMH Moët Hennessy Louis Vuitton S.E.”.

-In sub-section B.2 (Section B – Issuer) on page 7 of the Base Prospectus, the words “*société anonyme*” shall be replaced by “*société européenne*”.

-In sub-section B.13 (Section B – Issuer) on page 8 of the Base Prospectus (as amended by the Second Supplement), the four paragraphs under the heading “European company (SE)” shall be replaced as follows:

“European company (SE)

On 17 February 2014, LVMH announced that at a Board meeting held on 30 January 2014, the Board of Directors of LVMH Moët Hennessy Louis Vuitton agreed to alter the legal status of LVMH from that of a French Public Limited Company (“*société anonyme*”) to that of a European Company.

The Board noted that this transition, which is promoted by the European authorities, has already been made by several major European groups and agreed that the status of European Company better reflects the European and International scope of the LVMH Group.

The number of LVMH Group brands having their roots in non-French European countries has significantly increased in recent years. After Loewe, Fendi, Pucci, Acqua di Parma, Tag Heuer and Zenith, the Group welcomed Hublot in 2008, Bulgari in 2011 and Loro Piana in 2013.

The conversion of LVMH into a European Company has no impact on its governance, registered office or stockmarket listing and has no consequences for its shareholders. This proposed statutory change has been submitted to shareholders at the General Meeting on 10 April 2014 and approved. The conversion into a European Company is effective since 27 October 2014.”

2. Amendment of the Description of LVMH Moët Hennessy Louis Vuitton section

The first sentence of the Description of LVMH Moët Hennessy Louis Vuitton section on page 76 of the Base Prospectus shall be replaced as follows:

“LVMH Moët Hennessy Louis Vuitton was incorporated in France on 1 January 1923 for a term of 99 years (except in the case of early dissolution or extension as provided by the by-laws), as a “*société à responsabilité limitée*”, transformed on 19 April 1962 into a “*société anonyme*” with a board of directors (*conseil d’administration*) and into a “*société européenne*” with a board of directors (*conseil d’administration*) on 27 October 2014.”

3. Amendment of the Recent Developments section

In the Recent Developments section on page 106 of the Base Prospectus (as amended by the Second Supplement), the four paragraphs under the heading “European company (SE)” shall be replaced as follows:

“European company (SE)

1. Press Release

The following press release shall be incorporated in Sub-section B.13 (Section B – Issuer) of the Summary and in the Recent Developments section, respectively on page 8 and on page 106 of the Base Prospectus (as amended by the First Supplement);

“Paris, 3 September 2014

The President of the Commercial Court of Paris, Mr. Franck Gentin, proposed to LVMH and Hermès a conciliation in order to bring to an end the conflicts between the two groups and restore a climate of positive relations between them.

The two parties having reacted favorably to this proposal, signed an agreement under which the LVMH Group will distribute all its Hermès shares to its shareholders, on the understanding that LVMH’s largest shareholder, Christian Dior will in turn distribute the Hermès shares it receives to its own shareholders.

LVMH, Dior and Groupe Arnault have undertaken not to acquire any shares in Hermès for the next five years. The distribution of Hermès shares, approved by the boards of LVMH and Dior, will be completed no later than 20th December 2014. Following this distribution, Groupe Arnault will hold around 8.5% of the capital of Hermès International.

By virtue of the agreement reached today, LVMH and Hermès have brought to an end the conflict, and all related actions, between them.

Mr. Axel Dumas and Mr. Bernard Arnault both express their satisfaction that relations between the two groups, representatives of France’s savoir-faire, have now been restored.”

2. Amendment of section Legal and arbitration proceedings of the Base Prospectus

The following section shall replace and supersede section Legal and arbitration proceedings of the Base Prospectus pages 102, 103 and 104 of the Base Prospectus (as amended by the First Supplement):

As part of its day-to-day management, the Group is party to various legal proceedings concerning trademark rights, the protection of intellectual property rights, the protection of Selective Retailing networks, licensing agreements, employee relations and any other matters inherent to its business. In particular, the Group is subject to audits, on a regular basis, from customs, tax and administrative authorities in a large number of countries. Some of these audits are limited to mere requests of information, but some may also lead to notices of assessment, subject or not to appeal. The Group believes that the provisions recorded in the balance sheet in respect of these risks, litigation proceedings and disputes that are in progress and any others of which it is aware at the year-end, are sufficient to avoid its consolidated financial net worth being materially impacted in the event of an unfavorable outcome.

In 2006, Louis Vuitton Malletier and the French companies of the Perfumes and Cosmetics business group filed lawsuits against eBay in the Paris Commercial Court. Louis Vuitton Malletier demanded compensation for losses caused by eBay’s participation in the commercialization of counterfeit products and its refusal to implement appropriate procedures to prevent the sale of such goods on its site. The Perfumes and Cosmetics brands sued eBay for undermining their selective retailing networks. In a decision delivered on June 30, 2008, the Paris Commercial Court ruled in favor of LVMH, ordering eBay to pay 19.3 million euros to Louis Vuitton Malletier and 3.2 million euros to the Group’s Perfumes and Cosmetics brands. The court also barred eBay from running listings for perfumes and cosmetics under the Dior, Guerlain, Givenchy and Kenzo brands. eBay filed a petition with the Paris Court of Appeal. On July 11, 2008, the President of the Paris Court of Appeal denied eBay’s petition to stay the provisional execution order delivered by the Paris Commercial Court. In September 2010, the Paris Court of Appeal confirmed the ruling against eBay handed down in 2008, classifying this company’s business as that of a broker and not merely an Internet host. Asserting that it did not have jurisdiction to evaluate the extent of losses caused by some of eBay’s sites outside France, the Court reduced the amount of punitive damages to 2.2 million euros for Louis Vuitton Malletier and 0.7 million euros for the Group’s Perfumes and Cosmetics brands, as the initial amount had been determined on the basis of eBay’s worldwide operations. In response to the appeal filed by eBay, on May 3, 2012 the Cour de cassation confirmed the analysis carried out by the Paris Court of Appeal, which had held that eBay’s activity was not merely that of a hosting service provider, but that it also acted as a broker. However, the Cour de cassation reversed the Paris Court of Appeal’s decision with regard to its jurisdiction for activity conducted on the eBay Inc. and referred the case back for retrial by the Paris Court of Appeal. On July 3, 2014, eBay and LVMH have settled all ongoing litigation between them, in the framework of their agreement to a cooperative effort to protect intellectual property rights and combat counterfeits in online commerce.

Following the announcement by LVMH on October 23, 2010 of its acquisition of a stake in the share capital of Hermès International, the Autorité des Marchés Financiers (the French financial markets regulation authority), launched an investigation into the market and financial disclosures relating to Hermès and LVMH shares. On August 13, 2012, the AMF served LVMH with a statement of objections for alleged infringements of financial and public disclosure requirements, a copy of which was forwarded to AMF's Enforcement Committee. The Committee met on May 31, 2013 and on June 25, 2013 handed down its decision, holding that LVMH should have informed the public in June 2010 of the possibility that it had of deciding to acquire a stake in Hermès, despite the fact that the matter was not put before its Board of Directors until October 21, 2010. It therefore ordered LVMH to pay a fine of 8 million euros. No appeal has been made against this decision.

On June 18, 2013, Hermès International filed a suit with the Paris Commercial Court against LVMH and some of its subsidiaries on the grounds of requesting the cancelation of the equity swap contracts entered into by Group companies in 2008, along with subsequent transactions. The lawsuit refers to a criminal complaint filed in October 2012 for insider trading, share price manipulation and complicity. The LVMH group has filed a counter-complaint with the public prosecutor for false accusations. It also brought an action before the Paris Commercial Court against the senior executives of Hermès for personal liability, in order to seek redress for the damage caused by the abovementioned action for annulment, which serves the personal objectives of these senior executives rather than the interest of the companies managed by them.

On September 2, 2014, LVMH, its subsidiaries and its controlling shareholders on the one hand, and Hermès International and its controlling shareholders on the other hand have entered into a settlement agreement whereby each of them undertakes, among other, to irrevocably resign from any and all on-going litigations between them and not to bring any new proceedings, claims or actions in connection respectively with the acquisition of the shares of Hermès International held by the LVMH Group as at the date of the agreement and with any decisions made by the Hermès Group, its controlling shareholders and/or its management up until such date, thus bringing to an end the conflict and all related actions between them.

On December 17, 2012, the Mayor of Paris granted two distinct building permits authorizing the architectural project for the restructuring and reconstruction of the former Samaritaine department stores 2 (Seine block) and 4 (Rivoli block). Both of these permits were the subject of an action for cancellation before the Paris Administrative Court (*Tribunal administratif de Paris*).

On April 11, 2014, the Paris Administrative Court rejected the action for cancellation filed against the building permit authorizing the restructuring of former department store 2, which is registered as Historic Monument (Seine block).

On May 13, 2014, the Paris Administrative Court cancelled the building permit order authorizing the partial demolition of former department store 4 and the reconstruction of a contemporary building designed by the architectural firm SANAA (Rivoli block). The company Grands Magasins de la Samaritaine and the City of Paris have filed an appeal and have requested a stay of execution of this judgment.

Except as described above, and to the best of the Company's knowledge, there are no and there has been no other governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened of which the Company is aware) during a period covering the previous twelve months which may have, or have had in the recent past, significant effects on the Company and/or the Group's financial position or profitability.

RISK FACTORS

The Issuer believes that the following risks may affect its ability to fulfil its obligations under the Notes issued under the Programme. All of these risks are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

Risks which the Issuer believes may be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the risks described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus (including any documents incorporated by reference herein) and the Final Terms of the relevant Notes and reach their own views prior to making any investment decision.

Prospective investors should consult their own financial and legal advisers about risks associated with investment in a particular Series of Notes and the suitability of investing in the Notes in light of their particular circumstances.

RISK FACTORS RELATING TO THE ISSUER AND ITS OPERATIONS

In this section, “LVMH” refers indifferently either to LVMH or to the LVMH Group.

1 Risk factors relating to LVMH

1.1 Strategic and operational risks

Group’s image and reputation

Around the world, the LVMH Group is known for its brands, unrivaled expertise and production methods unique to its products. The reputation of the Group’s brands rests on the quality and exclusiveness of its products, their distribution networks, as well as the promotional and marketing strategies applied. Products or marketing strategies not in line with brand image objectives, inappropriate behavior by brand ambassadors, the LVMH Group’s employees, distributors or suppliers, as well as detrimental information circulating in the media might endanger the reputation of the Group’s brands and adversely impact sales.

Counterfeit and parallel retail networks

The Group’s brands, expertise and production methods can be counterfeited or copied. Its products, in particular leather goods, perfumes and cosmetics, may be distributed in parallel retail networks, including Web-based sales networks, without the Group’s consent.

Counterfeiting and parallel distribution have an immediate adverse effect on revenue and profit. Activities in these illegitimate channels may damage the brand image of the relevant products over time and may also lower consumer confidence.

Contractual constraints

In the context of its business activities, the Group enters into multi-year agreements with its partners and some of its suppliers (especially lease, concession, distribution and procurement agreements). Should any of these agreements be terminated before its expiration date, compensation is usually provided for under the agreement in question, which would represent an expense without any immediate offsetting income item.

In addition, the Group has entered into commitments to its partners in some of its business activities to acquire the stakes held by the latter in the activities in question should they express an interest in such a sale, according to a contractual pricing formula.

The Group has also made commitments to some of the shareholders of its subsidiaries to distribute a minimum amount of dividends, provided the subsidiaries in question have access to sufficient cash resources.

Anticipating changes in expectations of Group customers

Brands must identify new trends, changes in consumer behavior, and in consumers' tastes, in order to offer products and experiences that meet their expectations, failing which the continued success of their products would be threatened. By cultivating strong ties, continually replenishing their traditional sources of inspiration, ranging from art to sports, cinema and new technologies, the Group's various brands aim at all times to better anticipate and fully respond to their customers' changing needs, in line with each brand's specific identity and its particular affinities in its sphere of activity.

International exposure of the Group

The Group conducts business internationally and as a result is subject to various types of risks and uncertainties. These include changes in customer purchasing power and the value of operating assets located abroad, economic changes that are not necessarily simultaneous from one geographic region to another, and provisions of corporate or tax law, customs regulations or import restrictions imposed by some countries that may, under certain circumstances, penalize the Group, such as China's plan in 2013 to increase the taxation of luxury goods.

Furthermore, a significant portion of Group sales is directly linked to fluctuations in the number of tourists. This is especially the case for the travel retail activities within Selective Retailing, but tourists also make up a large percentage of customers frequenting the boutiques operated by companies in the Fashion and Leather Goods business group. Events likely to reduce the number of tourists (geopolitical instability, weakening of the economic environment, natural catastrophes, etc.) might have an adverse impact on Group sales.

Other risk factors

- **Consumer safety**

In France, the European Union and all other countries in which the Group operates, many of its products are subject to specific regulations. Regulations apply to production and manufacturing conditions, as well as to sales, consumer safety, product labelling and composition.

- **Seasonality**

Nearly all of the Group's activities are subject to seasonal variations in demand. A significant proportion of the Group's sales – approximately 30% of the annual total for all businesses – is generated during the peak holiday season in the fourth quarter of the year. Unexpected events in the final months of the year may have a significant effect on the Group's business volume and earnings.

- **Supply sources and strategic competencies**

The attractiveness of the Group's products depends, from a quantitative and qualitative standpoint, on being able to ensure adequate supplies of certain raw materials. In addition, from a qualitative perspective, these products must meet the Group's exacting quality

standards. In addition, LVMH's professions also require highly specific skills and expertise, in the area of leather goods or watchmaking, for example.

- **Information systems**

The Group is exposed to the risk of information systems failure, as a result of a malfunction or malicious intent.

- **Industrial, environmental and meteorological risks**

In the context of its production and storage activities, the Group is exposed to the occurrence of losses such as fires, water damage, or natural catastrophes.

