Authorization to be granted to the Board of Directors, for a period of 18 months, to trade in the Company's shares for a maximum purchase price of 1,200 euros per share, thus a maximum cumulative amount of 60.4 billion euros

The Shareholders' Meeting, having examined the *Board of Directors' report on the draft resolutions*, authorizes this body, which may sub-delegate its powers in this regard, to purchase the Company's own shares, in accordance with the provisions of Articles L. 22-10-62 *et seq.* of the French Commercial Code and European Regulation No. 596/2014 of April 16, 2014.

Shares may be acquired to meet any objective compatible with the provisions in force at the time, and in particular to:

- (i) provide market liquidity or share liquidity services (purchases/sales) by an investment service provider acting independently as part of a liquidity contract set up by the Company in compliance with the AMF-approved AMAFI Ethics Charter;
- (ii) cover stock option plans, awards of bonus shares or of any other shares, or share-based payment plans for employees or executive officers of the Company or of any related undertaking under the conditions provided by the French Commercial Code, in particular Articles L. 225-180 and L. 225-197-2;
- (iii) cover debt securities that may be exchanged for Company shares, and more generally securities giving access to the Company's shares, notably by way of conversion, tendering of a coupon, redemption or exchange;
- (iv) be retired subject to the approval of the twentieth resolution by this Shareholders' Meeting; or
- (v) be held and later presented for consideration as an exchange or payment in connection with external growth operations, up to a maximum of 5% of the share capital;
- (vi) more generally, carry out any permitted transactions or any transaction that would be authorized in future under regulations in force at that time, or that would involve an already accepted market practice or one that would come to be accepted by the French Financial Market Authority (Autorité des marchés financiers).

The maximum price at which the Company may purchase its own shares is set at 1,200 euros per share, with the understanding that the Company may not purchase shares at a price that exceeds the higher of the following two values: the last quoted share price after the execution of a transaction in which the Company was not a stakeholder or the highest independent purchase offer in progress on the trading platform on which the purchase would be made.

In the event of a capital increase through the capitalization of reserves and bonus share awards as well as in cases of a stock split or reverse stock split, the purchase price indicated above will be adjusted by a multiplying coefficient equal to the ratio of the number of shares making up the Company's share capital before and after the transaction.

The maximum number of shares that can be acquired over the duration of the repurchase program is 10% of the share capital, after adjustment for transactions affecting the share capital after this Shareholders' Meeting, with the understanding that in the context of the use of this authorization, (i) in the specific case of shares purchased under the liquidity contract, in accordance with Paragraph 2 of Article L. 22-10-62 of the French Commercial Code, the number of shares taken into account to calculate the limit of 10% corresponds to the number of shares purchased after deduction of the number of shares that may be resold throughout the authorization period and (ii) the number of treasury shares to be used for payment or exchange in the context of a merger, spin-off or tender may not exceed 5%

of the capital as of the date of the operation.

The limit of 10% of the share capital corresponded to 50,325,734 shares as at December 31, 2022. The total maximum amount allocated to acquisitions may not exceed 60.4 billion euros.

The share purchase transactions described above, as well as any sale or transfer of these shares, may be carried out by any method in compliance with applicable laws and regulations, including through negotiated transaction.

All necessary powers are granted to the Board of Directors with a view to ensuring the execution of this authorization. The Board of Directors may delegate said powers to the Chief Executive Officer, or, where applicable, with the latter's consent, to a Group Managing Director, both of whom may sub-delegate exclusively the execution of this authorization under the conditions provided by law, in order to:

- decide on the implementation of this authorization;
- adjust the aforementioned maximum purchase price to reflect, in the event of a change in the share's nominal value, an increase in the share capital through the capitalization of reserves and bonus share awards, a stock split or reverse stock split, the distribution of reserves or of any other assets, the redemption of share capital or any other transaction affecting equity, the impact of such transactions on the share's value;
- set the terms and conditions under which will be protected, if applicable, the rights of the holders of securities giving access to the share capital or of share subscription or share purchase options, or the rights of those eligible to receive bonus shares, in accordance with legal, regulatory or contractual provisions;
- place any stock market orders, enter into any contracts, sign any documents, enter into any agreements with a view notably to maintaining share purchase and sale registers, in accordance with the regulations in force;
- file any declarations, carry out any formalities, and generally take any necessary action.

Unless it obtains prior authorization from the Shareholders' Meeting, the Board of Directors may not take the decision to use this delegation of authority as from the date on which a third party files a proposal for a tender offer for the shares of the Company and until the end of the offer period.

