The Group’s vocation is to ensure the DEVELOPMENT of each of its Houses while respecting their IDENTITIES and their autonomy, providing the RESOURCES needed to create, produce and market their products and services through carefully selected channels.

These creations make our Houses AMBASSADORS OF A DISTINCTIVELY Refined « ART DE VIVRE ».

Those three imperatives constitute the pillars of our **PERFORMANCE** and **LONG-TERM SUCCESS**.

This combination of creativity and innovation is the foundation of our Houses and stands at the heart of the delicate balance required to continually renew our offer while resolutely looking to the future, always respecting our unique heritage.

**DELIVER excellence**

At LVMH, we never compromise on quality. Because we embody the world of craftsmanship in its most noble and accomplished form, we pay meticulous attention to detail and to perfection. From products to service, we cultivate our difference through this constant quest for excellence.

Our entrepreneurial spirit encourages both risk-taking and perseverance. It requires pragmatic thinking and an ability to motivate teams, leading them to achieve ambitious objectives.

The Fondation Louis Vuitton

Initiated by Bernard Arnault in 2006, the Fondation Louis Vuitton in Paris opened to the public on October 27, 2014.

The Foundation embodies the myriad actions taken by the LVMH group over the past 25 years in support of art, culture and heritage.

With its forceful impact and unique, groundbreaking design, the building created by Frank Gehry is itself the first artistic statement by the Fondation Louis Vuitton.

In addition to its permanent collection, the Foundation commissions works from artists and organizes temporary exhibitions of modern and contemporary art, along with multidisciplinary installations.

Since its opening the Fondation Louis Vuitton has hosted many exhibitions such as Icons of modern art. The Shchukin Collection, Jean-Michel Basquiat, Egon Schiele, Being modern: MoMA in Paris, etc.

The Fondation Louis Vuitton project has adopted an exemplary environmental approach and was chosen as a pilot project for new HQE® (High Environmental Quality) guidelines applicable to cultural buildings.

Biography of Bernard Arnault

Bernard Arnault is Chairman and CEO of LVMH. Born to an industrial family in Roubaix, France on March 5, 1949, Mr. Arnault attended the Roubaix lycée and the Faidherbe lycée in Lille. He then went on to study at the Ecole Polytechnique, graduating in 1971.

He began his professional career that year as an engineer with the Ferret-Savinel construction company and successively was promoted to various executive management positions before becoming Chairman in 1978.

Mr. Arnault remained there until 1984, when he undertook the reorganization of the Financière Agache holding company. He returned the group to profitability as he embarked upon a strategy of developing the world’s leading luxury products company. In the process, he reinvigorated Christian Dior as the cornerstone of the new organization.

In 1989, Mr. Arnault became the majority shareholder of LVMH Moët Hennessy – Louis Vuitton, creating the world’s leading luxury products group. Mr. Arnault has been Chairman and CEO of the company since that date. Mr. Arnault is also President of the Board of Directors of Groupe Arnault S.A. (his family holding company).

Mr. Arnault is married and has five children. He has been awarded the honorary titles of Grand Officer of the Legion of Honour and Commander of the Order of Arts and Letters.