The other risk factors, not directly related to business activities but to financing and investment transactions, are described in §1.3 Financial market risks.

1.2 Insurance policy

LVMH's overall approach is primarily based on transferring its risks to the insurance markets at reasonable financial terms, and under conditions available in those markets both in terms of scope of coverage and limits. The extent of insurance coverage is directly related either to a quantification of the maximum possible loss, or to the constraints of the insurance market.

Compared with LVMH's financial capacity, the Group's level of self-insurance is not significant.

The main insurance programs coordinated by the Group are designed to cover property damage and business interruption, transportation, credit, third party liability and product recall.

Property and business interruption insurance

Most of the Group's manufacturing operations are covered under a consolidated international insurance program for property damage and resulting business interruption.

Transportation insurance

All Group operating entities are covered by an international cargo and transportation insurance contract.

Third-party liability

The LVMH Group has established a third-party liability and product recall insurance program for all its subsidiaries throughout the world. Coverage levels are in line with those of companies with comparable business operations.

Both environmental losses arising from gradual as well as sudden and accidental pollution and environmental liability (Directive 2004/35/EC) are covered under this program.

Specific insurance policies have been implemented for countries where work-related accidents are not covered by state insurance or social security regimes, such as the United States.

Coverage for special risks

Insurance coverage for political risks, company officers' liability, fraud and malicious intent, trade credit risk, acts of terrorism, loss of or corruption of computer data, and environmental risks is obtained through specific worldwide or local policies.

1.3 Financial risks

Credit risk

Because of the nature of its activities, a significant portion of the Group's sales are not exposed to customer credit risk. Sales are made directly to customers through the Selective Retailing network, the Fashion and Leather Goods stores and, to a lesser extent, the Watches and Jewelry stores.

Furthermore, for the remaining 37% of revenue, the Group's businesses are not dependent on a limited number of customers whose default would have a significant impact on Group activity level or earnings.

Counterparty risk

The financial crisis over the last few years has had a considerable impact on the banking sector worldwide, necessitating heightened controls and a more dynamic approach to the management of counterparty risk to which the Group is exposed. Risk diversification is a key objective. Special attention is given to the exposure of bank counterparties to financial and sovereign credit risks, in addition to their credit ratings, which must always be in the top-level categories. Banking counterparty risk is monitored on a regular and comprehensive basis, a task facilitated by the centralization of market and liquidity risk management.

Foreign exchange risk

A substantial portion of the Group's sales is denominated in currencies other than the euro, particularly the US dollar (or currencies tied to the US dollar such as the Hong Kong dollar or the Chinese yuan, among others) and the Japanese yen, while most of its manufacturing expenses are euro-denominated.

Exchange rate fluctuations between the euro and the main currencies in which the Group's sales are denominated can therefore significantly impact its revenue and earnings reported in euros, and complicate comparisons of its year-on-year performance.

The Group actively manages its exposure to foreign exchange risk in order to reduce its sensitivity to unfavorable currency fluctuations by implementing hedges such as forward sales and options.

Owning substantial assets denominated in currencies other than euros (primarily the US dollar and Swiss franc) is also a source of foreign exchange risk with respect to the Group's net assets.

Interest rate risk

Since LVMH's debt is denominated in various different currencies, the Group's exposure to fluctuations in interest rates underlying the main currency-denominated borrowings (euro, Swiss franc, Japanese yen and US dollar) varies accordingly.

This risk is managed using interest rate swaps and by purchasing options (protections against an increase in interest rate) designed to limit the adverse impact of unfavorable interest rate fluctuations.

Equity market risk

The Group's exposure to equity market risk relates in part to its treasury shares, which are held primarily in coverage of stock option plans and bonus share plans. LVMH treasury shares are considered as equity instruments under IFRS, and as such any changes in value have no impact on the consolidated income statement. In addition, as at 31 December 2013, the Group held a 23.1% stake in Hermès International SCA.

Other quoted securities may be held by some of the funds in which the Group has invested, or directly within non-current or current available for sale financial assets.

The Group may use derivatives in order to reduce its exposure to risk. Derivatives may serve as a hedge against fluctuations in share prices. For instance, they may be used to cover cash-settled compensation plans index-linked to the change in the LVMH share-price. Derivatives may also be used to create synthetic long position.

Commodity market risk

The Group, mainly through its Watches and Jewelry business group, may be exposed to changes in the prices of certain precious metals, such as gold. In certain cases, in order to ensure visibility with regard to production costs, hedges may be implemented.

Liquidity risk

The Group's local liquidity risks are generally not significant. Its overall exposure to liquidity risk can be assessed with regard to the amount of the short-term portion of its net financial debt before hedging, net of cash and cash equivalents, 1.3 billion euros as of 31 December 2013 or with regard to outstanding amounts in respect of its commercial paper program (2.3 billion euros). Should any of these borrowing facilities not be renewed, the Group has access to undrawn confirmed credit lines totaling 4.4 billion euros.

Therefore, the Group's liquidity is based on the large amount of its investments and long term borrowings, the diversity of its investor base (bonds and short term paper), and the quality of its banking relationships, whether evidenced or not by confirmed credit lines.

RISK FACTORS RELATING TO THE NOTES

1 General Risks Relating to the Notes

1.1 Independent Review and Advice

Each prospective investor of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

A prospective investor may not rely on the Issuer or the Dealer(s) or any of their affiliates in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above.

1.2 Modification of the Terms and Conditions of the Notes, Waivers and Substitution

The applicable Terms and Conditions of the Notes contain provisions for the calling of general meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all including Noteholders who did not attend and vote at the relevant general meeting and Noteholders who voted in a manner contrary to the majority.

1.3 No active Secondary/Trading Market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there may be no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single Series with a Tranche of Notes which is already

issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. There is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

1.4 Potential Conflicts of Interest

All or some of the Dealers and their affiliates (including their parent companies) have and/or may in the future engage, in the ordinary course of business, in investment banking, commercial banking and/or other financial advisory and commercial dealings with the Issuer and its affiliates and in relation to securities issued by any entity of the Group. They have or may, in the ordinary course of their business, (i) engage in investment banking, trading or hedging activities including activities that may include prime brokerage business, financing transactions or entry into derivative transactions, (ii) act as underwriters in connection with offering of shares or other securities issued by any entity of the Group or (iii) act as financial advisers to the Issuer or other companies of the Group. In the context of these transactions, certain of such Dealers have or may hold shares or other securities issued by entities of the Group. Where applicable, they have or will receive customary fees and commissions for these transactions.

Each of the Issuer and the Dealer(s) may from time to time be engaged in transactions involving the Notes, an index or related derivatives which may affect the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

Potential conflicts of interest may arise between the calculation agent, if any, for a Tranche of Notes and the Noteholders, including with respect to certain discretionary determinations and judgements that such calculation agent may make pursuant to the Terms and Conditions that may influence the amount receivable upon redemption of the Notes.

1.5 Exchange Rates

Prospective investors of the Notes should be aware that an investment in the Notes may involve exchange rate risks. The reference assets or the Notes may be denominated in a currency other than the currency of the purchaser's home jurisdiction; and/or the reference assets or the Notes may be denominated in a currency other than the currency in which a purchaser wishes to receive funds. Exchange rates between currencies are influenced by macro economic factors, speculation and central bank and government intervention (including the imposition of currency controls and restrictions). Fluctuations in exchange rates may affect the value of the Notes or the reference assets.

1.6 Legality of Purchase

Neither the Issuer, the Dealer(s) nor any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

1.7 Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial instruments such as the Notes. Potential investors are advised not to rely upon the tax summary contained in this Base Prospectus but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Notes. Only these advisors are in a position to duly

consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus.

1.8 EU Savings Directive

On 3 June 2003, the European Council of Economics and Finance Ministers adopted a directive 2003/48/EC regarding the taxation of savings income in the form of interest payments (the “**Savings Directive**”). The Savings Directive requires Member States, subject to a number of conditions being met, to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a paying agent located within their jurisdiction to, or for the benefit of, an individual resident in that other Member State, or to certain limited types of entities established in that other Member State. However, for a transitional period, Austria and Luxembourg are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependant upon the conclusion of certain other agreements relating to information exchange with certain other countries). The Luxembourg government announced its intention to abolish the withholding system with effect from 1 January 2015, in favour of automatic information exchange under the Savings Directive. A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland). The rate of this withholding tax is currently 35 per cent.

Pursuant to the Terms and Conditions of the Notes, if a payment were to be made or collected through a Member State which has opted for a withholding system under the Savings Directive and an amount of, or in respect of tax is withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on payments made by any Paying Agent, the Issuer will be required to maintain or appoint a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Savings Directive.

On 24 March 2014, the Council of European Union adopted a directive amending the Savings Directive, which when implemented, will amend and broaden the scope of the requirements described above. In particular, the amending directive aims at extending the scope of the Savings Directive to new types of savings income and products that generate interest or equivalent income. In addition, tax authorities will be required in certain circumstances to take steps to identify the beneficial owner of interest payments (through a look through approach). The EU Member States will have until 1 January 2016 to adopt the national legislation necessary to comply with this amending directive.

Investors should inform themselves of, and where appropriate take advice on, the impact of the Savings Directive and the amending directive on their investment.

1.9 The proposed financial transactions tax ("FTT")

The European Commission has published a proposal for a Directive for a common FTT in Austria, Belgium, Estonia, France, Germany, Greece, Italy, Portugal, Spain, Slovenia and Slovakia (the “**Participating Member States**”).

The proposed FTT has very broad scope and could, if introduced in its current form, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances. The FTT would impose a charge at generally not less than 0.1% of the sale price on such transactions. Primary market transactions referred to in Article 5(c) of regulation (EC) No 1287/2006 are exempt.

Under the latest proposals dated 14 February 2013 the FTT could apply in certain circumstances to persons both within and outside of the Participating Member States. Generally, it would apply to certain dealings in Notes where at least one party is a financial institution, and at least one party is

established in a Participating Member State. A financial institution may be, or deemed to be, “established” in a Participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a Participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a Participating Member State.

The FTT proposal remains subject to negotiation between the participating Member States and is the subject of legal challenge. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate. If the proposed directive or any similar tax were adopted, transactions in the Notes would be subject to higher costs, and the liquidity of the market for the Notes may be diminished.

Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

1.10 Change of Law

The Terms and Conditions of the Notes are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change in French law or the official application or interpretation of French law after the date of this Base Prospectus.

1.11 French Insolvency Law

Under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders (the “**Assembly**”) in order to defend their common interests if a safeguard procedure (*procédure de sauvegarde*), an accelerated financial safeguard procedure (*procédure de sauvegarde financière accélérée*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) or, as from 1 July 2014, an accelerated safeguard procedure (*procédure de sauvegarde accélérée*) is opened in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance programme (EMTN) and regardless of their governing law.

The Assembly deliberates on the proposed safeguard plan (*projet de plan de sauvegarde*), proposed accelerated financial safeguard plan (*projet de plan de sauvegarde financière accélérée*) or proposed judicial reorganisation plan (*projet de plan de redressement*) or, as from 1 July 2014, proposed accelerated safeguard plan (*projet de plan de sauvegarde accélérée*) applicable to the Issuer and may further agree to:

- increase the liabilities (*charges*) of holders of debt securities (including the Noteholders) by rescheduling due payments and/or partially or totally writing off receivables in the form of debt securities;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into securities that give or may give right to share capital.

Decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the debt securities held by the holders attending such Assembly or represented thereat). No quorum is required to convoke the Assembly.

For the avoidance of doubt, the provisions relating to the Representation of the Noteholders described in this Base Prospectus will not be applicable to the extent they are not in compliance with compulsory insolvency law provisions that apply in these circumstances.

1.12 Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time. The rating reflects the possibility of default of the Issuer of the Notes as judged by the credit rating agencies.

1.13 Market Value of the Notes

The value of the Notes may be affected by the creditworthiness of the Issuer and a number of additional factors, such as market interest and yield rates and the time remaining to the maturity date and more generally all economic, financial and political events in any country, including factors affecting capital markets generally and the stock exchanges on which the Notes are traded if any. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser. The historical market prices of the reference assets or an index should not be taken as an indication of the reference assets' or an index's future performance during the term of any Note.

2 Risks related to the structure of a particular issue of Notes

The Programme allows for different types of Notes to be issued. Accordingly, each Tranche of Notes may carry varying risks for potential investors depending on the specific features of such Notes such as, *inter alia*, the provisions for computation of periodic interest payments, if any, redemption and issue price.

2.1 Notes subject to optional redemption by the Issuer

In the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by the country of domicile (or residence for tax purposes) by the Issuer, or within France, or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with the Terms and Conditions.

In addition, if in the case of any particular Tranche of Notes the relevant Final Terms specifies that the Notes are redeemable at the Issuer's option in certain other circumstances the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. During a period when the Issuer may elect, or has elected, to redeem Notes, such Notes may feature a market value not substantially above the price at which they can be redeemed. In such circumstances an investor may not be able to reinvest the amounts received upon redemption in a comparable security at a rate that will provide the same return as its investment in the Notes.

Finally, the market value of the Notes, prior to any redemption may be higher than the amount received by the relevant Noteholders upon any early redemption of the Notes occurring as described above, and the redemption may under such circumstances lead to a loss in value for the investors.

2.2 Fixed Rate Notes

Investment in the Notes which bear interest at a fixed rate involves the risk that subsequent changes in market conditions, including a change in interest rates, adversely affect the value of the relevant Tranche of Notes.

2.3 Floating Rate Notes

Investment in Notes which bear interest at a floating rate comprise (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant

margin will not change throughout the life of the Notes but there will be a periodic adjustment (specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change over time. Accordingly, the market value of floating rate Notes may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate.

2.4 Notes issued at a substantial discount or premium

The market value of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

2.5 Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features, their market values may be even more volatile than those for securities that do not include those features.

