(authorized by the Board of Directors at its meeting on January 25, 2024)

Purpose: Indexation, based on a consumer price index, of the consideration provided for under the assistance agreement entered into with Agache SCA (formerly known as Groupe Arnault SEDCS) on July 31, 1998, under which Agache SCA provides services (financial, legal, tax and administrative) to LVMH SE.

Financial conditions: Annual consideration excluding taxes of a lump sum of one million five hundred thousand euros (1,500,000 euros), indexed, each year, to the price index set out below.