This authorization takes effect from the close of this Shareholders' Meeting for a period of 18 months and renders null and void the unused portion of the authorization of the same type granted to the Board of Directors by the Ordinary Shareholders' Meeting of April 21, 2022 pursuant to its twentieth resolution.

However, unless it obtains prior authorization from the Shareholders' Meeting, the Board of Directors may not take the decision to use this delegation of authority as from the date on which a third party files a proposal for a tender offer for the shares of the Company and until the end of the offer period;

2. decides that if the Board of Directors uses this delegation of authority,
 - the maximum nominal amount (excluding issue premiums) of the capital increases that may be carried out immediately or over time under this resolution is set at twenty (20) million euros, it being specified that the amount of any issues under this resolution will count toward the overall limit set out in the thirtieth resolution below, provided it is approved by this Meeting, or toward a limit that may be stipulated by any resolution on the same subject that might supersede this resolution during the validity period of this delegation,
 - in the event of a capital increase through the capitalization of additional paid-in capital, reserves, profits or other items in the form of awards of bonus shares during the validity period of this delegation of authority, the aforementioned nominal amount will be adjusted by a multiplying coefficient equal to the ratio of the number of shares making up the share capital after the transaction to this number before the transaction,
 - to this limit will be added the total nominal amount of any additional shares that may need to be issued in the event of further financial transactions to protect the rights of holders of securities giving future access to the share capital, share subscription options, or share purchase options, or the rights of those eligible to receive bonus shares,
 - the total nominal amount of the Company's debt securities that may be issued pursuant to this delegation of authority may not exceed five (5) billion euros or an equivalent value in a foreign currency as of the date any issue is decided, it being specified that the nominal amount of debt securities to be issued under the twenty-second, twenty-fourth, twenty-fifth, twenty-sixth and twenty-seventh resolutions, provided they are approved by this Meeting, or to be issued as authorized under resolutions on the same subjects that might supersede any of these resolutions during the validity period of this delegation, will count toward this total amount;
3. sets at 26 months from the date of this Meeting the period of validity of this delegation of authority and notes that this delegation immediately renders null and void the delegation granted by the Shareholders' Meeting of April 15, 2021 in its twenty-second resolution;
4. decides to remove the preferential rights of shareholders to subscribe for the shares and other securities that may be issued under this resolution, leaving the Board of Directors the option, as provided for by Article L. 22-10-51 of the French Commercial Code, to grant to shareholders, for such a period and under such terms as it will determine in accordance with legal and regulatory provisions and for all or part of an issue made, a priority subscription right over a specific period, not giving rise to the creation of transferable rights, which must be exercised in proportion to the number of shares held by each shareholder and may potentially be supplemented by a reducible subscription, it being specified that any securities that are not subscribed may be sold through a public offering in France and/or abroad;
5. takes note that, should this delegation of authority be used, the decision to issue securities giving access to the share capital will entail, in favor of the holders of these securities, the express waiver by the shareholders of their preferential rights to subscribe for the shares to which these securities will give access;
6. decides that the Board of Directors may suspend the exercise of the rights attached to the securities issued for a period of up to three months and may take all appropriate steps to ensure that adjustments are made as required by laws and regulations in force and, where applicable, by contractual clauses that protect the rights of the holders of securities giving access to the Company's share capital;
7. decides, in accordance with Article L. 22-10-52 of the French Commercial Code, that the amount of the consideration accruing and/or to accrue at a later date to the Company for each of the shares issued or to be issued under this delegation, taking into account the issue price of any standalone share subscription warrants that may be issued, will be at least equal to the minimum price set forth in the laws and regulations in force at the time of the issuance (equivalent as of the date of this Meeting to the weighted average of the share price over the three trading days on the regulated market of Euronext Paris immediately preceding the public offer within the meaning of EU Regulation No. 2017/1129 of June 14, 2017, to which a discount of no more than 10% may be applied, after any adjustment of this average price in the event of a difference in the dates from which the shares carry dividend rights);
8. decides that if subscriptions by shareholders or the general public do not absorb the entire issue of securities, the Board of Directors may use any of the following options in the order it deems appropriate:
 - limit the issue to the amount of the subscriptions, provided this amount is at least three-quarters of the issue amount initially decided,
 - freely allocate all or a portion of the securities that were not subscribed,
 - offer to the public, either in France or abroad, all or a portion of the unsubscribed securities;
9. grants to the Board of Directors the same powers as those specified under point 6 of the twenty-second resolution for the approval of this Meeting, which it may delegate to the Chief Executive Officer, or if applicable and with the latter's consent, to a Group Managing Director.