2.6 Subordinated Notes

In the event of any insolvency or liquidation of the Issuer, holders of Subordinated Notes would receive payments on any outstanding Subordinated Notes only after senior Noteholders and other senior creditors have been repaid in full, if and to the extent that there is still cash available for those payments. Thus, holders of Subordinated Notes generally face a higher performance risk than holders of Unsubordinated Notes.

2.7 Risks related to RMB Notes

Notes denominated in RMB (“**RMB Notes**”) may be issued under the Programme. RMB Notes contain particular risks for potential investors.

Risk of change in government support and regulatory regime

There can be no assurance that the PRC government will continue to gradually liberalise its control over cross-border Renminbi remittances in the future or that new PRC regulations will not be promulgated in the future which have the effect of restricting or eliminating the remittance of Renminbi into or outside the PRC. In the event that the Issuer is not able to repatriate funds outside the PRC in Renminbi, the Issuer will need to source Renminbi offshore to finance its obligations under the Notes, and its ability to do so will be subject to the overall availability of Renminbi outside the PRC.

RMB is not freely convertible and the liquidity of the Notes denominated in RMB may be adversely affected

RMB is not freely convertible at present. The PRC government continues to regulate conversion between RMB and foreign currencies. The People’s Bank of China (“**PBOC**”) has established RMB clearing and settlement systems for certain locations pursuant to settlement agreements relating to the clearing of RMB business between PBOC and certain clearing banks. However, the current size of RMB and RMB denominated financial assets outside the PRC remains limited, and its growth is subject to many constraints which are directly affected by PRC laws and regulations on foreign exchange and may adversely affect the liquidity of Notes denominated in RMB.

RMB currency risk

Except in limited circumstances and unless otherwise specified, all payments of RMB under Notes denominated in RMB to an investor will be made solely by transfer to a RMB bank account maintained in Hong Kong by such investor in accordance with the prevailing rules and regulations and in accordance with the terms and conditions of the Notes. The Issuer cannot be required to make payment by any other means (including in bank notes or by transfer to a bank account in the PRC or anywhere else outside Hong Kong). RMB is not freely convertible at present, and conversion of RMB into other currencies is subject to certain restrictions. In particular, for personal investors, currently conversions of RMB conducted through RMB deposit accounts may be subject to a daily limit, and investors may have to allow time for conversion of RMB from/to another currency of an amount exceeding such daily limit.

In addition, there can be no assurance that access to RMB for the purposes of making payments under such Notes or generally may remain or will not become restricted. If it becomes impossible to convert RMB from/to another freely convertible currency, or transfer RMB between accounts in Hong Kong, or the general RMB exchange market in Hong Kong becomes illiquid, any payment of RMB under the Notes may be delayed or the Issuer may make such payments in another currency selected by the Issuer using an exchange rate determined by the Calculation Agent, or the Issuer may redeem the Notes by making payment in another currency.

RMB exchange rate risk

The value of RMB against foreign currencies fluctuates and is affected by changes in the PRC and international political and economic conditions and by many other factors. The Issuer will make all RMB payments under Notes denominated in RMB in RMB (subject to the second paragraph under the heading "**RMB currency risk**" above). As a result, the value of such payments in RMB (in foreign currency terms) may vary with the prevailing exchange rates in the marketplace. If the value of RMB depreciates against any foreign currencies, the value of an investor's investment in such foreign currency terms will decline.

CONDITIONS ATTACHED TO THE CONSENT OF THE ISSUER TO USE THE PROSPECTUS

In the context of any offer of Notes in the Grand Duchy of Luxembourg and/or any other jurisdiction into which the Base Prospectus has been passported based on a supplement to this Base Prospectus and repeated in the applicable Final Terms (the “**Public Offer Jurisdiction(s)**”) that is not within an exemption from the requirement to publish a prospectus under the Prospectus Directive, as amended, (a “**Non-Exempt Offer**”), the Issuer consents to the use of the Base Prospectus and the relevant Final Terms (together, the “**Prospectus**”) in connection with a Non-Exempt Offer of any Notes during the offer period specified in the relevant Final Terms (the “**Offer Period**”) and in the Public Offer Jurisdiction(s) specified in the relevant Final Terms by:

- (1) subject to conditions set out in the relevant Final Terms, any financial intermediary designated in such Final Terms; or
- (2) if so specified in the relevant Final Terms, any financial intermediary which satisfies the following conditions: (a) acts in accordance with all applicable laws, rules, regulations and guidance of any applicable regulatory bodies (the “**Rules**”), from time to time including, without limitation and in each case, Rules relating to both the appropriateness or suitability of any investment in the Notes by any person and disclosure to any potential investor; (b) complies with the restrictions set out under “*Subscription and Sale*” in this Base Prospectus which would apply as if it were a Dealer; (c) ensures that any fee (and any commissions or benefits of any kind) received or paid by that financial intermediary in relation to the offer or sale of the Notes is fully and clearly disclosed to investors or potential investors; (d) holds all licences, consents, approvals and permissions required in connection with solicitation of interest in, or offers or sales of, the Notes under the Rules; (e) retains investor identification records for at least the minimum period required under applicable Rules, and shall, if so requested, make such records available to the relevant Dealer(s) and the Issuer or directly to the appropriate authorities with jurisdiction over the Issuer and/or the relevant Dealer(s) in order to enable the Issuer and/or the relevant Dealer(s) to comply with anti-money laundering, anti-bribery and “know your client” rules applying to the Issuer and/or the relevant Dealer(s); (f) does not, directly or indirectly, cause the Issuer or the relevant Dealer(s) to breach any Rule or any requirement to obtain or make any filing, authorisation or consent in any jurisdiction; and (g) satisfies any further conditions specified in the relevant Final Terms (in each case an “**Authorised Offeror**”). For the avoidance of doubt, none of the Dealer(s) or the Issuer shall have any obligation to ensure that an Authorised Offeror complies with applicable laws and regulations and shall therefore have no liability in this respect.

The Issuer accepts responsibility, in the Public Offer Jurisdiction(s) specified in the Final Terms, for the content of the Prospectus in relation to any person (an “**Investor**”) in such Public Offer Jurisdiction(s) to whom an offer of any Notes is made by any Authorised Offeror and where the offer is made during the period for which that consent is given. However, neither the Issuer nor any Dealer has any responsibility for any of the actions of any Authorised Offeror, including compliance by an Authorised Offeror with applicable conduct of business rules or other local regulatory requirements or other securities law requirements in relation to such offer.

The consent referred to above relates to Offer Periods (if any) ending no later than the date falling 12 months from the date of the approval of the Base Prospectus by the CSSF.

In the event the Final Terms designate financial intermediary(ies) to whom the Issuer has given its consent to use the Prospectus during an Offer Period, the Issuer may also give consent to additional Authorised

Offerors after the date of the relevant Final Terms and, if it does so, it will publish any new information in relation to such Authorised Offerors who are unknown at the time of the approval of this Base Prospectus.

As of the date of this Base Prospectus, any references to Member State(s) in the context of the Issuer consenting to the use of the Base Prospectus for a Non-exempt Offer shall be a reference to the Grand Duchy of Luxembourg only. In the event that the Issuer wishes to make a Non-exempt Offer in any other EEA Member State, a supplement to this Base Prospectus shall be prepared.

If the Final Terms specify that any financial intermediary may use the Prospectus during the Offer Period, any such Authorised Offeror is required, for the duration of the Offer Period, to publish on its website that it is using the Prospectus for the relevant Non-Exempt Offer with the consent of the Issuer and in accordance with the conditions attached thereto.

In the case of an offer being made by an Authorised Offeror and/or any financial intermediary, this Authorised Offeror and/or financial intermediary will provide information to investors on the terms and conditions of the Notes and the offer thereof, at the time such offer is made.

If the Final Terms state that the consent to use the prospectus is given to one or more specified Authorised Offeror(s) and/or financial intermediary/intermediaries, any new information with respect to financial intermediaries unknown at the time of the approval of the Prospectus or the filing of the Final Terms will be published on the website of the Issuer.

Other than as set out above, neither the Issuer nor any of the Dealer(s) has authorised the making of any Non-Exempt Offer by any person in any circumstances and such person is not permitted to use the Prospectus in connection with its offer of any Notes. Any such offers are not made on behalf of the Issuer or by any of the Dealer(s) or Authorised Offerors and none of the Issuer or any of the Dealer(s) or Authorised Offerors has any responsibility or liability for the actions of any person making such offers.

An Investor intending to acquire or acquiring any Notes from an Authorised Offeror will do so, and offers and sales of the Notes to an Investor by an Authorised Offeror will be made, in accordance with any terms and other arrangements in place between such Authorised Offeror and such Investor including as to price allocations and settlement arrangements (the “Terms and Conditions of the Non-Exempt Offer”). The Issuer will not be a party to any such arrangements with Investors (other than Dealer(s)) in connection with the offer or sale of the Notes and, accordingly, the Base Prospectus and any Final Terms will not contain such information. The Terms and Conditions of the Non-Exempt Offer shall be provided to Investors by that Authorised Offeror at the time of the Non-Exempt Offer. Neither the Issuer nor any of the Dealer(s) or other Authorised Offerors has any responsibility or liability for such information.

Dematerialised Notes are issued, at the option of the Issuer, in either bearer dematerialised form (*au porteur*), which will be inscribed in the books of Euroclear France (acting as central depositary) which shall credit the accounts of Euroclear France Account Holders, or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder in either administered registered form (*nominatif administré*) inscribed in the books of a Euroclear France Account Holder or in fully registered form (*au nominatif pur*) inscribed in an account in the books of Euroclear France maintained by the Issuer or by the registration agent (designated in the relevant Final Terms) acting on behalf of the Issuer (the “**Registration Agent**”).

Instalment Notes are issued with one or more receipts (each, a “**Receipt**”) attached.

In accordance with Articles L.211-3 and R.211-1 of the Code, securities (such as the Notes) which are governed by French law and are in materialised form must be issued outside the French territory.

(b) **Denomination(s):**

Notes shall be issued in the specified denomination(s) as set out in the relevant Final Terms (the “**Specified Denomination(s)**”) save that the minimum denomination of each Note listed and admitted to trading on a Regulated Market or offered to the public in a Member State of the EAA in circumstances which require the publication of a prospectus under the Prospectus Directive will be €1,000 (or, if the Notes are denominated in a currency other than Euro, the equivalent amount in such currency at the issue date) or such other higher amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency. Dematerialised Notes shall be issued in one Specified Denomination only.

(c) **Title:**

- (i) Title to Dematerialised Notes in bearer dematerialised form (*au porteur*) and in administered registered form (*au nominatif administré*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of Euroclear France Account Holders. Title to Dematerialised Notes in fully registered form (*au nominatif pur*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of the Issuer or of the Registration Agent.
- (ii) Title to Materialised Bearer Notes in definitive form having, where appropriate, Coupons, Receipt(s) and/or a Talon attached thereto on issue (“**Definitive Materialised Bearer Notes**”), shall pass by delivery.
- (iii) Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating the holder.
- (iv) In these Conditions, “**Noteholder**”, “**holder of any Note**” or “**holder of Notes**” means (i) in the case of Dematerialised Notes, the person whose name appears in the account of the relevant Euroclear France Account Holder, the Issuer or the Registration Agent (as the case may be) as being entitled to such Notes and (ii) in the case of Materialised Notes, the bearer of any Definitive Materialised Bearer Note and the Receipts, Coupons (“**Receiptholder**” and “**Couponholder**” being construed accordingly) or Talon relating to it, and capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

(d) **Redenomination:**

- (i) The Issuer may, on any Interest Payment Date, without the consent of the holder of any Note, Receipt, Coupon or Talon, by giving at least 30 days’ notice in accordance with Condition 15

and on or after the date on which the Member State in whose national currency the Notes are denominated has become a participating Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the “EC”), as amended from time to time (the “**Treaty**”)) or events have occurred which have substantially the same effects (in either case, “**EMU**”), redenominate all, but not some only, of the Notes of any Series into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Conditions as the “**Redenomination Date**”.

- (ii) The redenomination of the Notes pursuant to Condition 1(d)(i) shall be made by converting the principal amount of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to applicable regulations of the Treaty and rounding the resultant figure to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the Notes so determined shall be notified to Noteholders in accordance with Condition 15. Any balance remaining from the redenomination with a denomination higher than Euro 0.01 shall be paid by way of cash adjustment rounded to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). Such cash adjustment will be payable in Euro on the Redenomination Date in the manner notified to Noteholders by the Issuer.
- (iii) Upon redenomination of the Notes, any reference in the relevant Final Terms to the relevant national currency shall be construed as a reference to Euro.
- (iv) The Issuer may, with the prior approval of the Redenomination Agent and the Consolidation Agent, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 14, without the consent of the holder of any Note, Receipt, Coupon or Talon, make any changes or additions to these Conditions or Condition 14 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated euromarket debt obligations and which it believes are not prejudicial to the interests of such holders. Any such changes or additions shall, in the absence of manifest error, be binding on the holder of Notes, Receipts, Coupons and Talons and shall be notified to Noteholders in accordance with Condition 15 as soon as practicable thereafter.
- (v) Neither the Issuer nor any Paying Agent shall be liable to the holder of any Note, Receipt, Coupon or Talon or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euro or any currency conversion or rounding effected in connection therewith.

2 Conversion and Exchanges of Notes

(a) Dematerialised Notes:

- (ii) Dematerialised Notes issued in registered dematerialised form (*au nominatif*) may not be converted into Dematerialised Notes in bearer dematerialised form (*au porteur*).

- (iii) Dematerialised Notes issued in fully registered form (*au nominatif pur*) may, at the option of the Noteholder, be converted into Notes in administered registered form (*au nominatif administré*), and vice versa. The exercise of any such option by such Noteholder shall be made in accordance with Article R.211-4 of the Code. Any such conversion shall be effected at the cost of such Noteholder.

(b) Status of Subordinated Notes:

(i) General

Subordinated Notes (“**Subordinated Notes**”) comprise Dated Subordinated Notes and Undated Subordinated Notes (all as defined below).

(iii) Dated Subordinated Notes

Subordinated Notes may have a specified maturity date (“**Dated Subordinated Notes**”). The use of proceeds of issues of Dated Subordinated Notes will be set out in the applicable Final Terms.

(v) Interest relating to Subordinated Notes

Unless otherwise specified in the relevant Final Terms, payments of interest relating to Subordinated Notes constitute obligations which rank equally with the obligations of the Issuer in respect of Unsubordinated Notes issued by the Issuer in accordance with Condition 3(a).

If so specified in the relevant Final Terms, payments of interest relating to Subordinated Notes may be deferred in accordance with the Condition 5(f).

(vi) Payment of Notes in the event of the liquidation of the Issuer

If any judgement is rendered by any competent court declaring the judicial liquidation (*liquidation judiciaire*) of the Issuer, or in the event of a transfer of the whole or part of the business of the Issuer (*cession totale ou partielle de l'entreprise*) subsequent to the opening of a judicial recovery procedure, or if the Issuer is liquidated for any other reason, the payments of the creditors of the Issuer shall be made in the following order of priority (in each case subject to the payment in full of priority creditors):

- unsubordinated creditors of the Issuer (including holders of Unsubordinated Notes)
- holders of Subordinated Notes, and
- lenders in relation to *prêts participatifs* granted to the Issuer

In the event of incomplete payment of unsubordinated creditors, the obligations of the Issuer in connection with Subordinated Notes shall be terminated (then subsequently the obligations of the Issuer *vis-à-vis* the lenders in relation to *prêts participatifs*). The holders of Subordinated Notes shall take all steps necessary for the orderly accomplishment of any collective proceedings or voluntary liquidation.

The above order of priority which relates to the principal of Subordinated Notes will apply *mutatis mutandis* to interest payments depending on whether they are unsubordinated or subordinated.

4 Negative Pledge

So long as any of the Unsubordinated Notes or, if applicable, any Receipts or Coupons relating to them, remains outstanding (as defined below), the Issuer will not create any mortgage, lien, pledge, charge or other form of security interest (*sûreté réelle*) upon any of its assets or revenues, present or future, to secure any Relevant Debt (as defined below) or any guarantee or indemnity in respect of any Relevant Debt unless, at the same time or prior thereto, the Issuer's obligations under the Notes are equally secured therewith.

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any).  - (ii) the arithmetic mean of the offered quotations for the Relevant Rate of the persons whose offered quotations appear on that Page,
 (expressed as percentage rate per annum) in each case appearing on such Page at the Relevant Time on the Interest Determination Date.
- (b) if the Primary Source for the Floating Rate is Reference Banks or if (a) applies and the Page is not available or sub-paragraph (a)(i) applies and no offered quotation appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (a)(ii) applies and fewer than two offered quotations appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be determined by the Calculation Agent as the arithmetic mean of the offered quotations for the Relevant Rate expressed as a percentage rate per annum that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as provided by the Reference Banks to the Calculation Agent and
- (c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest for the relevant Interest Period shall be the arithmetic mean of the rates per annum (expressed as a percentage) communicated to (and at the request of) the Calculation Agent by the Reference Banks at which such banks offered rates for deposits in respect of a Representative Amount of the Specified Currency that at least two out of five Reference Banks in the Relevant Financial Centre are quoting at or about the Relevant Time on the relevant date for a period commencing on the Effective Date for a period equivalent to the Specified Duration to leading banks carrying on business in the Relevant Financial Centre; except that, if fewer than two of such banks provide the Calculation Agent with such offered rates,

the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

- (d) **Zero Coupon Notes:** Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(g)(i)).
- (e) **Accrual of Interest:** Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, on such due date or (ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date.
- (f) **Deferral of Interest:** In the case of Subordinated Notes, interest shall be payable on each Compulsory Interest Payment Date (as defined below) in respect of the interest accrued in the Interest Period ending on the day immediately preceding such date. On any Optional Interest Payment Date (as defined below) there may be paid (unless the Issuer elects not to make such payment) the interest accrued in the Interest Period ending on the day immediately preceding such date but the Issuer shall not (in the absence of any such election) have any obligation to make such payment and any such failure to pay shall not constitute a default under the Notes or for any other purpose. Notice of the Issuer's election in respect of any Optional Interest Payment Date not to make any relevant payment of interest which would otherwise have been due on such date in accordance with this Condition 5(f) shall be given to the Noteholders in accordance with Condition 15 and (if the Notes are listed on any Stock Exchange and the applicable rules of that Stock Exchange so require) to the relevant Stock Exchange. Such notice shall be given at least seven days prior to the relevant Optional Interest Payment Date(s). Any interest not paid on an Optional Interest Payment Date shall, so long as the same remains unpaid, constitute "**Arrears of Interest**", which term shall include interest on such unpaid interest as referred to below, except if the relevant Final Terms specify that any interest not paid on an Optional Interest Payment Date shall be forfeited and accordingly not due or payable by the Issuer any longer. Arrears of Interest may, at the option of the Issuer, be paid in whole or in part at any time upon the expiration of not less than seven days' notice to such effect given to the Noteholders in accordance with Condition 15 but all Arrears of Interest on all Subordinated Notes outstanding shall become due and payable in full on whichever is the earliest of:
 - (i) the Interest Payment Date immediately following the date upon which the *Assemblée Générale* of the shareholders of the Issuer which was convened to approve the annual accounts of the Issuer for the fiscal year ended immediately prior to such *Assemblée Générale* passes a resolution to pay a dividend on the ordinary share capital of the Issuer in respect to such previous fiscal year; and
 - (ii) (a) a judgement rendered by any competent court declaring the transfer of the whole of the business (*cession totale de l'entreprise*) or the judicial liquidation (*liquidation judiciaire*) of the Issuer or (b) the liquidation of the Issuer for any other reason.

If notice is given by the Issuer of its intention to pay the whole or part of any Arrears of Interest, the Issuer shall be obliged to do so upon the expiration of such notice. When Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of

the full amount of the Arrears of Interest accrued in respect of the earliest Interest Period in respect of which Arrears of Interest have accrued and have not been paid in full. Arrears of Interest shall (to the extent permitted by law) bear interest accruing (but only, in accordance with Article 1154 of the French civil code, after such interest has accrued for a period of one year) and compounding on the basis of the exact number of days which have elapsed at the rate of interest calculated in accordance with the relevant provisions of this Condition 5 on the Subordinated Notes in respect of each relevant Interest Period. For these purposes the following expressions have the following meanings:

“Compulsory Interest Payment Date” means any Interest Payment Date unless at the *Assemblée Générale* of the shareholders of the Issuer immediately preceding such date which was required to approve the annual accounts of the Issuer for the fiscal year ended immediately prior to such *Assemblée Générale*, no resolution was passed to pay a dividend on the ordinary share capital of the Issuer in respect of such previous fiscal year and

“Optional Interest Payment Date” means any Interest Payment Date, as the case may be, other than a Compulsory Interest Payment Date.

(g) **Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, Rate Multipliers and Rounding:**

- (i) If any Margin or Rate Multiplier is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be
- (iii) For the purposes of any calculations required pursuant to these Conditions, (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes **“unit”** means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.

- (h) **Calculations:** The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount is specified in respect of such period in the Final Terms, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

- (i) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Optional Redemption Amounts Early Redemption Amounts and Instalment Amounts:** As soon as practicable after the relevant time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each

Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed and admitted to trading on a Regulated Market or stock exchange and the applicable rules of such exchange so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

- (j) **Calculation Agent and Reference Banks:** The Issuer shall procure that there shall be appointed at all times four Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding (as defined in Condition 4). If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Luxembourg office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.
- (k) **RMB Notes:** Notwithstanding the foregoing, each RMB Note which is a Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate per annum equal to the Rate of Interest. For the purposes of calculating the amount of interest, if any Interest Payment Date would otherwise fall on a day which is not a Business Day, it shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month in which case it shall be brought forward to the immediately preceding Business Day. Interest will be payable in arrear on each Interest Payment Date.

The Calculation Agent will, as soon as practicable after 11.00 a.m. (Hong Kong time) on each Interest Determination Date, calculate the amount of interest payable per Specified Denomination for the relevant Interest Period. The determination of the amount of interest payable per Specified Denomination by the Calculation Agent shall (in the absence of manifest error and after confirmation by the Issuer) be final and binding upon all parties.

The Calculation Agent will cause the amount of interest payable per Specified Denomination for each Interest Period and the relevant Interest Payment Date to be notified to each of the Paying Agents and to be notified to Noteholders as soon as possible after their determination but in no event later than the fourth Business Day thereafter. The amount of interest payable per Specified Denomination and Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest per Specified Denomination shall nevertheless continue to be calculated as previously by the Calculation Agent in accordance with this provision but no publication of the amount of interest payable per Specified Denomination so calculated need be made.

Interest shall be calculated in respect of any period by applying the Rate of Interest to the Specified Denomination, multiplying such product by the actual number of days in the relevant Interest Period or, as applicable, other period concerned and dividing it by 365, and rounding the resultant figure to the nearest Renminbi sub-unit, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

6 Redemption, Purchase and Options

- (a) **Final Redemption:** Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any option provided by the relevant Final Terms including any Issuer's option in accordance with Condition 6(c), Condition 6(d) or Condition 6(e) or any Noteholders' option in accordance with Condition 6(f), each Note shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Note falling within Condition 6(b) below, its final Instalment Amount.
- (b) **Redemption by Instalments:** Unless previously redeemed, purchased and cancelled as provided in this Condition 6 or the relevant Instalment Date (being one of the dates so specified in the relevant Final Terms) is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 6(c), Condition 6(d), Condition 6(e) or Condition 6(f), each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Notes, on the due date for such payment or (ii) in the case of Materialised Notes, on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (c) **Make-Whole Redemption by the Issuer:** If a Make-Whole Redemption by the Issuer is specified in the relevant Final Terms, in respect of any issue of Notes, the Issuer will, subject to compliance by the Issuer with all relevant laws, regulations and directives and on giving not less than 15 nor more than 30 days' irrevocable notice in accordance with Condition 15 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms), have the option to redeem the Notes, in whole or in part, at any time or from time to time, prior to their Maturity Date (the "**Optional Redemption Date**") at their Optional Redemption Amount. The Optional Redemption Amount will be calculated by the Calculation Agent (or any other Party specified in the relevant Final Terms responsible for calculating the principal and/or interest due) and will be the greater of (x) 100 per cent. of the nominal amount of the Notes so redeemed and, (y) the sum of the then present values of the remaining scheduled payments of principal and interest on such Notes (not including any interest accrued on the Notes to, but excluding, the relevant Optional Redemption

Date) discounted to the relevant Optional Redemption Date on an annual basis at the Redemption Rate plus a Redemption Margin (as specified in the relevant Final Terms), plus in each case (x) or (y) above, any interest accrued on the Notes to, but excluding, the Optional Redemption Date (including, where applicable, any Arrears of Interest).

The “**Redemption Rate**” is the average of the four quotations given by the Reference Dealers of the mid-market annual yield to maturity of the Reference Security (as specified in the relevant Final Terms) on the fourth business day preceding the Optional Redemption Date at 11.00 a.m. (Central European time (CET)).

“**Reference Dealers**” means each of the four banks selected by the Calculation Agent which are primary European government security dealers, and their respective successors, or market makers in pricing corporate bond issues or as specified in the relevant Final Terms.

If the Reference Security is no longer outstanding, a Similar Security specified in the Final Terms, will be chosen by the Calculation Agent at 11.00 a.m. (Central European time (CET)) on the third business day in London preceding the Optional Redemption Date, quoted in writing by the Calculation Agent to the Issuer and notified in accordance with Condition 15.

The Redemption Rate will be notified by the Issuer in accordance with Condition 15.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

In the case of a partial redemption of, or a partial exercise of the Issuer’s option in respect of, Materialised Notes, the notice to holders of such Materialised Notes shall also contain the numbers of the Definitive Materialised Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances and taking account of prevailing market practices, subject to compliance with any applicable laws and requirements of the Regulated Market on which the Notes are listed and admitted to trading.

In the case of a partial redemption of, or a partial exercise of the Issuer’s option in respect of, Dematerialised Notes, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Notes and, in such latter case, the choice between those Dematerialised Notes that will be fully redeemed and those Dematerialised Notes of any Series that will not be redeemed shall be made in accordance with Article R.213-16 of the Code, subject to compliance with any other applicable laws and requirements of the Regulated Market on which the Notes are listed and admitted to trading. In no event, the outstanding nominal amount of each Note following such reduction shall be below any amount which would prevent the Issuer from choosing its home Member State (as such term is defined in the Prospectus Directive).

Any notice given by the Issuer pursuant to this Condition 6(c) shall be deemed void and of no effect in relation to any Note in the event that, prior to the giving of such notice by the Issuer, the relevant Noteholder had already delivered an Exercise Notice in relation to such Note in accordance with Condition 6(f) below.

So long as the Notes are listed and admitted to trading on a Regulated Market and the rules of that Stock Exchange so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published on the website of any Regulated Market on which such Notes are listed and admitted to trading, which in the case of the Luxembourg Stock Exchange is expected to be the website of the Luxembourg Stock Exchange (www.bourse.lu), a notice

specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes a list of any Definitive Materialised Bearer Notes drawn for redemption but not surrendered.

- (d) **Redemption at the Option of the Issuer, Exercise of Issuer's Options and Partial Redemption:** If a Call Option is specified in the relevant Final Terms, the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice in accordance with Condition 15 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms) redeem, or exercise any Issuer's option (as may be described) in relation to, all or, if so provided, some, of the Notes on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Notes shall be at their Optional Redemption Amount together with any interest accrued to the date fixed for redemption, if any. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the minimum nominal amount to be redeemed specified in the relevant Final Terms and no greater than the maximum nominal amount to be redeemed specified in the relevant Final Terms.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise by the Issuer of an Issuer's option in respect of Materialised Notes, the notice to holders of such Materialised Notes shall also contain the number of the Definitive Materialised Bearer Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and Regulated Market or stock exchange requirements.

In the case of a partial redemption of, or a partial exercise by the Issuer of an Issuer's option in respect of, Dematerialised Notes, the redemption may be effected, at the option of the Issuer either (i) by reducing the nominal amount of all such Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Notes and, in such latter case, the choice between those Dematerialised Notes that will be fully redeemed and those Dematerialised Notes of any Series that will not be redeemed shall be made in accordance with Article R.213-16 of the Code, subject to compliance with any other applicable laws and Regulated Market or stock exchange requirements. In no event, the outstanding nominal amount of each Note following such reduction shall be below any amount which would prevent the Issuer from choosing its home Member State (as such term is defined in the Prospectus Directive).

Any Notice given by the Issuer pursuant to this Condition 6(d) shall be deemed void and of no effect in relation to any Note in the event that, prior to the giving of such notice by the Issuer, the relevant Noteholder had already delivered an Exercise Notice in relation to such Note in accordance with Condition 6(f) below. So long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and the applicable rules of that Regulated Market so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper with general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) and/or so long as the rules of such Regulated Market so permit, on the website of the Luxembourg Stock Exchange (www.bourse.lu), and so long as such Notes are listed or admitted to trading on any stock exchange and the rules of such stock exchange so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading daily newspaper with general circulation in the city/ies where such stock exchange(s) is/are situated, a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes a list of any Definitive Materialised Bearer Notes drawn for redemption but not surrendered.

(e) **Residual Maturity Call Option**

If a Residual Maturity Call Option is specified in the relevant Final Terms, the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice in accordance with Condition 15 to the Noteholders redeem the Notes, in whole but not in part, at par together with interest accrued to, but excluding, the date fixed for redemption, which shall be no earlier than three months before the Maturity Date.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

(f) **Redemption at the Option of Noteholders and Exercise of Noteholders' Options:** If a Put Option is specified in the relevant Final Terms, the Issuer shall, at the option of the Noteholder, upon the Noteholder giving not less than 15 nor more than 30 days' notice to the Issuer redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest).

To exercise such option the Noteholder must deposit with any Paying Agent at its specified office a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained from any Paying Agent or the Registration Agent, as the case may be, within the notice period. In the case of Materialised Bearer Notes, the Exercise Notice shall have attached to it such Note(s) (together with all unmatured Receipts, Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Paris Paying Agent specified in the Exercise Notice. No option so exercised and, where applicable, no Note so deposited or transferred may be withdrawn without the prior consent of the Issuer.

(g) **Early Redemption:**

(i) Zero Coupon Notes:

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, upon redemption of such Note pursuant to Condition 6(h) or Condition 6(k) or upon it becoming due and payable as provided in Condition 9 shall be the Amortised Nominal Amount (calculated as provided below) of such Note.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Nominal Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(h) or Condition 6(k) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Amortised Nominal Amount becomes due and payable were the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (as well after as before judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the

Maturity Date together with any interest that may accrue in accordance with Condition 5(d).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown in the relevant Final Terms.

(ii) **Other Notes:**

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(h) or Condition 6(k), or upon it becoming due and payable as provided in Condition 9 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest).

(h) **Redemption for Taxation Reasons:**

(i) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Notes, not be able to make such payment without having to pay additional amounts as specified under Condition 8, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than 45 nor less than 30 days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 15, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.

(ii) If the Issuer would on the next payment of principal or interest in respect of the Notes be prevented by French law from making payment to the Noteholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven days' prior notice to the Noteholders in accordance with Condition 15, redeem all, but not some only, of the Notes then outstanding at their Early Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) on (A) the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Noteholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes and (ii) 14 days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Notes, or, if applicable, Coupons or, if that date is passed, as soon as practicable thereafter.

(i) **Purchases:** The Issuer shall have the right at all times to purchase Notes (provided that, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price subject to the applicable laws and/or regulations. Unless the possibility of holding and reselling is expressly

excluded in the Final Terms, all Notes so purchased by the Issuer may be held and resold in accordance with Articles L.213-1 A and D.213-1 A of the Code for the purpose of enhancing the liquidity of the Notes.

- (j) **Cancellation:** All Notes purchased by or on behalf of the Issuer for cancellation will forthwith be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Bearer Notes, by surrendering the Temporary Global Certificate and the Definitive Materialised Bearer Notes in question together with all unmatured Receipts and Coupons and all unexchanged Talons to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.
- (k) **Illegality:** If, by reason of any change in French law, or any change in the official application of such law, becoming effective after the Issue Date, it will become unlawful for the Issuer to perform or comply with one or more of its obligations under the Notes, the Issuer will, subject to having given not more than 45 nor less than 30 days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 15, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest).

7 Payments and Talons

- (a) **Dematerialised Notes:** Payments of principal and interest (including, for the avoidance of doubt, any Arrears of Interest, where applicable) in respect of Dematerialised Notes shall (in the case of Dematerialised Notes in bearer dematerialised form or administered registered form) be made by transfer to the account denominated in the relevant currency of the relevant Euroclear France Account Holders for the benefit of the Noteholders and, (in the case of Dematerialised Notes in fully registered form), to an account denominated in the relevant currency with a Bank (as defined below) designated by the Noteholders. All payments validly made to such Euroclear France Account Holders will be an effective discharge of the Issuer in respect of such payments.
- (b) **Materialised Bearer Notes:** Payments of principal and interest (including, for the avoidance of doubt, any Arrears of Interest, where applicable) in respect of Materialised Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Materialised Bearer Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(vi)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the Noteholder, by transfer to an account denominated in such currency with a Bank.

“**Bank**” means a bank in the principal financial centre of such currency or, in the case of Euro, in a city in which banks have access to the TARGET System.

- (c) **Payments in the United States:** Notwithstanding the foregoing, if any Materialised Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable

expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

- (d) **Payments Subject to Fiscal Laws:** All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.
- (e) **Appointment of Agents:** The Fiscal Agent, the Paying Agents, the Calculation Agent, the Redenomination Agent and the Consolidation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Redenomination Agent, the Consolidation Agent and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each such case, do not assume any obligation or relationship of agency for any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Redenomination Agent, the Consolidation Agent and the Registration Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Redenomination Agent and a Consolidation Agent where the Conditions so require, (iv) Paying Agents having specified offices in at least two major European cities (including Paris and/or Luxembourg so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange), (v) in the case of Materialised Notes issued by the Issuer, a Paying Agent with a specified office in a European Union Member State (which may be any of the Paying Agents referred to in (iv) above) that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC of 3 June 2003 on the taxation of savings income in the form of interest payments or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such Directive, (vi) in the case of Dematerialised Notes, in fully registered form, a Registration Agent and (vii) such other agents as may be required by any other Regulated Market or stock exchange on which the Notes may be listed and admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

On a redenomination of the Notes of any Series pursuant to Condition 1(d) with a view to consolidating such Notes with one or more other Series of Notes, in accordance with Condition 14, the Issuer shall ensure that the same entity shall be appointed as both Redenomination Agent and Consolidation Agent in respect of both such Notes and such other Series of Notes to be so consolidated with such Notes.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 15.

- (f) **Unmatured Coupons and Receipts and unexchanged Talons:**
 - (i) Unless Materialised Bearer Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Materialised Bearer Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon

(together, where applicable, with the amount of any Arrears of Interest corresponding to such Coupon) or, in the case of payment not being made in full, that proportion of the amount of such missing unmatured Coupon (together, where applicable, with the amount of any Arrears of Interest corresponding to such Coupon) that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Amortised Nominal Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 10) provided that, if any Materialised Bearer Note should be issued with a maturity date and an Interest Rate or Rates such that, on the presentation for payment of any such Note without any unmatured Coupons attached thereto or surrendered therewith, the amount required to be deducted in respect of such unmatured Coupons would be greater than the relevant Redemption Amount otherwise due for payment, then, upon the due date for redemption of any such Note, such unmatured Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of the foregoing provisions in respect of such Coupons as have not so become void, the amount required by this paragraph to be deducted would not be greater than the relevant Redemption Amount otherwise due for payment. Where the application of the foregoing provisions requires some but not all of the unmatured Coupons relating to a Materialised Bearer Note to become void, the relevant Paying Agent shall determine which unmatured Coupons are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.

- (ii) If Materialised Bearer Notes so provide, upon the due date for redemption of any such Materialised Bearer Note, unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Materialised Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Upon the due date for redemption of any Materialised Bearer Note that is redeemable in instalments, all Receipts relating to such Materialised Bearer Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (v) Where any Materialised Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons, and where any Materialised Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (vi) If the due date for redemption of any Materialised Bearer Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, (including, for the avoidance of doubt, any Arrears of Interest if applicable) shall only be payable against presentation (and surrender if appropriate) of the relevant Definitive Materialised Bearer Note. Interest accrued on a Materialised Bearer Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Materialised Bearer Notes.

- (g) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent or any of the Paying Agents in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 10).
- (h) **Business Days for Payment:** If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the Noteholder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “**business day**” means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) on which banks and foreign exchange markets are open for business in such jurisdictions as shall be specified as “**Financial Centres**” in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than Euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in Euro, which is a TARGET Business Day.
- (i) **Bank:** For the purpose of this Condition 7, “**Bank**” means a bank in the principal financial centre of the relevant currency or, in the case of Euro, in a city in which banks have access to the TARGET System.
- (j) **Payment of US Dollar Equivalent:** Notwithstanding any other provision in these Conditions, if by reason of Inconvertibility, Non-Transferability or Illiquidity or if Renminbi is otherwise not available to the Issuer as a result of circumstances beyond its control and such unavailability has been independently confirmed by a Renminbi Dealer, the Issuer is not able to satisfy payments of principal or interest (in whole or in part) in respect of RMB Notes, the Issuer, on giving not less than five nor more than 30-days irrevocable notice to the Noteholders prior to the due date for payment, may settle any such payment (in whole or in part) in US Dollars on the due date at the US Dollar Equivalent of any such Renminbi denominated amount.

In such event, payments of the US Dollar Equivalent of the relevant principal or interest in respect of the Notes shall be made by transfer to the U.S. dollar account of the relevant Account Holders for the benefit of the Noteholders. For the avoidance of doubt, no such payment of the US Dollar Equivalent shall by itself constitute a default in payment within the meaning of Condition 9.

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 7(j) by the RMB Rate Calculation Agent, will (in the absence of manifest error) be binding on the Issuer, the Agents and all Noteholders.

For the purposes of this Condition 7(j):

“**Governmental Authority**” means any *de facto* or *de jure* government (or any agency or instrumentality thereof), court, tribunal, administrative or other governmental authority or any other entity (private or public) charged with the regulation of the financial markets (including the central bank) of Hong Kong.

“**Illiquidity**” means that the general Renminbi exchange market in Hong Kong becomes illiquid, other than as a result of an event of Inconvertibility or Non-Transferability, as determined by the Issuer, in good faith and in a commercially reasonable manner following consultation with two Renminbi Dealers, as a result of which event the Issuer cannot, having used its reasonable

endeavours, obtain sufficient Renminbi in order fully to satisfy its obligation to pay interest or principal in respect of the Notes.

“Inconvertibility” means the occurrence of any event that makes it impossible for the Issuer, to convert any amount due in respect of RMB Notes in the general Renminbi exchange market in Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible for the Issuer due to an event beyond its control, to comply with such law, rule or regulation).

“Non-Transferability” means the occurrence of any event that makes it impossible for the Issuer to deliver Renminbi between accounts inside Hong Kong or from an account inside Hong Kong to an account outside Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation).

“Renminbi Dealer” means an independent foreign exchange dealer of international repute active in the Renminbi exchange market in Hong Kong reasonably selected by the Issuer.

“RMB Spot Rate” for a RMB Rate Calculation Date means the spot CNY/US dollar exchange rate for the purchase of US Dollars with CNY in the over-the-counter CNY exchange market in Hong Kong for settlement on the relevant due date for payment, as determined by the RMB Rate Calculation Agent at or around 11 a.m. (Hong Kong time) on such RMB Rate Calculation Date, on a deliverable basis by reference to Reuters Screen Page TRADCNY3, or if no such rate is available, on a non-deliverable basis by reference to Reuters Screen Page TRADNDF. If neither rate is available, the RMB Rate Calculation Agent will determine the RMB Spot Rate at or around 11 a.m. (Hong Kong time) on the RMB Rate Calculation Date as the most recently available CNY/US dollar official fixing rate for settlement on the relevant due date for payment reported by The State Administration of Foreign Exchange of the PRC, which is reported on the Reuters Screen Page CNY=SAEC. Reference to a page on the Reuters Screen means the display page so designated on the Reuter Monitor Money Rates Service (or any successor service) or such other page as may replace that page for the purpose of displaying a comparable currency exchange rate.

“US Dollar Equivalent” means the relevant Renminbi amount converted into US Dollars using the RMB Spot Rate for the relevant RMB Rate Calculation Date, as calculated by the RMB Rate Calculation Agent.

8 Taxation

- (a) **Tax exemption for Notes:** All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

- (b) **Additional Amounts:** If French law should require that payments of principal or interest in respect of any Note, Receipt or Coupon be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Noteholders or, if applicable, the Receiptholders and the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon, as the case may be:
- (i) **Other connection:** to, or to a third party on behalf of, a Noteholder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with the Republic of France other than the mere holding of the Note, Receipt or Coupon; or
 - (ii) **Presentation more than 30 days after the Relevant Date:** in the case of Materialised Notes, more than 30 days after the Relevant Date except to the extent that the Noteholder would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day; or
 - (iii) **Payment to individuals:** where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC of 3 June 2003 or any other EU Directive implementing the conclusions of the ECOFIN Council Meeting of 26-27 November 2000 on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such Directive; or

As used in this Condition 8, “**Relevant Date**” in respect of any Note means the date on which payment in respect of it first becomes due (and, for the avoidance of doubt, in the case of Arrears of Interest, references to “**becomes due**” shall be interpreted in accordance with the provisions of Condition 5(f)) or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or, (if earlier) the date seven days after that on which notice is duly given to the Noteholders in accordance with Condition 15 that, upon further presentation of the Notes being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “**principal**” shall be deemed to include any premium payable in respect of the Notes, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “**interest**” shall be deemed to include all Interest Amounts and all other amounts (including, for the avoidance of doubt, all Arrears of Interest) payable pursuant to Condition 5 or any amendment or supplement to it and (iii) “**principal**” and/or “**interest**” shall be deemed to include any additional amounts that may be payable under this Condition.

 - (ii) if there is a default by the Issuer in the due performance of any other provision of the Notes, and such default shall not have been cured within 14 Business Days (as defined in Condition 5(a)) after receipt by the Fiscal Agent of written notice (and by the Issuer of a copy) of default given by the Representative upon request of the Noteholder; or

Recent products and activities

Wines and Spirits

In an environment characterized by strong momentum in Asia and the United States, with a mixed market in Europe, the business group continued to illustrate the priorities of its value-enhancing strategy: firm prices and a strong dynamic of innovation aimed at continuously boosting its brands' appeal. Sales volume grew by 1% across all LVMH champagne brands, with robust demand for prestige cuvées, and rose by 3% for Hennessy cognac. The brands' momentum was boosted by Moët Hennessy's powerful and responsive retail network, and by sustained investments in communication.

Moët & Chandon illustrated its new communication program by orchestrating appearances of its brand ambassador Roger Federer throughout the world. He was the guest of honor at the brand's 270th anniversary celebration in New York, which was attended by many distinguished guests. In honor of the Grand Vintage Rosé 2004, a vertical tasting allowed guests to discover Moët & Chandon's finest vintage rosés, culminating in the Grand Vintage Rosé 1878, the brand's oldest cuvée of rosé champagne. This unique event showcased Moët & Chandon's historical expertise intertwined with its contemporary vision.

Dom Pérignon reaffirmed its originality, notably through the launch of new vintages and events woven around major designers. Jeff Koons sculpted "Balloon Venus for Dom Pérignon" for the launch of Dom Pérignon Rosé 2003. His design was then reinterpreted as a limited-edition New Year's gift box containing this vintage and Dom Pérignon 2004

Mercier gained new momentum, reviving its original values. Revitalized packaging and new communications reaffirmed the brand's identity and positioning.

Veuve Clicquot upheld its innovation strategy. Among other initiatives, its Shakkei gift box met with great success in Japan, while Naturally became the first environmentally responsible bottle casing. The brand showcased its expertise through a fine dining partnership with Joël Robuchon. It continued its expansion in China and Central and Eastern Europe, while strengthening its position in its traditional markets in the United States, Japan and Australia. Rosé continued to perform well and proved itself to be a powerful growth lever.

Ruinart consolidated its positions in France and achieved solid international growth, especially in emerging markets in Asia, Africa and Latin America. It continued to give pride of place to premium products, reflected in its new Dom Ruinart Rosé 2002 vintage. Stepping up its commitment to contemporary art, Ruinart is now associated with major international art fairs. The artist Piet Hein Eek created a work of art in homage to the history of the champagne house and designed two limited-edition collections.

Krug focused on boosting its notoriety and winning over new customers by revisiting the notions associated with luxury. Several “Lieux Ephémères” (ephemeral venues) were organized throughout the world, and the “Krug Ambassadors” network was centered around exceptional travel events reflecting the values of the House. In addition to its strong momentum in the United States and a solid performance in Europe, Krug achieved excellent results in Japan and the Asia-Pacific region.

Estates & Wines still and sparkling wines performed remarkably well. The Chandon brand achieved substantial growth in both domestic and export markets. Continuing their move upmarket, still wines also turned in an excellent set of performances.

Château d’Yquem reaffirmed its status as the only Sauternes ranked as Premier Cru Classé Supérieur. While markets in Europe and the United States regained momentum, Asia attracted a growing number of connoisseurs. The year was marked by the release of Château d’Yquem 2011, hailed by critics, and the launch of Y 2012. Château Cheval Blanc consolidated its rank as a 1er Grand Cru Classé A.

Hennessy once again posted appreciable growth, backed by the power of its brand and the geographic mix of its sales. This growth was driven in large part by the United States, which represented the biggest market by volume. In China, the brand’s firm historic foothold and momentum in the nightlife segment offset the impact of government measures affecting receptions and business gifts. The brand maintained a strong position in Taiwan, Malaysia and Vietnam, while actively expanding in Cambodia, India and the Philippines. It showed strong momentum in Eastern Europe, benefiting from the Moët Hennessy retail subsidiary’s establishment in Russia. Finally, it continued to build up solid growth prospects on the African and American continents, notably in Mexico and the Caribbean.

In addition to the success of its older quality grades, Hennessy breathed new life into the brand with younger grades such as Very Special and Classivm, to win over new generations of consumers. The brand stepped up its presence in the nightlife segment, around the new Very Special creative universe designed by Pininfarina and the Hennessy Artistry concert-events.

Glenmorangie and Ardbeg single malt whiskies once again surged ahead in their key markets. Hailed by critics, Glenmorangie’s launches this year met with commercial success. The limited edition Ealanta was named “World Whisky of the Year” by the Whisky Bible, the industry reference guide. Sold online and launched to coincide with Ardbeg Day 2013, the limited edition Ardbog sold out on its key markets in a matter of hours.

Belvedere vodka continued to grow robustly. Supported in the United States by an extensive communication campaign, it gained market share in Europe, Asia, Brazil and Africa.

Wenjun recorded solid growth in China in a highly competitive market for premium baijiu.

In leather goods, these offerings were focused on highlighting the iconic Selleria, Peekaboo and Baguette lines, while the 2Jours line launched in 2012 was the greatest success in Fendi's history. Furs enjoyed increased visibility, notably thanks to exhibits in Tokyo and Beijing of Karl Lagerfeld's best pieces from 1965 to the present day, emblems of Fendi's creativity and expert craftsmanship.

The Rome-based brand made great strides in all its markets, notably in Europe with openings of flagship stores embodying the new boutique concept on the Avenue Montaigne in Paris and the Via Montenapoleone in Milan.

At the same time, its presence in multi-brand stores was more selective.

Its new cosmetics line, exclusively distributed in Sephora stores, met with great success. Its operations in China are being acquired on a direct basis. Marc Jacobs decided to focus fully on the brand's business to support its future development. During the fiscal year, the Group raised its ownership interest in Marc Jacobs to 80%.

Donna Karan performed well thanks to the successful relaunch of its DKNY Jeans line and the increasing success of its accessory collections. This dynamic was particularly beneficial for international business. To revitalize its visual identity, the New York based brand gave artists from around the world carte blanche to reinterpret its logo as part of their own creative universe, under the DKNY Artworks program. Donna Karan continued the quality driven expansion of its retail network with targeted openings and a renovation plan for its existing stores.

Loewe continued to make strides, recording particularly remarkable growth in Japan. The emblematic Amazona and Flamenco lines continued their development. After Paris, new renovated boutiques were inaugurated in Shanghai and Rome. Jonathan Anderson, one of Britain's most talented young designers, was appointed as Loewe's Artistic Director.

With the arrival of Humberto Leon and Carol Lim in 2011, Kenzo has built on the success of its new creative positioning, boosted by a playful, offbeat advertising campaign in tune with the creative duo's aspirational spirit. The sweatshirt collections' most emblematic Tiger and Eye prints were extremely popular among a younger, very international clientele. In leather goods, the Kalifornia handbag joined the offering. Exclusive brand boutiques and retailers alike saw rapid growth. The website, which completed its first full year of sales activity, showed strong momentum.

Its Artistic Director, designer Riccardo Tisci, was awarded the 2013 International Award by the CFDA (Council of Fashion Designers of America), crowning nearly eight years

dedicated to enhancing the legacy of the brand. The retail network's expansion continued with the opening of boutiques in premium locations in Paris, Hong Kong and China.

An ambitious marketing program has been put in place, featuring prestigious partnerships in soccer (particularly on the occasion of the upcoming World Cup in Brazil), motor racing and sailing.

Zenith continued its development within the highly exclusive group of prestige manufacturing brands. Europe, Japan and the Middle East were the most dynamic markets. Tightly focused around five emblematic lines, its collection was enriched by several targeted new products, notably the El Primero Lightweight and the Pilot Aeronef. A new communication campaign helped reinforce the brand's image, while the quality of its distribution network was bolstered by increased selectivity at its points of sale.

Bulgari had a great year, and the brand's stores in particular recorded strong growth. Jewelry showed excellent momentum, especially the fine jewelry segment, as evidenced by the success of the Serpenti collection, showcased at expositions organized in Shanghai, Dubai and New York. Other highlights included the launch of the new Diva collection. The Bulgari Bulgari and B.zero1 lines also contributed to the brand's success. As its new brand ambassador, artist Carla Bruni reinforced Bulgari's international reach. In the watches segment, the Bulgari Octo maintained its position as the men's top-of-the-line premium timepiece. Timepiece sales in directly owned stores were also buoyed by the strong performances turned in by the Serpenti jewelry watches. The distribution quality of the accessories business and of perfumes was reinforced. The store network pursued its ambitious renovation and expansion program, in place since the brand was integrated into the LVMH group. The flagship stores of Ginza Tower in Tokyo and Chater House in Hong Kong epitomize this expansion strategy.

Chaumet saw solid growth within its network of directly owned stores, especially in Asia and the Middle East. It unveiled its new Hortensia fine jewelry collection, a delicate line inspired by floral themes, while a new watch model enhanced the Liens jewelry line. The store network continued to expand, with new boutiques in Shanghai, Seoul and Cannes.

Montres Dior continued its development with new launches in the Dior VIII collection and the sustained success of the Grand Bal and D de Dior limited editions. The brand coupled this strategy with ever increasing selectivity in its retail network.

De Beers asserted itself as the leading reference in the solitaire diamonds segment. Sales of luxury jewelry forged ahead while the brand continued its expansion in the Greater China region.

Fred continued its rapid growth, with a special focus on its development in France and Japan, and sustained work on its iconic Force 10 and Baie des Anges lines. The new Pain de Sucre collection was highly successful.

Selective Retailing

In 2013, Selective Retailing recorded organic revenue growth of 17%. Profit from recurring operations increased by 6%.

DFS saw a new surge in revenue, reflecting in particular the first full year integrating three new concessions won in late 2012 at the Hong Kong airport. These concessions, which made a significant contribution to revenue growth, were invested in for extensive remodeling, as required for any business launch. Based on a comparable scope of consolidation, the main driver of revenue growth remained the brand's dynamic Asian clientele, boosting business particularly in Hong Kong and Macao. DFS continued with its strategy of upscaling across all destinations, as illustrated by the new visual identity of its stores, rebranded T Galleria, and the renovation of numerous points of sale. The arrival of new luxury brands also strengthened the vitality and appeal of its product range.

Miami Cruiseline reinforced its positions in the cruise market, buoyed by the growing success of cruise routes in the Mediterranean and Asia. Miami Cruiseline continued to move its boutiques further upmarket and adapt its sales approach and product range to suit the specific characteristics of each region and each cruise line's customers.

Backed by its global leadership position in selective retailing, Sephora turned in another strong performance and gained market share across all regions.

In Europe, Sephora showed resilience in a tough economic environment and strengthened its positions, notably in France, Italy and Russia.

In North America, Sephora continued to show excellent momentum, both in its stores and online. Since 2012, the redesigned website has proved successful in positioning the brand as a leader in the e-commerce sector. Sephora made particularly rapid strides in China, opening a flagship store in Shanghai in early 2013.

With emblematic stores such as at the Dubai Mall, the Middle East has been a remarkable success and recorded exceptional revenue growth. The new territories of Southeast Asia and Latin America also confirmed their strong growth potential. Thailand was added at the end of the year, with the first store opening in Bangkok. Innovating, personalizing the relationship with each customer and enhancing both in-store and online services are at the heart of Sephora's strategy. Sephora continued to develop global initiatives such as mobile payment, the Color IQ/Profile service enabling every customer to choose the foundation that is best adapted to their skin complexion, or the My Sephora personalization tool for sales assistants.

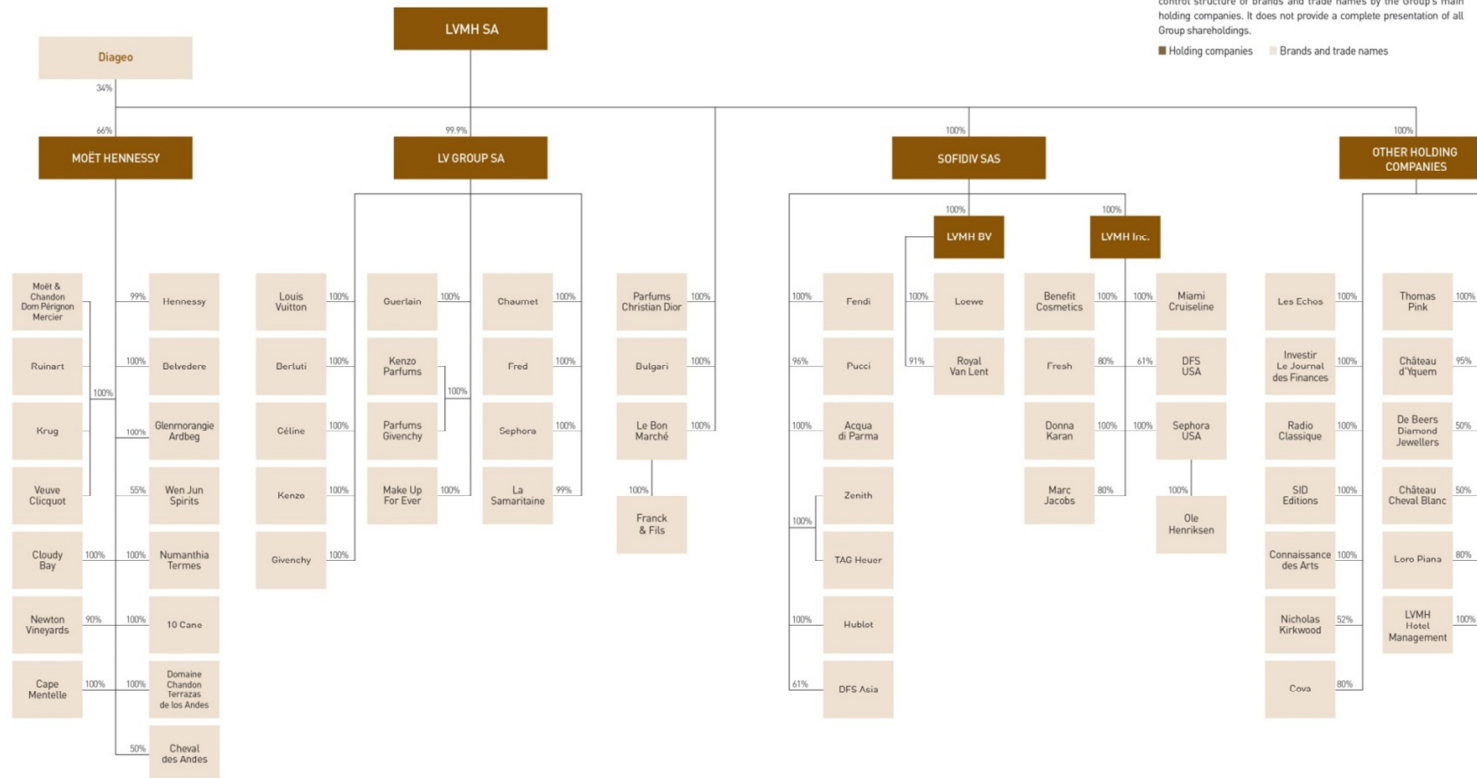

On the product side, Sephora has aimed to make its offering more and more innovative and unique. The success of the Sephora brand has continued to grow, while its exclusive offering has been bolstered by the launch of two new brands in the United States and the Middle East: Marc Jacobs and Formula X.

Le Bon Marché Rive Gauche saw its performance buoyed by the accessories and men's fashion segments. The successful Brazil exposition was one of the highlights of 2013. Major commercial projects were carried out on the department store's ground floor, including the opening of new luxury boutiques, the inauguration of a space devoted to timepieces and the creation of a new Accessories department. The Grande Épicerie de Paris food store underwent a complete transformation, with its expertise showcased and a new restaurant created on the first floor, accessible via a new set of escalators and designed in the image of the restaurant located at the heart of Le Bon Marché's main building.

Legal and arbitration proceedings

As part of its day-to-day management, the Group is party to various legal proceedings concerning trademark rights, the protection of intellectual property rights, the protection of Selective Retailing networks, licensing agreements, employee relations, tax audits, and any other matters inherent to its business. The Group believes that the provisions recorded in the balance sheet in respect of these risks, litigation proceedings and disputes that are in progress and any others of which it is aware at the year-end, are sufficient to avoid its consolidated financial net worth being materially impacted in the event of an unfavorable outcome.

In 2006, Louis Vuitton Malletier and the French companies of the Perfumes and Cosmetics business group filed lawsuits against eBay in the Paris Commercial Court. Louis Vuitton Malletier demanded compensation for losses caused by eBay's participation in the commercialization of counterfeit products and its refusal to implement appropriate procedures to prevent the sale of such goods on its site. The Perfumes and Cosmetics brands sued eBay for undermining their selective retailing networks. In a decision delivered on June 30, 2008, the Paris Commercial Court ruled in favor of LVMH, ordering eBay to pay 19.3 million euros to Louis Vuitton Malletier and 3.2 million euros to the Group's Perfumes and Cosmetics brands. The court also barred

eBay from running listings for perfumes and cosmetics under the Dior, Guerlain, Givenchy and Kenzo brands. eBay filed a petition with the Paris Court of Appeal. On July 11, 2008, the President of the Paris Court of Appeal denied eBay's petition to stay the provisional execution order delivered by the Paris Commercial Court. In September 2010, the Paris Court of Appeal confirmed the ruling against eBay handed down in 2008, classifying this company's business as that of a broker and not merely an Internet host. Asserting that it did not have jurisdiction to evaluate the extent of losses caused by some of eBay's sites outside France, the Court reduced the amount of punitive damages to 2.2 million euros for Louis Vuitton Malletier and 0.7 million euros for the Group's Perfumes and Cosmetics brands, as the initial amount had been determined on the basis of eBay's worldwide operations. In response to the appeal filed by eBay, on May 3, 2012 the Cour de cassation confirmed the analysis carried out by the Paris Court of Appeal, which had held that eBay's activity was not merely that of a hosting service provider, but that it also acted as a broker. However, the Cour de cassation reversed the Paris Court of Appeal's decision with regard to its jurisdiction for activity conducted on the eBay Inc. and referred the case back for retrial by the Paris Court of Appeal.

Following the announcement by LVMH on October 23, 2010 of its acquisition of a stake in the share capital of Hermès International, the Autorité des Marchés Financiers (the French financial markets regulation authority), launched an investigation into the market and financial disclosures relating to Hermès and LVMH shares. On August 13, 2012, the AMF served LVMH with a statement of objections for alleged infringements of financial and public disclosure requirements, a copy of which was forwarded to AMF's Enforcement Committee. The Committee met on May 31, 2013 and on June 25, 2013 handed down its decision, holding that LVMH should have informed the public in June 2010 of the possibility that it had of deciding to acquire a stake in Hermès, despite the fact that the matter was not put before its Board of Directors until October 21, 2010. It therefore ordered LVMH to pay a fine of 8 million euros. No appeal has been made against this decision.

On June 18, 2013, Hermès International filed a suit with the Paris Commercial Court against LVMH and some of its subsidiaries on the grounds of requesting the cancellation of the equity swap contracts entered into by Group companies in 2008, along with subsequent transactions. The lawsuit refers to a criminal complaint filed in October 2012 for insider trading, share price manipulation and complicity. The LVMH group has filed a counter-complaint with the public prosecutor for false accusations. It also brought an action before the Paris Commercial Court against the senior executives of Hermès for personal liability, in order to seek redress for the damage caused by the abovementioned action for annulment, which serves the personal objectives of these senior executives rather than the interest of the companies managed by them.

On December 17, 2012, the Mayor of Paris granted two distinct building permits authorizing the architectural project for the restructuring and reconstruction of the former Samaritaine department stores 2 (Seine block) and 4 (Rivoli block). Both of these permits were the subject of an action for cancellation before the Paris Administrative Court (Tribunal administratif de Paris).

On April 11, 2014, the Paris Administrative Court rejected the action for cancellation filed against the building permit authorizing the restructuring of former department store 2, which is registered as Historic Monument (Seine block).

On May 13, 2014, the Paris Administrative Court cancelled the building permit order authorizing the partial demolition of former department store 4 and the reconstruction of a contemporary building designed by the architectural firm SANAA (Rivoli block). The company Grands Magasins de la Samaritaine and the City of Paris have filed an appeal and have requested a stay of execution of this judgment.

The Group is subject to audits, on a regular basis, from customs, tax and administrative authorities in a large number of countries. Most of these audits are limited to mere requests of information, but some of them may lead to notices of assessment, subject or not to appeal. The Group believes that the reserves allocated to such audits and proceedings are sufficient to face their foreseeable consequences.

Except as described above, and to the best of the Company's knowledge, there are no and there has been no other governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened of which the Company is aware) during a period covering the previous twelve months which may have, or have had in the recent past, significant effects on the Company and/or the Group's financial position or profitability.

Trend information, no material adverse change and no significant change

There has been no significant change in the financial or trading position of LVMH or the LVMH Group and no material adverse change in the prospects, of LVMH or the LVMH Group since 31 December 2013.

Material contracts

Except as disclosed in the consolidated financial statements of the company, pages 125 to 183 of the 2013 *Document de Référence*, there are no material contracts that are not entered into in the ordinary course of LVMH's business, which could result in any Group member being under an obligation or entitlement that is material to LVMH's ability to meet its obligation to security holders in respect of the securities being issued.

RECENT DEVELOPMENTS

European company (SE)

On 17 February 2014, LVMH announced that at a Board meeting held on 30 January 2014, the Board of Directors of LVMH Moët Hennessy Louis Vuitton agreed to alter the legal status of the LVMH from that of a French Public Limited Company ("*société anonyme*") to that of a European Company.

The Board noted that this transition, which is promoted by the European authorities, has already been made by several major European groups and agreed that the status of European Company better reflects the European and International scope of the LVMH Group.

The number of LVMH Group brands having their roots in non-French European countries has significantly increased in recent years. After Loewe, Fendi, Pucci, Acqua di Parma, Tag Heuer and Zenith, the Group welcomed Hublot in 2008, Bulgari in 2011 and Loro Piana in 2013.

The transformation into a European Company has no impact on governance, Head Office domicile or stockmarket listing and has no consequences for shareholders. This proposed statutory change has been submitted to shareholders at the General Meeting on 10 April 2014 and approved. The conversion into European company is still subject to conditions precedent.

TAXATION

The comments below are intended as a basic presentation of certain tax consequences in relation to the purchase, ownership and disposition of the Notes. Persons who are in any doubt as to their tax position should consult a professional tax adviser.

EU SAVINGS DIRECTIVE

On 3 June 2003, the European Council of Economic and Finance Ministers adopted Directive 2003/48/EC on the taxation of savings income (the “**Savings Directive**”). Pursuant to the Savings Directive and subject to a number of conditions being met, Member States are required, since 1 July 2005, to provide to the tax authorities of another Member State, *inter alia*, details of payments of interest within the meaning of the Savings Directive (interest, premiums or other debt income) made by a paying agent located within its jurisdiction to, or for the benefit of, an individual resident in that other Member State or to so-called residual entities established in that other Member State (the “**Disclosure of Information Method**”).

For these purposes, the term “paying agent” is defined widely and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Savings Directive, for the immediate benefit of the beneficial owner.

However, throughout a transitional period, certain Member States (the Grand-Duchy of Luxembourg and Austria), instead of using the Disclosure of Information Method used by other Member States, unless the relevant beneficial owner of such payment elects for the Disclosure of Information Method, withhold an amount on interest payments. The Luxembourg Government, in the bill of law introduced on 18 March 2014, confirmed its intention to abolish the withholding system with effect from 1 January 2015, in favour of the Disclosure of Information Method under the Savings Directive. The current withholding tax rate is 35 per cent.

A number of non-EU countries and dependent or associated territories have agreed to adopt similar measures (transitional withholding or exchange of information) with effect since 1 July 2005.

On 24 March 2014, the Council of European Union adopted a directive amending the Savings Directive, which, when implemented, will amend and broaden the scope of the requirements described above. In particular, the amending directive aims at extending the scope of the Savings Directive to new types of savings income and products that generate interest or equivalent income. In addition, tax authorities will be required in certain circumstances to take steps to identify the beneficial owner of interest payments (through a look through approach). The EU Member States will have until 1 January 2016 to adopt the national legislation necessary to comply with this amending directive.

Investors should inform themselves of, and where appropriate take advice on, the impact of the Savings Directive and the amending directive on their investment.

LUXEMBOURG

The following is a general description of certain withholding tax considerations relating to the Notes as in effect and as applied by the relevant tax authorities as at the date hereof and does not purport to be a comprehensive discussion of the tax treatment of the Notes.

Prospective investors should consult their own professional advisers on the implications of making an investment in, holding or disposing of Notes and the receipt of interest with respect to such Notes under the laws of the countries in which they may be liable to taxation.

Withholding tax

Under Luxembourg tax law currently in effect and with the possible exception of interest paid to certain individual Noteholders and certain so-called “residual entities”, there is no Luxembourg withholding tax on payments of interest (including accrued but unpaid interest). There is also no Luxembourg withholding tax, with the possible exception of payments made to certain individual Noteholders and certain so-called “residual entities”, upon repayment of principal in case of reimbursement, redemption, repurchase or exchange of the Notes.

Luxembourg non-residents

Under Luxembourg general tax laws currently in force and subject to the laws of 21 June 2005 as amended (the “**Laws**”) implementing the Savings Directive and several agreements concluded between Luxembourg and certain dependent or associated territories of the EU, there is no withholding tax or payments of principal, premium or interests made to non-resident Noteholders, nor on accrued but unpaid interest in respect of the Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Notes held by non-resident Noteholders.

Under the Laws, a Luxembourg based paying agent (within the meaning of the Luxembourg Laws) is required since 1 July 2005 to withhold tax on interest and other similar income paid by it to (or under certain circumstances, to the benefit of) an individual or to certain so-called “residual entities” resident or established in another Member State or in certain EU dependent or associated territories, unless the beneficiary of the interest payments elects for the procedure of exchange of information or, in case of an individual beneficiary, for the tax certificate procedure. Residual entities within the meaning of Article 4.2 of the Savings Directive are entities established in a Member State or in certain EU dependent or associated territories which are not legal persons (the Finnish and Swedish companies listed in Article 4.5 of the Savings Directive are not considered as legal persons for this purpose), whose profits are not taxed under the general arrangements for the business taxation, that are not and have not opted to be treated as UCITS recognised in accordance with the Council Directive 85/611/EEC, as replaced by the Council Directive 2009/65/EC or similar collective investment funds located in Jersey, Guernsey, the Isle of Man, the Turks and Caicos Islands, the Cayman Islands, Montserrat or the British Virgin Islands.

Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. The current withholding tax rate is 35 per cent. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain third countries.

The Luxembourg government has announced its intention to elect out of the withholding system in favour of an automatic exchange of information with effect as from 1 January 2015.

The European Council adopted certain amendments to the Savings Directive, which will, upon implementation, amend or broaden the scope of the requirements described above.

Luxembourg residents

In accordance with the law of 23 December 2005, as amended by the law of 17 July 2008, on the introduction of a withholding tax on certain interest payments on savings income, interest payments made by Luxembourg paying agents (defined in the same way as in the Savings Directive) to Luxembourg individual residents or to certain residual entities that secure interest payments on behalf of such individuals (unless such entities have opted either to be treated as UCITS recognised in accordance with the Council Directive 85/611/EEC as replaced by the Council Directive 2009/65/EC or for the exchange of information regime) are subject to a 10 per cent. withholding tax. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent.

FRANCE

The following is a description limited to certain tax considerations in France relating to the Notes that may be issued under the Programme to any holder of Notes who does not concurrently hold shares of the Issuer and who is not related to the Issuer within the meaning of Article 39, 12 of the French General Tax Code (Code général des impôts). Prospective holders or beneficial owners of Notes should consult their tax advisors as to the tax consequences of any investment in or ownership and disposition of the Notes.

The Savings Directive was implemented into French law under Article 242 *ter* of the French *Code général des impôts* and Articles 49 I *ter* to 49 I *sexies* of the Schedule III to the French *Code général des impôts*, which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

Notes issued as from 1 March 2010

Pursuant to the French *Code général des impôts*, (the “**Law**”), payments of interest and other revenues made by the Issuer with respect to notes issued on or after 1 March 2010 (other than Notes (described below) which are assimilated (*assimilables* for the purpose of French law) and form a single series with Notes issued prior to 1 March 2010 benefitting from the exemption from withholding tax of Article 131 *quater* of the French *Code général des impôts*) will not be subject to the withholding tax set out under Article 125 A III of the French *Code général des impôts* unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French *Code général des impôts* (a “**Non-Cooperative State**”). If such payments under the Notes are made in a Non-Cooperative State, a 75 per cent. withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French *Code général des impôts*.

Furthermore, according to Article 238 A of the French *Code général des impôts*, interest and other revenues on such Notes will not be deductible from the Issuer’s taxable income, if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State (subject to certain exceptions). Under certain conditions, any such non-deductible interest and other revenues may be characterised as constructive dividends pursuant to Article 109 of French *Code général des impôts*, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* 2 of the French *Code général des impôts*, at a rate of 30 per cent. or 75 per cent. (subject to the more favourable provisions of any applicable double tax treaty).

Notwithstanding the foregoing, neither the 75 per cent. withholding tax set out under Article 125 A III of the French *Code général des impôts* nor, to the extent the relevant interest or other revenues relate to genuine transactions and are not in an abnormal or exaggerated amount, the non-deductibility set out under Article 238 A of the French *Code général des impôts* will apply in respect of a particular issue of the Notes if the Issuer can prove that the principal purpose and effect of such issue of Notes were not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the “**Exception**”). Pursuant to the French tax administrative guidelines (BOI-INT-DG-20-50-20140211, no. 550 and 990, BOI-RPPM-RCM-30-10-20-40-20140211, no. 70, BOI-IR-DOMIC-10-20-20-60-20140211, no. 10 and BOI-ANX-000364-20120912, no. 20), an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes if such Notes are:

- (i) offered by means of a public offer within the meaning of Article L.411-1 of the French *Code monétaire et financier* or pursuant to an equivalent offer in a State other than a Non-Cooperative State. For this

purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or

- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (iii) admitted, at the time of their issue, to the clearing operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

Notes issued before 1 March 2010 and Notes which are assimilated to (*assimilables* for the purpose of French law) Notes issued before 1 March 2010

Payments of interest and other revenues made by LVMH in its capacity as Issuer with respect to (i) Notes issued (or deemed issued) outside France as provided under Article 131 *quater* of the French *Code général des impôts*, before 1 March 2010 and (ii) Notes issued on or after 1 March 2010 and which are assimilated to (*assimilables* for the purpose of the French law), and form a single series with, such Notes referred to under (i) above, will continue to be exempt from the withholding tax set out under Article 125 A III of the French *Code général des impôts*.

Notes issued before 1 March 2010, whether denominated in Euro or in any other currency, and constituting *obligations* under French law, or *titres de créances négociables* within the meaning of the French tax administrative guidelines (BOI-RPPM-RCM-30-10-30-20140211) or other debt securities issued under French and foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of Article 131 *quater* of the French *Code général des impôts*, in accordance with the aforementioned administrative guidelines.

In addition, interest and other revenues paid by the Issuer on Notes issued before 1 March 2010 (or Notes issued after 1 March 2010 and which are to be assimilated (*assimilables* for the purpose of the French law) and form a single series with such Notes) will be subject neither to the non-deductibility set out under Article 238 A of the French *Code général des impôts* nor to the withholding tax set out in Article 119 *bis* 2 of the French *Code général des impôts* solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

Payments made to individuals fiscally domiciled in France

Pursuant to Article 125 A of the French *Code général des impôts*, subject to certain limited exceptions, interest received from 1 January 2013 by French tax resident individuals is subject to a 24 per cent. withholding tax, which is deductible from their personal income tax liability in respect of the year in which the payment has been made. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding tax at an aggregate rate of 15.5 per cent. on interest paid to French tax resident individuals.

See "Terms and Conditions of the Notes – Taxation".

HONG KONG

The following is a summary of certain Hong Kong tax considerations relating to the purchase, ownership and disposition of the Notes by a beneficial owner of the Notes. This summary is based on the tax laws and regulations of Hong Kong as currently in effect and which is subject to change or to different interpretation. This summary is for general information only and does not address all of the Hong Kong tax considerations that may be relevant to specific holders in light of their particular circumstances.

Withholding Tax

No withholding tax is payable in Hong Kong in respect of payments of principal or interest on the Notes or in respect of any capital gains arising from the sale of the Notes.

Profits Tax

Hong Kong profits tax is chargeable on every person carrying on a trade, profession or business in Hong Kong in respect of the assessable profits arising in or derived from Hong Kong from such trade, profession or business (excluding profits arising from the sale of capital assets).

Under the Inland Revenue Ordinance (Chapter 112 of the Laws of Hong Kong) (the “**Inland Revenue Ordinance**”), interest on the Notes may be deemed to be profits arising in or derived from Hong Kong from a trade, professional or business carried on in Hong Kong and be subject to profits tax in the following circumstances:

- (a) interest on the Notes is derived from Hong Kong and is received by or accrued to a corporation, other than a financial institution (as defined in the Inland Revenue Ordinance), carrying on a trade, profession or business in Hong Kong;
- (b) interest on the Notes is derived from Hong Kong and is received by or accrued to a person, other than a corporation, carrying on a trade, profession or business in Hong Kong and is in respect of the funds of that trade, profession or business; or
- (c) interest on the Notes is received by or accrued to a financial institution (as defined in the Inland Revenue Ordinance) and arises through or from the carrying on by the financial institution of its business in Hong Kong, notwithstanding that the moneys in respect of which the interest is received or accrued are made available outside Hong Kong.

Any capital gains from the sale of the Notes will not be subject to taxes in Hong Kong, except that Hong Kong profits tax may be chargeable in the case of owners of Notes who carry on a trade, profession or business in Hong Kong and such gains form part of the revenue or profits of such trade, profession or business.

Sums received by or accrued to a financial institution by way of gain or profits arising through or from the carrying on by the financial institution of its business in Hong Kong from the sale, disposal or redemption of Notes will be subject to Hong Kong profits tax.

Stamp Duty

Stamp duty will not be payable on the issue of bearer Notes provided either:

- (a) such Notes are denominated in a currency other than the currency of Hong Kong and are not repayable in any circumstances in the currency of Hong Kong; or
- (b) such Notes constitute loan capital (as defined in the Stamp Duty Ordinance (Cap. 117) of Hong Kong (“**Stamp Duty Ordinance**”)).

If stamp duty is payable it is payable by the Issuer on the issue of bearer Notes at a rate of 3 per cent. of the market value of the Notes at the time of issue. No stamp duty will be payable on any subsequent transfer of bearer Notes.

No stamp duty is payable on the issue of registered Notes. Stamp duty may be payable on the transfer of registered Notes if the relevant transfer is required to be registered in Hong Kong. Stamp duty will, however, not be payable on any transfer of Registered Notes provided that either:

- (a) the registered Notes are denominated in a currency other than the currency of Hong Kong and are not repayable in any circumstances in the currency of Hong Kong; or
- (b) the registered Notes constitute loan capital (as defined in the Stamp Duty Ordinance).

If stamp duty is payable in respect of the transfer of registered Notes it will be payable at the rate of 0.2 per cent. (of which 0.1 per cent. is payable by the seller and 0.1 per cent. is payable by the purchaser) normally by reference to the value of the consideration. If, in the case of either the sale or purchase of such registered Notes, stamp duty is not paid, both the seller and the purchaser may be liable jointly and severally to pay any unpaid stamp duty and also any penalties for late payment. If stamp duty is not paid on or before the due date (two days after the sale or purchase if effected in Hong Kong or 30 days if effected elsewhere) a penalty of up to 10 times the duty payable may be imposed. In addition, stamp duty is payable at the fixed rate of HK\$5 on each instrument of transfer executed in relation to any transfer of the Registered Notes if the relevant transfer is required to be registered in Hong Kong.

Estate Duty

No estate duty is payable in respect of Notes in Hong Kong.

Capital gains tax

There is no capital gains tax in Hong Kong and no capital gains tax is chargeable or payable on the transfer or disposal of the Notes.

PEOPLE'S REPUBLIC OF CHINA

Under the PRC Enterprise Income Tax Law which was promulgated by the National People's Congress of the PRC on 16 March 2007 and became effective on 1 January 2008, an enterprise established in the PRC or in a foreign country with a "de facto management body" located within the PRC is considered a "PRC tax resident enterprise" and will normally be subject to the enterprise income tax at the rate of 25 per cent. for its worldwide income.

Under the PRC Enterprise Income Tax Law and PRC Individual Income Tax Law (which was promulgated by the Standing Committee of National People's Congress of the PRC on 30 June 2011 and became effective on the same date), if the Issuer is considered to be a PRC tax resident enterprise, interest payable to non-resident Noteholders and gains from transfer of Notes realized by such non-resident Noteholders may be regarded as income from sources within the PRC and therefore be subject to a 10 per cent. enterprise income tax if the Noteholder is a non-resident enterprise, or 20 per cent. individual income tax if the Noteholder is a non-resident individual, both to be withheld by the Issuer from the interest payments thereto. To the extent that the PRC has entered into arrangements relating to the avoidance of double-taxation with any jurisdiction, such as France, Hong Kong and Singapore, that allow a lower rate of withholding tax, such lower rate may apply to Noteholders who qualify for such treaty benefits.

If the Issuer is not considered a PRC tax resident enterprise, the holders of Notes who are not PRC residents for PRC tax purposes will not be subject to withholding tax, income tax or any other taxes or duties imposed by any governmental authority in the PRC in respect of Notes or any repayment of principal and payment of interest made thereon.

SUBSCRIPTION AND SALE

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 2 July 2014 (the “**Amended and Restated Dealer Agreement**”) between the Issuer, the Permanent Dealers and the Arranger, the Notes will be offered on a continuous basis by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Amended and Restated Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

References in this Base Prospectus to “Permanent Dealers” are to the persons listed as Dealers and to such additional persons that are appointed as dealers in respect of the whole Programme (and whose appointment has not been terminated).

The Issuer will, unless otherwise agreed, pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by that Dealer. The Issuer has agreed to reimburse the Arranger for its expenses incurred in connection with the update of the Programme and the Dealers for certain of their activities in connection with the Programme. The commissions in respect of an issue of Notes on a syndicated basis will be stated in the relevant Final Terms.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Amended and Restated Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

Selling Restrictions

Public Offer Selling Restriction under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “**Relevant Implementation Date**”) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (i) if the final terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a “**Non-exempt Offer**”), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable and the Issuer has consented in writing to its use for the purpose of that Non-exempt Offer;
- (ii) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (iii) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as

defined in the Prospectus Directive), subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or

- (iv) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (ii) to (iv) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes to the public**” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression “**Prospectus Directive**” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in the Relevant Member State and the expression “**2010 PD Amending Directive**” means Directive 2010/73/EU.

These selling restrictions may be modified or supplemented by the agreement of the Issuer and the Dealers following a change in a relevant law, regulation or directive. Any such modification will be set out in a Supplement to this Base Prospectus.

No action has been taken in any jurisdiction that would permit an offer to the public of any of the Notes, or possession or distribution of the Base Prospectus or any other offering material or any Final Terms, in any country or jurisdiction where action for that purpose is required.

Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it will, to the best of its knowledge, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes the Base Prospectus, any other offering material or any Final Terms and neither the Issuer nor any other Dealer shall have responsibility therefore.

In case Notes are rated, such rating will be disclosed in the relevant Final Terms within the item "Rating". As defined by S&P, an 'A' rating means that the Issuer's capacity to meet its financial commitment under the Notes is strong. The ratings from 'AA' to 'CCC' may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the major rating categories. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency. Ratings are based on information furnished to the rating agencies by LVMH and information obtained by the rating agencies from other sources. Because ratings may be changed, superseded or withdrawn as a result of changes in, or unavailability of, such information, a prospective purchaser should verify the current long-term rating of LVMH before purchasing the Notes.

The credit ratings included or referred to in this Base Prospectus have been issued by S&P, which is established in the European Union and registered under the Regulation (EC) No. 1060/2009 on credit ratings agencies, as amended (the "**CRA Regulation**") and included in the list of credit rating agencies registered in accordance with the CRA Regulation published on the European Securities and Markets Authority's website (www.esma.europa.eu/page/List-registered-and-certified-CRAs) as of the date of this Base Prospectus. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.
